

St. Michael Catholic Church

FROM FATHER TOM'S DESK

Is St. Michael's Catholic School the right place for your children to thrive? We've recently seen a large increase in enrollment due to parents have who given St. Mike's a try and decided to stay. They value many things we have to offer. We teach students to learn and live the Catholic faith in an environment where Christian values are taught and modeled. We pray together in many ways throughout the day in the classroom and especially at our weekly school Masses. We form lifelong learners who are ready to excel as they move on to high school and often step into leadership positions there. We teach our students to respect the God-given dignity of every child and adult, and tailor our teaching to the needs of each individual student. We value teaching in small classes where teachers, school staff, parents, grandparents, and the whole community can get involved in forming our students. Above all, we help our students know and love Jesus Christ and the values he taught, and we seek to model living the way Jesus calls us all to live.

Next week, we'll be celebrating Catholic Schools Week. Next Sunday our students will be with us at weekend Masses in part as a way of thanking you for making the option of Catholic education possible for them.

If you're interested in hearing more about what St. Michael's Catholic School can do for your children or grandchildren, give us a call. We're already taking registrations for 2022-23!

If you'd like to get involved at our school, give us a call. There are many ways your gifts could be of value to our students.

If you'd like to support St. Mike's, we'd greatly appreciate any extra help. Join us for our Gala on Saturday, March 26th. We also welcome donations of any size to help with our scholarship fund so Catholic education remains a choice for all families.

Registration for the 2022-23 School Year

St. Michael
Catholic School

St. Michael Catholic School has been experiencing a growth in enrollment. Parents are appreciating the value of the Catholic education they are receiving here at St. Michael, and they are telling their friends! That is exciting for us, and also challenging. We want to make sure we have space for our own parish families, especially in our kindergarten classrooms, before we open registration to the general public. **Registration for the 2022/23 school year opens on Friday, January 28th!** Visit saintmpl.org and click the "Enroll Now Button" to register.

Please contact Brandi McColm at mccolm@saintmpl.org for a tour or to learn more about the excellent school right here in your parish. Tuition assistance is available; we want every parish family who desires a Catholic education to have access to our school!

Adorers Needed!

Are you feeling Jesus' call to spend time with him present in the Holy Eucharist? Prayerfully consider committing one hour a week with him. Times when we are most in need are: Wednesdays 1:00 - 2:00 p.m. and 2:00 - 3:00 p.m. If interested, contact Amy Azinger zingsoul38@gmail.com or 952-393-1824.

Catholic Heart Work Camp Boston 2022

Our CHWC Mission Trip to Boston, MA this July is now open for 8th grade students and college-aged students. Our trip is July 9th-16th to Boston, MA.

Fundraising opportunities are available, and applications are still open. Don't miss out on this amazing opportunity to serve, grow in community, and have the best week of your summer. With the addition of these age groups, there will be another information session on Tuesday, January 25th at 7:00 pm in Holy Grounds Coffee House. This session will also be available via Zoom for those who prefer that option.

Meeting ID: 930 9115 0969

Passcode: chwc

Helping our Brothers and Sisters in Chimbote

We will have our usual Homes Collection in March. However, if you'd like to make a donation now that will make a huge difference, consider any of the items on the list on our homepage (stmichael-pl.org). Even if you pay for a simple bed or dresser you give two gifts. One is new furniture for a family with nothing. The other is work for the carpenters who have been out of work most of this year.
