PASTORAL PEARLS

Each of us is called by our Baptism to BE the Love of God to those around us – anyone we encounter. And since those around us will at times have a need for more tender care, I thought I would pass on some brief, concise “Pearls” or “Tools” to help us be that Love of God.

TODAY’S PEARL: What?! Really? Being kind is more important than being right? Well, I guess I must adjust my mental perspective on this. Don’t get me wrong – of course I think it is most important to be kind! And to be creative in how we are kind to others. But... I hate to admit that wanting to “be right” sometimes wriggles its way to the forefront. I can’t help it! Or at least it seems that way. It must be that inner voice that feels a little less than adequate that wants me to *look good, look smart*, appear to others to be brilliant. Who doesn’t want to be seen as brilliant to other people? But maybe it is more brilliant to step back and tune into my heart, and bring out all the compassion I can find.

Now that I think about it, it feels even better, truth be told, when I *listen* to another’s story with compassion, with my heart, and connect with another person on this sacred level. It is just less encouraged by the world, I think. My brilliance can actually be enhanced by tuning into another’s brilliance and affirming it with kind words – letting God’s love for me bubble over into another’s heart. Sounds like an intriguing experiment for myself, especially as I look forward to another new year, another chance to follow my curiosity, to see where God is leading me.

*Loving God, thank you for creating within me a compassionate heart.
Please help me to exercise this muscle more and more,
until it becomes second nature to me. Amen.*

Communion Visitors Needed

How would you like to bring Jesus to people who home-bound? In order to serve our valued homebound members we need people to volunteer as Communion Visitors. We offer a brief training and set you up with people who can’t get out and are missing this important sacrament. It means so very much to them. It *would* greatly help to have more Communion Visitors to serve those who may request Communion, so no one Visitor is overloaded. Please contact MaryPat Potts at **651-789-3178** or via email at mpotts@guardian-angels.org to find out more.

**GET YOUR
FLU SHOT**

GA Health and Wellness reminds everyone to get your Flu Shot!

Your health care provider or area pharmacies can help you with this. Check with your health care provider if you’ve questions and take advantage of the opportunities. **Stay well!**

Please **let us know** what’s going on in your life - share your joys, struggles, **illnesses, hospitalizations, challenges** ...
Our Pastoral Team can find the best way to walk with you on your journey so you know you are never alone.

Are you or someone you know **homebound**? Would you like **Eucharist brought to you where you live**?
Contact Mary Pat at mpotts@guardian-angels.org or **651-789-3178** so we may help to arrange this for you.

Social Justice & Outreach

Pope Francis and A Global Economy Week 3

In a global virtual address in October, Pope Francis outlined nine compelling calls to reform of a variety of economic sectors. His words are a direct appeal to apply our Catholic social teaching to our global economic structures. (You can read the entire address by scrolling down on the front page of the parish website.) In coming weeks, this space will offer for your reflection each of his nine calls. They are challenging, based on a view from the margins of society and rooted in care for each other and for the earth. This week, we highlight Pope Francis' fourth call:

In the name of God, I ask the great food corporations to stop imposing monopolistic systems of production and distribution that inflate prices and end up withholding bread from the hungry.

Everyone at HJH is deeply grateful for the support received from so many of you. **Our challenge grant is active until the end of the year** and you can still make a donation on the parish website. We can also use donations of shelf-stable, 100% apple and orange juice and new or like-new double sheet sets. **Our top need right now, however is for volunteers.** Winter means that some of our regular volunteers will take warm-weather vacations and we will have spots to fill. If you can serve dinner and clean up afterward or if you can stay in our comfy overnight room we would love to welcome you.

Go to www.guardian-angels.org/hope to see the sign-up links.

Who is our neighbor?

If you watch this space, you know that the parish response to our Angel Tree and the family sponsorships was incredibly strong. Now, as winter sets in we will see an increase of neighbors coming to the parish seeking support with basic needs. We can always use your donations for our emergency assistance fund. If you can help, send checks to the parish or donate online.

Did you know that Oakdale's newest food rescue innovation is open and thriving? Today's Harvest is a wonderful community resource, both for those who find themselves short on funds and for those who just want to make good use of surplus groceries from local stores. It's a beautiful, welcoming space and you can shop just like you would at a neighborhood grocery store – but for free. Volunteer opportunities are also available.

Go to www.todaysharvestmn.org to learn more.

Afghanistan C-O-N-N-E-C-T-I-O-N-S

Have you or anyone you know served in the military in Afghanistan? Did you connect with any of the residents of the country while there? Or learn about the local culture? If so, might you be interested in connecting with our refugee resettlement team? We will be welcoming a family from Afghanistan in the coming weeks. Please call Suzanne at the Parish Office if you want to talk about this further.

Sunday Evening Meal

Our parish Loaves & Fishes teams are back in the swing of things and we have a few openings for our team that will serve the **Sunday, January 9 meal**. If you would like to join with others to serve, please call Suzanne at the Parish Office.

Circle of Welcome

Bulletin deadlines are out of whack during the holidays – but as of this writing our refugee resettlement ministry team is still waiting for our family match. Thank you to all who have made a financial contribution so far. In the coming weeks, we will have need of items to set up the household for the family. Please wait for a list of needed items before dropping donations off at the parish. We will use a Sign Up Genius online system that will allow you to sign up for a particular item. Thanks for your patience!

Love Builds Bridges, Not Walls

We invite you to pray for a person caught in our broken immigration system. Each week, we offer a name of someone detained, deported or waiting for justice.

Those who have fled Afghanistan and those who remain

May you have a Merry and Blessed Christmas Season!

Stewardship Message: The Holy Family experienced many of the same joys and trials that all parents and children experience today. And, so, we can look to this Family for help in our own family lives and see in them a model of stewardship in family life. The Gospel passage from Luke starts by telling us something about Jesus' parents: "Each year Jesus' parents went to Jerusalem for the feast of the Passover, and when he was 12 years old, they went up according to festival custom." This Family took seriously the stewardship of their time. The "Holy Couple" carefully observed the traditions and practice of their Jewish faith and brought up their Son to do the same. They worshiped as a family, and with their faith community. And they did so faithfully.

We can take their example to heart by making Sunday Mass attendance a priority for our families, by making prayer with our family a priority every day, by making sure that we regularly celebrate the Sacrament of Reconciliation, and by observing in our family life the feasts and fasts appropriate to the liturgical calendar. When we, as families, prioritize our Time with God and worship of Him we will be imitating the Holy Family. On this Feast of the Holy Family, let us reclaim the beauty and importance of family life. Let's commit to steward our families well in 2022, making time spent with God and practicing our faith the most important appointments on our family calendars.

~ **The Catholic Steward**

THANK YOU: First, thank you to all parishioners who purchased the poinsettias for Christmas decorations. The net proceeds this year will again be donated to Youth Ministry/Mission Trip. Next, we want to thank the Liturgy Commission members and their helpers for decorating the Worship Space for the Christmas Season. Thank you to **Zack Stachowski**, our Director Liturgy and Music, for the music before and during the two Masses on Christmas Eve.

DID YOU KNOW: Again this year, we had the opportunity to collaborate with the Oakdale Chamber of Commerce to help facilitate their annual **Holiday Helping Hands** event. Chamber members collect and distribute holiday gifts for approximately 92 families. The pandemic changed their normal plans, and we were asked to set up a drive by means to drop and store the gifts as well as facilitate a means for the families to drive by and pick up the gifts on Saturday, December 11. Parishioners **Vickey and Larry Eberhard** have volunteered and been co-leaders of this event for many years and facilitated our involvement again this year.

LAST MINUTE REMINDERS:

For the past three months, in the weekly bulletin we have asked parishioners to respond to the 2022 Stewardship Campaign, whether they are able to pledge or not. It is important that we have the best estimate possible of potential revenue as we begin preparing the Fiscal Year 2022-23 Operating Budget in January. In January, Fr. Joe will send another letter to those who have not yet responded. Thank you to the close to 700 out of 1,800 registered families who have responded. **Please remember that we encourage everyone to return their card even if you are not pledging.**

Additionally, we have to a much lesser degree, reminded parishioners to complete their 2021 Catholic Services Appeal Foundation (CSAF) pledges by December 31. We encourage those who have not responded to the appeal, to consider sending in their envelopes by December 31. Please remember that up to 75% of your donation is rebated back to the parish. We budget for the rebate in our Operating Budget each year to help balance the budget. Currently we are still short of reaching our parish goal, so please help if you are able.

MORE THANK YOUS: We thank the following members of the Men's Club for volunteering to direct traffic for the **Community Thread Holiday Hope** gift distribution last December 13 and 14: **John Capecchi, Mike Knutzen, Dave Lilja, Mike Loos, Dean Sherburne, and Pat Thiags.** We were asked to host this event because of our ability to accommodate curbside pickup. Community Thread's mission is to improve the quality of life for adults and their families in our local area, as well as advocating for and supporting volunteers throughout the St. Croix Valley region. Their name symbolizes their belief that each act of service is a thread that ties people, communities and lives together. Thank you to staff member **Suzanne Bernet** for coordinating this collaborative effort.

Keep smiling,  Denny

PS: The ultimate aim of Saint Paul's Letter to the Colossians is to teach the community how to deepen its relationship with Christ Jesus. His list of virtues summarizes the ideals of communal stewardship: compassion, kindness, humility, gentleness, and patience. For Paul, practicing these virtues opens our hearts to Christ as individuals and as a worshipping community. This is how the Christian community ought to live. This is how its members should behave in their dealings with others, particularly with fellow believers. As we approach a new year, how might we embrace one of these virtues more fully in order to deepen our relationship with Jesus?

Thought of the Week: You may have mistaken ideas, you may have made a complete mess of things, but the Lord continues to love you. How often do we think that God is good if we are good and punishes us if we are bad? Yet that is not how he is. Christmas reminds us that God continues to love us all, even the worst of us. ~ **Pope Francis**
