Fifty Years of encountering, becoming, and sharing the Peace of Christ

A Message from Father John

We are blessed to have Bishop Barron join us to celebrate the 50th anniversary of the founding of our parish. There are so many blessings that have come to us, so many sacraments that have been celebrated, so many young people and adults who have been formed, so many people who have had needs met over these years that it is clear that God is at work.

I love hearing stories of the formative years of the parish when a community formed despite lacking facilities and met for Mass in a roller rink. This sense of community is at the heart of who we are. When I arrived 3 years ago, in the middle of the pandemic, I asked our staff to describe the parish. Almost all of them used the word “family” to characterize our parish. That was a beautiful tribute and one I have found to be true. So many of the memories I hear about the early years, and the years since, make the same point. While we have wonderful facilities, it is our members who make us special. We strive to be a family of faith.

As we look forward to the next 50 years we pray that we may grow as a family of faith, committed to the Eucharist, Formation and Service. Our purpose statement invites us to encounter, become and share the Peace of Christ. Those encounters happen in prayer, sacrament, learning and community. We become the Peace of Christ through those very same things. And we share the Peace of Christ as a result of this encounter and becoming.

When the Risen Lord gave the disciples His Pax (Peace) in the upper room they were transformed. That same Pax is given to us. May we embrace this gift and carry it with us into the coming 50 years. I wonder what those who gather for the 100th anniversary will say of how we encountered, became and shared the Pax Christ, the Peace of Christ.

The Mystery of God

Who God is and Why He Matters

Thursdays 9:45 am in the Pax Library

On Thursday, June 15th we will begin a six week class on Bishop Robert Barron's video presentations The Mystery of God - Who God is and Why He Matters.

Atheism is on the rise. The so-called New Atheism has attracted millions of young people thanks to bestselling books such as The God Delusion and God Is Not Great. How should Christians respond? How can we turn the tide of secularism and draw people back to God?

Reaching into our rich theological tradition, and using the insights of St. Augustine, St. Thomas Aquinas, Pope Benedict XVI, you'll uncover a clear yet sophisticated understanding of what we mean by "God".

Who is God? And why does he matter? Watch this series with us and you'll not only learn the answers yourself, but you'll discover how to share them with others - especially those who no longer believe.

All are welcome to join us.

WEDNESDAY BONFIRES
