## FROM THE PASTOR:

**God's Healing Love Mission**—I commented last week, as we continue to reflect on the parish mission that we shared with Blessed Sacrament Parish, on the question: *Does God heal, and if so, why and what is the nature and manner of this healing?* While a very complex question, the gospels reveal that Jesus heals that such “signs and wonders” will increase faith in us, that we might place our trust in the God who will care for us in this life and, ultimately, into the eternity that He has prepared for us.

This week's reflection could be summarized by this question: *How should we seek healing?* This question alludes to one of the most basic questions of all human life: when do our efforts end and when do God's actions take over; or, When should we seek healing by our human efforts (through natural and medicinal means) and when should we rely on God's healing? The short answer is that we, as human beings endowed with the faculty of reason who are at the same time believers in God are to simultaneously rely on BOTH. *Continued* →

The mission, which emphasized reliance on God's healing, challenged us to consider to what degree we prayerfully call on and rely upon God's healing (particularly through our prayer for each other), or do we primarily rely on human and medicinal efforts. As followers of the Lord, we ought to rely on BOTH medicine and prayer. At the same time, we recall that our faith teaches that human wisdom (the basis of our sciences) is also a gift from God, so that we rightfully say that the medical sciences re-create (heal) together with God's wisdom. It was the mission team's goal to speak to the healing power of God, while our Catholic faith also insists that we take recourse to the medical arts and, in justice, work to provide wide access to medical care in our civil society. It is for this reason that it has been Christians who are largely responsible for the tradition of hospitals and the medical sciences that so enhance our lives. At the same time, our faith reminds us that indefinitely prolonging life if not our ultimate goal, as we have in the end been created for eternity.

Next week, I'd like to consider the question of the origin of illness, discussing our understanding the role of personal sinfulness and the diabolic in causing or sustaining illness and disease. What I liked about the mission is that it has given rise to discussion about vital and essential questions about life and faith. Let's keep talking and—don't hesitate to engage your pastor in the discussion! I love to explore these great questions of life and faith!

**Lots of discussion about the Supreme Court and Roe v. Wade**—The leaking of a draft of the potential decision **Dobbs v. Jackson Women's Health Organization** seems to indicate that the Court may send the deliberation of how abortion is regulated and limited to the legislatures of our 50 states. Your St. Edward Parish has been anticipating our pastoral response if Dobbs does overturn a federal, constitutional right to abortion (established in 1973 by the Roe v. Wade decision) and change the legal status of access to abortion.

We want to support women who might find themselves faced with a crisis or unwanted pregnancy! To this end, a committee of the parish has been examining resources that would be available to expectant mothers, to be ready to support and refer women who might no longer have access to abortions at the same level and manner as is currently available. We are using the model provided by the United States Conference of Catholic Bishops called **walkingwithmoms.com**—why not check out the website! Look for more information here—and let's keep praying for a peaceful civil discourse over this most contentious and, by its nature, deadly issue.

**Fr. Scott Bullock**

## ADORATION OF THE BLESSED SACRAMENT

*"A sacrifice to be real must hurt, must cost, must empty ourselves." St. Teresa of Calcutta*

A committed weekly hour of adoration does hurt a bit. It takes from our relaxing, adds to our busy schedules, and might cost some sleep. Benefits far outweigh the cost.

Visit the Adoration Chapel at Columbus HS. Specific needs are Wednesdays at midnight, 2am (3rd and 4th weeks monthly), and 7am; Thursdays at midnight and 5am; Fridays at midnight and 2am; and Saturdays at 11am and 7pm. If interested, call Mike Strei 801-920-9130 or email [cvadoration@gmail.com](mailto:cvadoration@gmail.com).

# ST. EDWARD PASTORAL COUNCIL

## 2022 NOMINEE PROFILES

### Josh Van Besien (2nd Term)

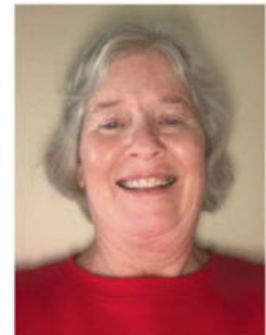

My name is Josh Van Besien and I have been a member of St. Edward Parish since 2013. My wife, Kathryn, and I were married at St. Ed's in 2017, and our 3 children (Anna, Augustine, and Magdalene) have all been baptized at St. Edward. It's safe to say St. Ed's is very much our spiritual home! As a part of being involved in our parish family, I have been blessed to have served in nearly all liturgical ministry roles as a Eucharist Minister, sacristan, cantor, lector, and parking lot hospitality for some of our more special liturgies. In addition, I have served as the leader of our parish's Knights of Columbus and, for the past few years, as a member on our parish's Pastoral Council. I would be very grateful for the opportunity to continue to serve on our Pastoral Council and I humbly ask for your support!

---

### Nancy Taylor

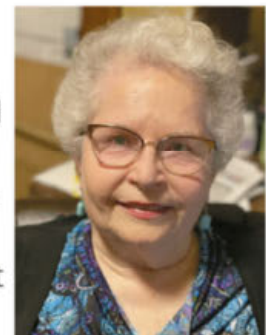

I was recruited to consider a position on our parish council, so here I am. What I know is I have a desire to serve the Lord thru volunteering and sharing my time. I have lived here and attended St. Edward's my entire life. I retired after 30 years from John Deere. I have volunteered with Common Venture, was a "Big Sister" thru Big Brothers/Big Sisters Agency, work on homes with Habitat for Humanity, am a weekly volunteer at the House of Hope, and work funeral dinners here at St. Ed's. I believe everyone has unique gifts to share, and I am willing to dedicate mine to this position.

---

### Karen Atwood

I would like to bring my work and family experiences to the St. Edward's Parish Council. I moved to Waterloo in 1965. I belonged to Sacred Heart, St. Mary's, and for the last 20 years to St. Edward's. I served as communion minister and parish council member at St. Mary's. I also was a communion minister and volunteer at St. Edward's. Having worked as a legal secretary and later as income tax preparer, I learned many financial skills. In 1984, I incorporated Consumer Credit Counseling Service and served as Executive Director for 35 years. I retired in December. I prepare income taxes from my home. Past community services include the Kiwanis, Eagles, Elks, BPW, ACCW, and Rosary Society. Married to Ron for 56 years, we have 3 children, 4 grandchildren, and 7 great-grandchildren (5 at St. Edward's/BS). I enjoy the community atmosphere at St. Edward's.

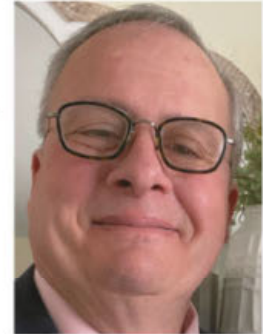

*"Each of you should use whatever gifts you have received to serve others, as faithful stewards of God's grace."  
(1 Pt. 4:10)*

# ST. EDWARD PASTORAL COUNCIL

## 2022 NOMINEE PROFILES

### Chuck Schaefer

I have been a member of St Edward's for 47 years and feel strongly about assisting in the continued growth of our parish. I am a past Grand Knight for our Knights of Columbus Council and continue as a member. Singing, guitar playing, and serving as a cantor has been a vital and enjoyable part of my ministry during my years at St. Ed's. I enjoy spending time with my family, golf, and am a railroad enthusiast. I am retired from Martin Bros as Senior Credit Manager and enjoy people and staying busy!

---

### Lola Treinen

My husband, Michael, and I have been St. Edward parishioners since we moved to Waterloo in 2004. Our St. Edward family has stood by us through so many life events since then - the births of our four energetic children, our kids' sacraments, and our middle son's journey with leukemia, to name a few. God has greatly blessed us to be part of this special community, and I seek to give back. I have been active in parish life in the past on the Fall Festival committee (you may remember us as "The Pie People"), children's liturgy, and various seasonal parish activities. I currently am a lector. I would love this opportunity to serve St. Edward's on our Pastoral Council. Thank you for your consideration!

---

### Jessica Treinen (Youth Rep)

I have been a member of Saint Edward's Parish my whole life. I attend Columbus Catholic High School, where I serve by singing or playing instruments during Mass. I have been involved at Saint Edward by altar serving and singing in the children's and Te Deum choirs and as a cantor. By becoming the youth representative, I hope to give back to the community that has given so much to me, help young people's voices be heard, and continue to grow in my faith. I am eager to grow stronger relationships with the people around me and with God, and to help better the parish for future generations of Catholics. My goal is to make teenagers like myself have a more positive attitude towards church and God, and to make the parish a more welcoming place for younger kids and teenagers. Thank you for considering me as your youth representative.

*"Each of you should use whatever gifts you have received to serve others, as faithful stewards of God's grace."  
(1 Pt. 4:10)*
