## F R . M I K E ' S R E F L E C T I O N

The other day I ran into some laundered money. No, it was not counterfeit. Just money I forgot to take out of my pants when doing the laundry. It is now crisp and clean. No germs on that one. I have done my own laundry for years. I know I should be checking my pockets before putting them in the hamper and before they go into the wash. But I get lazy once in a while and take things for granted. We probably tend to do that in a lot of places. We do it because it has become a routine that we do because it does not require any thought. It is easy to do that with spouses to. We talk about the same old thing and hardly even go back to revisit former topics. Why did I say that? Why did I do that? Why did your actions trigger my reaction? During COVID I have found myself thinking like I did as a younger person. In asking myself why, it is because I did that for so long without thinking. Reflecting upon my childish ways has helped me realize that family habits are tough to change. Even when we want to. If this has happened to you may I suggest you go back and look at old family of origin habits and see if you are acting the way you want now that you are an adult.

COMMITMENT TO PARISH LIFE

Dear Family,  
 Brothers and sisters, Soon you will be able to see our financial statement for the past year. We did extremely well given COVID. There were a number of extenuating circumstances. First, we were able to qualify for the PPP program from the US government. Then, we had a number of staff leave that we did not replace. Third, there were some projects we put off because of the little the building was used. So we ended well into the black. Now we discover God had a plan for us all along. We need to replace the air conditioner for the church. We also need to replace the concrete pad it was resting on. That is nearly \$100,000. In mid July we had a very heavy downpour of rain where a lot of the water on the concrete slab ran into the electrical room where we have the sound system equipment. The replacement of the old with the new and hopefully updating of the speakers will amount to another \$60,000. We knew some of this was happening but not when. Now is the time. So because of your generosity we are able to do these things. If you would like to give money towards either of these dedicated projects your gift will be greatly appreciated. Fr. Mike

## Haiti Relief Fund

In response to the devastating earthquake that hit our sister parish St. Catherine's in Bouzy, we are launching a Haiti Relief Campaign, to support emergency needs and rebuilding. Many homes, including the rectory, are destroyed. Many people are homeless. They desperately need our help. Please pray. You can donate on the parish website, using text to give, or by check payable to St Joseph the Worker, noting "Haiti" in the memo line. Thank you.

For current news from Bouzy see the eNews, the church website, or core team members in the gathering space.  
 Thanks for your generosity.

## PARISH RETREAT

"Have Hope & Trust the Journey" –  
SJTW Parish Retreat  
– October 15-16

**The Parish Retreat is now open for registration!!**

After our long separation during the pandemic are you ready for some togetherness? Are you needing a spiritual shot in the arm? Then please register for our parish retreat, where we can relax, reflect, restore, and rest in one another's company. Space is limited so don't wait!

A group of SJTW members has been meeting regularly for over a year to develop this retreat just for our parishioners. They are now ready to share their faith stories and inspire you to reflect on your own.

Hope....does it sometimes seem elusive? Have you found it difficult to trust during our long ordeal with the pandemic? Have there been other times in your life when your faith has been challenged? Do you believe that the Light shines brightest in the darkness? Or that you need the support of others to find the Light?

We invite you to consider these questions with us as we come away and 'retreat' together. You will be given time for fellowship, for personal reflection, for faith sharing, for enjoying the wonder of nature on the beautiful grounds, and for opportunities to get to know other parishioners. Come join us! You will enjoy a spiritual boost, good company, inspirational songs and laughter!

When: Friday and Saturday, October 15 - 16, 2021.  
Check-in starts at 6:30pm; retreat program starts at 7pm.  
Retreat ends with Saturday 5:00 Mass at SJTW followed by wine/cheese reception for retreatants, their families, and the SJTW community.

Where: Franciscan Spirituality Center, Prior Lake MN  
Register on the SJTW website [www.sjtw.net/sjtw-parish-retreat](http://www.sjtw.net/sjtw-parish-retreat)  
Registration fee: \$50 per person. A free will donation toward the balance of the cost will be accepted at the retreat. Scholarships available; see Father Mike for details.

For any questions, please call Chet or Elynn Welle @ 507-271-4056.6.

### Archbishop Hebda Needs Your Help!

How can we as a Church better pass-on our beautiful Catholic faith whether in our homes or in the broader world? The Archdiocesan

Synod kicks into high gear this fall and your input is needed to help Archbishop Hebda chart the course for this local Church. Join a small group to discuss and give feedback on priorities within each Synod focus area:

Forming parishes that are in the service of evangelization.  
Forming missionary disciples who know Jesus' love and respond to his call.

Forming youth and young adults in and for a Church that is always young.

Mark your calendar for your parish's Synod small group process happening this fall! See more details at our parish website <https://www.sjtw.net/synod>

Your Voice, Your Input, Your Ideas and Your Prayers are important!

### Interested in the Catholic Faith?

Know someone who would like to become Catholic? Are you getting married and one of you is not Catholic but they would like to know why the Catholic spouse

thinks that way? RCIA might be for you. RCIA is Rite of Christian Initiation of Adults. It is a process where the information and reason for being Catholic is shared among a group of friends and family. If you are interested, know someone who is interested, or if you just want to learn more for yourself, then this process can be a big help. If you or someone you know would like to join in this process, call 763-425-6505 and talk with Fr. Mike. It will provide answers to many of your questions.

NEWS FROM BOUZY August 30, 2021!

Fr Claude texted us last week that he will use our gifts to provide emergency food kits to people in Bouzy, and emergency assistance to St Catherine's teachers who lost homes and possessions in Les Cayes. In Fr Claude's own words:

"Hello! I want to thank you for our phone conversation. I was really moved to see the enthusiasm & speed with which you placed a gift in the account of St. Catherine's Parish for the victims of the August 14 disaster. Thank you also for your solidarity.

After meeting with the parish charity committee, we decided together to prepare food kits for the victims. In the kits, they will find: 2 pots of rice, 1 pot of beans, 1 pot of corn, 1 jar of oil, 2 of spaghetti, 2 of salmon. So we plan to give the victims this kit.

For the teachers, especially the one who came from Les Cayes, they lost everything. To relieve them, I thought it best to give them something so they could get some of what was lost from them."

We are pleased to hear from Fr Claude that it is no longer difficult to travel to nearby towns of Fond Des Negres and Miragoane to buy food and supplies with the money you generously give for Haiti. He will get security to manage distribution of the food at St Catherine's.

We have been in contact with Food For the Poor, an NGO on the ground in Haiti that is providing early crisis response to the earthquake. We asked if they could provide any assistance to our sister parish in Bouzy. They said that they already had! Fr. Claude confirmed that he has picked up 15 bags of rice, 3 bags of beans and tarps for some of the people sleeping outside. Food For the Poor called again today to say that they had more food available, which must be used at St Catherine's school.

Fr Claude and the people of Bouzy are still sleeping outside. They rightly fear aftershocks. There have been 27 aftershocks so far, 11 of which had a magnitude between 4.5 & 5.8. Aftershocks have slowed, but it's still not safe to sleep inside. Fr. Claude says that when it is safe, the new part of the rectory is solid and will be a safe home for him. The old part of the rectory was destroyed in the earthquake and will be taken down soon. He met with someone today to begin discussions on how to do that.

After Fr. Claude is sleeping safely inside, we will discuss the state of the new church construction. Fr. Claude says that much of it appears to be in good shape. The engineer will come out to assess it after the aftershocks cease.

School opens in most of Haiti on September 6. But opening is delayed for areas affected by the earthquake like Bouzy. They are waiting for the Education Ministry to set a school start date for them.

(continued next column)

(continued)

It is good news that they have been able to get some initial food in Bouzy, but we know much more will be needed in the days ahead, and as they work to rebuild homes, rectory, churches, schools and other damaged structures. Please continue to pray for their recovery.

Mesi' anpil! (Thank you very much!)
