

SOCIAL JUSTICE & OUTREACH

Share A Smile and A Meal Loaves & Fishes

Would you like to help serve a monthly Sunday dinner at the downtown St. Paul Catholic Charities Opportunity Center (also known as the Dorothy Day Center)? No long-term commitment is needed – you can sign up for one date or more. You can volunteer to help serve with other parishioners at this link:

Guardianangelscatholicchurch.cctwincities.volunteerhub.com

Parish Food Shelf Garden is Growing!

Did you know that our parish food shelf garden supplies three local food shelves with amazing produce each week? You can sign up on the website for a Saturday or Monday morning or a Thursday afternoon and help with the tending. Families working together are welcomed. No experience is necessary – just a smile and a willing heart. See you in the garden!

Emergency Assistance

You may know that each week we welcome people from our community that are in need of a bit of assistance for a critical need. It could be a prescription at Target, some baby formula, a particular food for a special diet – there are many reasons that someone might find themselves caught short. If you would like to contribute to our parish fund for this need, you can donate online by choosing "Emergency Assistance" from the fund dropdown menu or by sending a check to the Parish Office.

If you prefer, we can also use \$25 gift cards to Cub, Target or Aldi. Thank you for your continued support of this ministry.

Listening House Could Use Our Help

Whether it's the freezing cold or the extreme heat, having a place to go during the day to rest and recharge is a great gift. Please drop off any of the items listed below if you can help make the lives of Listening House guests a bit easier this month. Remember that all clothing items should be either new or **very gently** used and freshly laundered. Thank you!

Men's belts
Small-size sunscreen and bug spray
Jeans, Tube socks, Backpacks, T-shirts (short and long sleeve),
Sweatshirts and hoodies

Juneteenth

I celebrated Juneteenth last week by taking some of my favorite kids to a play about the holiday at Breck School. After the show, the actors hosted a conversation with the audience and one young performer talked about his experience. He said, "Some adults say that we shouldn't talk about racism because they aren't racist. But that gets us nowhere. Racism is alive in this country. Looking the other way is wrong. It's not enough to say, "I'm not racist." We have to say, "How can I learn about someone else's experience and then walk beside them to change it together?" I was in awe of the young people and the adults who were mentoring them. One of my young companions that morning said to me later, "When something is wrong and hurts other people, I think Jesus would want us to say it's wrong and make it stop." Smart kid. This week, can you find one way to learn more about how racism hurts? How can you contribute to saying it's wrong and making it stop?

Paper Bags Needed

Our neighbors at the Christian Cupboard Emergency Food Shelf need paper bags. The next time you unpack from a trip to the grocery store, please consider dropping your paper bags off in the Parish Giving Center (just inside the main entrance). Thank you!

Hope for the Journey Home

The summer months can present a challenge for volunteerism at HJH. The next time you walk into the main doors of GA, take a moment to look to your right and say a quick prayer for the residents of that brick building you see there. We are back up to serving seven families at a time these days and it's our volunteers that make it happen. If you have always meant to find out more about our shelter or if you have volunteered in the past and want to get back to it, go to <https://www.guardian-angels.org/hope/>.

HJH sends a big "Thank You!" to Diane Krcma and Matt Vanek who purchased a new basketball hoop and basketballs in memory of Diane's mother, Rita Kirsch. Both guests and volunteers have enjoyed playing "hoops" together again!

**A Message from Lift Garage
Thank you so much for your generous gift of \$4,300.***

It takes a community to fulfill our commitment to honoring the dignity of each person by providing them with affordable car repair. Together, we are changing the world – one car at a time!

Save the Date

All are invited to mark your calendars now for a wonderful Saturday morning coming to GA on September 24. What might it mean to get in touch with your deepest calling? How can you find support in community to more closely follow Christ? Watch this space for more coming soon!

Love Builds Bridges, Not Walls

We invite you to pray for a person caught in our broken immigration system. Each week, we offer a name of someone detained, deported or waiting for justice.

ADMINISTRATOR'S CORNER

Stewardship Message: Today's readings take us back to the basics, inviting us to reflect honestly on our deepest priorities in life. In today's Gospel, from Luke, Christ refers to the struggle to put Him above all else as He encounters two "would be" disciples on His way to Jerusalem. "Follow me," Jesus says to the first man. "But he replied, 'Lord let me go first and bury my father.' The other said, 'I will follow you, Lord, but first let me say farewell to my family at home.'" These two want to follow Christ but only on their own terms, only after taking care of some other, more pressing matters (at least in their own minds). To this, Christ says thanks but no thanks! Following Him requires an unqualified "yes" not a "yes but..." We are called to put Christ and His kingdom ahead of our own plans if we truly wish to be his disciples and to find victory in the battle of selfishness. Living stewardship as a way of life can go a long way in arming us for victory. Stewardship living provides us with a custom-made "training plan" — the commitment to a specific offering of our time, talent, and treasure to the Kingdom of God. It is a plan discerned through prayer and by looking at the realities of our unique circumstances, strengths, and limitations. The daily discipline of committing to the plan strengthens us and helps us gradually move away from the "yes, but" attitude and towards an unqualified "yes!" to Christ and His will. Do not be afraid to give the best of yourself and your gifts to Christ. He deserves nothing less. And this way of life, while challenging, will be characterized by a joy and peace that only comes from living for Him. **The Catholic Steward**

Parking Lot Repairs: We had scheduled to resurface our parking lots this summer, but the high cost of oil pushed the estimated cost to over \$375,000. The higher cost (over \$150,000 over last year's estimate) and the reduction of stewardship financial support, the decision was made to patch the bad areas and delay the resurfacing for a year or two. That will give us time to raise some restricted donations for the project and not have to draw into reserves. For those parishioners who prefer to donate to specific projects rather than general operating expenses, please watch for the kickoff of a special parking lot capital campaign in the August Angels News. We are always worried about trips and falls so we will continue to do minor repairs until the resurfacing costs are more affordable and we have raised some restricted donations to cover the costs.

Fall Festival Update: Big Ticket Raffle packets are available in the back of the church. There are packets for all households who have sold/purchased tickets the past three years and all new parishioner families. There are approximately 800 packets which represents about 45% of total registered families. If you don't find a packet with your name on it, there are packets available for you to take by signing one out on the clipboard at the table. Once again, we are offering an incentive for those who sell/purchase all their tickets with \$300 going to the lucky winner which will be drawn on July 25. The next drawings will be on August 15 and the last one on September 12. The Fall Festival Core Team is hopeful that most will help with ticket sales this year as they try to increase Fall Festival net proceeds by over \$20,000 to help balance the operating budget. The official Kickoff Weekend for the festival will be August 6-7.

New Maintenance Building Update: We continue to make progress toward completion. Several delays caused by weather, availability of materials and the City of Oakdale have been frustrating. The floor, most of the electrical work are completed, and this coming week the insulation, walls and ceilings will be installed. There will be a delay in the completion of the entry ramps until the water and sewer is connected. The contractor hopes to begin the working on the water and sewer as soon as Oakdale approves the plan.

Cemetery News: We hope to have water for the spickets and irrigation to Section E (Northwest) within the next couple of weeks. We have partial irrigation to all the other sections and all the spickets to fill your watering containers are working. Again, materials and availability of our contractor to making repairs are hampering the completion of these projects. Thank you for your patience.

Keep Smiling, 😊

Denny

PS: Today's Gospel reveals to us the beginning of Jesus' journey to Jerusalem. We will journey with Jesus for many Sundays to come, and along the way he will teach us about the demands of discipleship. His instructions may seem harsh and unreasonable to our ears. His response to legitimate requests to postpone the journey reminds us that there are always justifiable excuses to defer the journey or put off the responsibilities of discipleship. Other important matters compete for our attention. Some of us must make heart-wrenching choices, but there is urgency about Jesus' mission to bring forth God's kingdom. His demand is that we proclaim the Kingdom of God now. Is this our first priority, or do we have other priorities?

Thought of the Week: In the end, everything has been entrusted to our protection, and all of us are responsible for it. Be protectors of God's gifts! It means protecting people, showing loving concern for each and every person, especially children, the elderly, those in need, who are often the last we think about. Let us never forget that authentic power is service. **Pope Francis**

CARING & SUPPORT MINISTRY

PASTORAL PEARLS

Each of us is called by our Baptism to BE the Love of God to those around us – anyone we encounter. And since those around us will at times have a need for more tender care, I thought I would pass on some brief, concise “Pearls” or “Tools” to help us be that Love of God.

Today’s Pearl: *While the changes you are experiencing can be challenging, you don’t have to face it alone.*

Memory Collective: Summer 2022
***Registration required by July 8.**

Tuesdays, July 12–August 30 • 10–11:30 AM via Zoom

Thursdays, July 14–September 1 • 1–2:30 PM via Zoom

The Memory Collective is an eight-week online enrichment class for adults living with mild cognitive impairment or experiencing early skill changes with memory, language, visual perception, or processing, filling a gap for those early in their diagnosis and providing meaningful connections with others on a similar journey.

For the first seven weeks, you and (if desired) a guest of your choosing (e.g., friend, family member, spouse) will gather virtually with others for a 90-minute online Zoom session facilitated by Lyngblomsten staff. Each session will feature a variety of educational topics and activities, as well as time for you and other participants to share your life experiences as you learn from one another and build a social group. The theme for the Summer 2022 quarter is Minnesota Travel. Get ready to learn about Minnesota's rich travel cultures and history, including tidbits about musicians and artists and much more! On the eighth week, the group will come together for a tour at a local location.

This enrichment class can accommodate eight participants each day (Tuesday and Thursday).

You also can contact Carolyn Klaver, our Community Dementia Care Specialist for 2nd Half with Lyngblomsten, who will be leading the class. Loving God, even though I am experiencing changes in my memory, help me to remember what a truly gifted and loved person I am. Thank you for your never-changing love of me. It’s a comfort to know that you will never think less of me – that I will always be cherished by you, and always be seen as having something valuable to offer. Fill me with your Holy Spirit so that I may continue to have life to the fullest and recognize my own giftedness and continued value and worth, and continue to use my gifts to spread your love.. GRATITUDE
Leo C. Byrne Residence

HELPING THE PRIESTS WHO'VE HELPED US

Did you know there's a home for retired priests of the Archdiocese? There is and you have an opportunity to share your gratitude by supporting the men who've ministered to you and your family for many decades. The Leo C. Byrne Residence offers 29 individual apartments for priests who have reached retirement age, most of whom continue to actively serve parishes and organizations around the Archdiocese. Envelopes are available on the table inside the front door.

The GRATITUDE Capital Campaign Renovation Project (coordinated by the Catholic Community Foundation) will fund work required to bring the entire Byrne Residence to a level of security and efficiency suitable for the safety and well-being of each resident priest. We ask for your support of this much needed renovation.
