KIDS' KORNER

Sharing the Gospel:

Isn't God amazing? He made all the stars and planets to move, so every night the sky looks a little different. When God created the world, he planned exactly when the wise men would see the star. He wanted them to find Jesus.

Prayer:

Dear God, thank you for making the planets and stars so the wise men could find Jesus.

Something to Draw:

Draw a picture of stars and planets shining in the night sky.

An Act of Spiritual Communion

My Jesus,

I believe that You are present in the
Most Holy Sacrament.

I love You above all things,
and I desire to receive You into my soul.

Since I cannot at this moment receive You sacramentally,
come at least spiritually into my heart. I embrace You as if You
were already there and unite myself wholly to You.

Never permit me to be separated from You.

Amen.

Everyday Stewardship: Recognize God in Ordinary Moments "The Light of the Moon"

If you own a television that has been turned on at any point in the last month or so, chances are you've caught at least a scene or two of the 1946 classic film "It's a Wonderful Life."

If you're not familiar with the movie, it follows the life of George Bailey from childhood through adulthood. A dreamer by nature, George has big plans for himself that involve world exploration and adventure — but family and community obligations keep him tethered to the same spot on the map, leading an altogether ordinary life.

One of the most memorable scenes from that movie is of George dancing with his sweetheart Mary while they sing "Buffalo Gals — Won't you come out tonight/And dance by the light of the moon?"

That lyric always catches my ear. Of course, the moon doesn't have any light of its own. All the moon has is the ability to reflect the light that shines upon it.

The same holds for us, doesn't it? Our stewardship is purely a reflection of the grace granted to us by another. "Upon you the LORD shines," writes Isaiah, "and over you appears his glory." Every good action we will ever take begins in the mind of God. The fact that we have the honor of carrying it out on His behalf is a beautiful gift. It is God that makes our ordinary lives extraordinary.

In the end of the movie, George Bailey realizes that he had a far greater life because, instead of being the hero of his own story, he allowed himself to reflect goodness onto others.

Remember — the magi didn't chart their own course. They merely followed the star. —Tracy Earl Welliver, MTS

The patron saint of Catholic schools.

St. Elizabeth Ann Seton (Aug 28, 1774–Jan 4, 1821) was born in New York City to a prominent family of the Episcopal faith. When she turned 19, she married a wealthy businessman with whom she had five children. He later died of tuberculosis in 1803, leaving her a young widow. After discovering the Catholic faith in Italy, where her husband had died, she returned to New York and converted to Catholicism in 1805. After struggling several years as a single mother, she moved in 1809 to Emmitsburg, Maryland, where she founded the Sisters of Charity of St. Joseph, the first community for religious women established in the United States. She also began St. Joseph's Academy and Free School, which started a chain reaction of Catholic-based education in the US that continues today. She was canonized Sept 14, 1975 in St. Peter's Square by Pope Paul VI and was the first citizen born in the United States to be given the title of "saint." ©LPi

Garments to Go 2.0 at Mercy Hospital

This patient initiative is a project of the Mercy Iowa City Spiritual Care Department in order to meet the basic clothing needs of patients who are unable to leave the hospital without the proper attire. **NEW sweatpants, crew neck sweatshirts and long-sleeve t-shirts (sizes Medium-2XL)** are needed for referred patients when they are discharged and have inadequate clothing to wear. You can drop off the NEW items at the front Information Desk (inside 500 ED, Market street entrance). Donations are greatly appreciated by patients whose clothing was cut off in the Emergency Unit when they came to the hospital.
