Greetings on this 2nd Sunday of Lent,

In the Transfiguration Jesus gives his most beloved disciples Peter, James, and John a glimpse of the life they will live one day in glory. Not just a transfigured life but a life with their beloved forever, free from all distraction. It is encouragement for our desire for silence in prayer that enables us to encounter our Lord in the depths of our heart.

Today's 1st reading recalls another mountain, but also a monumental decision in the life of Abraham, a life-or-death decision that showed who came first in his life. Isaac was the fulfilment of the Lord's promise to Abraham that he would be the father to a great nation. The Lord had promised to Abraham for years that he would bless him with a son who would show the promise being fulfilled. He and his wife Sarah were so old that Isaac's birth was nothing short of miraculous. At one point Abraham had another son Ishmael through the slave Hagar, but the Lord revealed that Ishmael was not the way he intended to fulfill the promise. When the Lord tells Abraham to offer up Isaac as a holocaust it seems that he is asking Abraham to kill a promise fulfilled. The Old Testament does not say that Abraham went ballistic, engaged in long and bitter discourses or denounce God as cruel and evil. He simply took his son and headed for Moriah. Abraham was put to the test and he passed. He was ready to go through with something horrible because he believed it was God's will. His attitude was enough to show that the Lord came first for him. As the Lord said, "I know now how devoted you are to God since you did not withhold from me your own beloved son." Paul reminds us that the Lord spared Abraham's son but did not hesitate to sacrifice his own. When Abraham was heading up the mountain with Isaac, Isaac asked him, "Behold the fire in the wood but where's the lamb for a burnt offering?" Abraham replied, "God will provide himself the lamb for a burnt offering my son." The sacrifice of Isaac was a prefiguration of the Lord sacrificing his son Jesus on Calvary. When we call Jesus the lamb of God we are referring to the fact that he willingly laid down his life as a lamb led to slaughter, to take away the sins of the world. When John the Baptist first identified him to the disciples who would soon become our Lord's apostles he said 'behold the lamb of God' He saw him as a sacrifice for the sins of the world from the beginning. Just as Abraham showed how the Lord had first place in his life through his willingness to sacrifice his son the Lord shows us that we're first place in his. Sacrificing his only begotten son shows that there's nothing he's not willing to do for us.

We look at the gospel today and see how the Lord takes his closest disciples up the mountain alone to give them insight into who he is and prepare them for the trials to come. If the Lord subjected Abraham to trial, our Lord takes his closest disciples up the mountain to prepare them for an upcoming trial, his Passion and death. Our Lord gives his disciples a glimpse of his divinity. They followed him and had faith in him and now he gives them a deeper insight into who he truly is and to strengthen their faith. Elijah and Moses through their appearance showed the disciples that our Lord is the fulfilment of the law and the prophets. That's enough for Peter to suggest building a shrine in remembrance of the revelation he had just received, but the Lord is not done. The disciples witness a theophany: God the father identifies Jesus as his beloved son. In the cloud over them is the Holy Spirit. It is important to remember that this was not the 1st opportunity for the disciples to show their faith but rather like Abraham with Isaac it was a culminating moment of the faith which they already were shown. Neither the disciples nor Abraham understood completely after the mountain what happened. The disciples still didn't understand what our Lord meant when he said he would be raised from the dead but they soon would. Jesus becomes for us this moment in our prayer a time of revelation as to how we need to think about sin and salvation, the themes this Lent. May God help us to find that quiet time to ask ourselves who comes 1st in our life the world or our savior?

God bless you all this Lent,

Love ya,

Fr Jim

**40 Cans for Lent** is a KC's charity program that connects traditional Lenten almsgiving with the nutritional needs of poor families in the greater Grand Forks Community. The spark plug behind "40 Cans for Lent" is the idea of a simple, straightforward one-can-per-day donation inspired by Christ's 40 days of fasting in the desert.

All non-perishable food donations can be left at the collection area in the Commons. They are donated each week to the St. Joseph's Food Bank for distribution to local families!

Ninety-four-year-old Mary Anne Tupa grew up surrounded by music. Her family entertained one another with the fiddle, accordion, piano, and song. Her musical talent grew with piano lessons in grade school. In high school, she sang in the choir and played trombone in the band. "I enjoyed music and kept playing the piano at home," said Mary Anne. As an adult, Mary Anne was without a piano for 12 years after she married and started a family. But the gift of a piano one Christmas from her husband, Herman, brought music back into her home. Mary Anne recalls, "I

wasn't sure I'd remember how to play, but it all came back!" During this same time Holy Family Church was built. "I started playing the pump organ here in 1962, while raising my 11 children. I had no organ lessons, but I did spend many evenings at Holy Family practicing," she said. For almost six decades, Mary Anne has accompanied cantors and choirs at Masses along with playing for many weddings and funerals here and at area churches. When Herman retired, Mary Anne retired from the music ministry so they could travel. "But I was missing something and started again playing for cantors at different Masses," Mary Anne said. "I'm still at it, not to score points or break any records, but because I enjoy what I do. People appreciate the music and I hate to let them down. It is a commitment,

but I have no problem with that."

Mary Anne, you are a blessing!

WE call them  
PILLARS!

Good morning. Our names are Frank and Karen Hoffman.

We have been parishioners of Holy Family for many years. We are pleased to help our parish, our pastor Fr. Meyer, and diocese by communicating with you this weekend about the God's Gift Appeal.

God's Gift Appeal is an opportunity for all of us to support the ministries of our diocesan church. Every February we are invited to support the mission of the Gospel by helping to fund the programs and ministries of the diocese.

We support Holy Family because it is our home parish/church. It is the place where we first met each other, connecting through Sunday Mass and coffee and rolls, eventually becoming one through marriage. Holy Family was a welcoming place for both of us when we moved back to Grand Forks.

One of the most visible things we support through God's Gift Appeal is the vocations program. Fr. Meyer's seminary education was paid for in par by the diocese, through the generous support of people just like us.

The Diocese has a loan program that loans parishes the funds needed to complete projects like our very extensive roof renovation. The interest rates are much lower than those available through the commercial market.

The Office for Catholic Education assisted our school with strategic planning to help us plan for the future.

In many ways, we at Holy Family parish have benefited from the generosity of those who came before us. Now it is our turn to help the Church continue moving forward. WE connect with the Church through our parish, but our parish could not exist if it were not for the diocese.

Please prayerfully consider making a generous donation to the God's Gift Appeal. Your gift will benefit not only the diocese but also Holy Family Parish and the other 128 parishes of our diocese.

Thank you for your time.

Sincerely,

Frank and Karen Hoffman

This weekend (Feb 27 & 28) is Commitment Weekend for the 2021 God's Gift Appeal. Our parish goal is \$150,425. Please complete your pledge card, indicating your gift or pledge to our diocesan church. If you do not have a card, please fill out a commitment card located in the Commons. It is important for all of us to participate in order to support our diocesan church.

## ***Stewardship Moment***

**"Here I am!" he answered."  
GENESIS 22:11**

It is easy to say, "Here I am, Lord," when we are kneeling in church. But how easy is it to say "Here I am, Lord," when a neighbor needs our help, when we are invited to join a parish ministry, or when we are asked to provide financial support? Often times we are called when it's not convenient for us. Discipleship is not always easy, most of the time it will make us uncomfortable and vulnerable.

### ***Stewardship Prayer***

Loving God,

I come to you in thanksgiving, knowing that all I am and all that I have is a gift from you.

In faith and love, help me to do your will. I am listening, Lord God. Speak your words into the depth of my soul, that I may hear you clearly.

I offer to you this day all the facets of my life, whether it be at home, at work, or at school— to be patient, to be merciful, to be generous, to be holy.

Give me the wisdom and insight to understand your will for me and the fervor to fulfill my good intentions.

I offer my gifts of time, talent and treasure to you as a true act of faith, to reflect my love for you and my neighbor.

Help me to reach out to others as you my God have reached out to me.

We ask this through your Son, Jesus, who lives and reigns forever and ever.

Amen.
