### **Carter A. Larson**

One of my favorite memories at Holy Family-St. Mary's School was when I was in first grade. My class and I went to skateland and the zoo. It was so fun to see all of the animals and how funny some of them were. At skateland I remember I was bad at roller skating, but then I got the hang of it. I just liked to have the joy of laughing with my friends when they fell or when I fell.

I am most grateful for all of the teachers, staff, and all of my friends because they have all helped me in so many different ways. They have helped get closer with God by having religion and masses. We are all so close to each other. We all have known each other for a really long time. And some of the stuff we do and how we laugh with each other shows how much of good friends we are. That's what made our class special.

I would like to be remembered for always having a smile on my face, even in hard times. I also want to be remembered for helping the smaller kids and being a role model to them. I like to always smile because it can make someone that's having a bad day have a good day. I like to work with smaller kids because my family says I'm really good with little kids because I have 3 smaller siblings.

### ***I am a Disciple of Christ***

*"The Lord stood by me and gave me strength." -2 Tim 4:17*

*God is with me now and always will be. He will give me the strength and the power I need to do anything. He has a path for everyone, and He knows what He wants us to do. We should all have a good life if we choose to have a good life.*

*To me, God is whispering in my ear explaining what is right and what is wrong. He is guiding me to have a good life and not have people get me on peer pressure to do bad things. So, with the Lord's help, I will say no to the bad stuff.*

*God knows I am strong and I can be and do anything He asks. He has a special path for me and knows I will follow it. However, if I get off track, He will help me get back on the right path. Life may get hard, and I know for a fact it will because my grandpa has cancer, and God has planned a path for me to get through it walking with me during the hard times. God knows that my family is strong and powerful. He knows we can do it, He believes in us and mostly in my grandpa. He will help me if I pray.*

*God is everything! He is the way of life. If you follow him you are going to have a good life.*

**Our mission: Holy Family - St. Mary's School is committed to teach the gospel message and prepare students to be active Christians, lifelong learners, and responsible citizens in an ever-changing world.**

Greetings of Joy and Happiness,

Jesus' Apostles had completed their first successful missionary endeavor. After being with him for a long time, under his tutelage and guidance, they had been sent out to be his ambassadors, to announce his message and testify to its truth. Now they returned to report their progress.

We know from the other evangelists that this moment of reunion was full of rejoicing and energy - they had experienced the power of God working through them, moving people's hearts through their words and deeds. And how does Christ respond when his missionaries return from their exciting and busy adventure? He takes them aside to rest, to be with him again in the quiet intimacy of their small community.

The lesson is clear, but so hard to put into practice: active apostles, Christians who are energetically engaged in evangelizing the world around them, need to balance their activity with contemplation, with time spent in personal conversation with the Lord. Sometimes we can wonder why we get so emotionally and spiritually exhausted by the busy-ness of our lives. It's because we aren't recharging our spiritual batteries.

Stress, discouragement, and other crippling emotions can wear us out if we aren't daily reinforcing our faith in Jesus Christ. Only our friendship with Christ can supply us with the strength and wisdom we need to be truly successful, successful not just in the roles we play, but in who we are beneath those roles. Without prayer, study, and time alone with God, our well will soon run dry - we will have nothing substantial to offer others. But without action, without giving freely to others what we have freely received from God, our spiritual waters will become stagnant, lifeless - like a lake with no outlet.

Contemplation and action, prayer and work - such was Christ's way, so such should be every Christian's way. The balance is there and our need is greater than ever these days to live with Christ as the source and summit of the fuel to carry on each day.

In His Peace,  
Fr Jim

**Bishop Fold has asked us to include this in the bulletin to encourage signing this online petition.**

As you may know, later this month Congress will vote on whether or not to continue to support the Hyde Amendment.

The USCCB has a petition effort against the repeal of the Hyde Amendment. Signing the petition will help the staff at USCCB as they work with other members of Congress, potential allies, and even Administration officials as they attempt to stop the repeal Hyde campaign.

Please visit [NoTaxpayerAbortion.com](http://NoTaxpayerAbortion.com) to sign the petition or read information on the importance of keeping the Hyde Amendment in place.

### Share the Abundance

Our Share the Abundance table is back! If you have a surplus of produce, bring it to the church and place on the table in the Commons. Produce from the Holy Family garden will be placed here also.

All produce will be available to take for a free will offering, with proceeds going to St. Joseph's. Envelopes are available on the produce table and can be placed in the collection basket or in the Parish Office.

### Stewardship Moment

"He said to them, "Come away by yourselves to a deserted place and rest a while."

Mark 6:31

Do you spend time, every day, alone and in silence listening to how God is calling you? If not, you are missing a wonderful opportunity to develop a more personal relationship with Him. Unless we talk and more importantly, listen to God every day, how else will we know how He is calling us? Consider making a retreat this year, spend some "alone" time with God.

The **Prayer Shawl ministry** has received a donation of yarn! Stop by the Parish Office to check it out! There has also been interest expressed for this ministry to meet monthly once again to knit or crochet together. Please call the Parish Office with your availability so we can plan!

### Yard Angels

Seeking volunteers to assist with lawn mowing and landscaping at the church and rectory.

Do you like to spend time outdoors? Do you have a green thumb? This ministry is for you! Please contact Zane by email: [zane@holyfamilygf.org](mailto:zane@holyfamilygf.org) Or call the Parish Office at 701-746-1454 if you would like to be a part of this team!

**Garden Update!** We need help harvesting! Specifically cucumbers and zucchini need to be checked often! Drop by any time and help to pick...Take some home, and extra produce is placed on the Share the Abundance table in the Commons.

### Attention Catholic Women!

Take a little time away for yourself, to nourish your faith life and enjoy fellowship with other women of faith! **Magnificat Morning** will be on Saturday, August 7. Cristina Campos will be sharing her faith journey testimony with us. We hope you can join us for all or part of the morning!

### Can you help walk with moms in need?

Pregnant and parenting moms in need are in our parishes and our neighborhoods. As Pope

Francis reminds us, our parishes need to be "islands of mercy in the midst of the sea of indifference". Everyone in the parish community should know where to refer a pregnant woman in need. Inspired by St. John Paul II's papal encyclical *Evangelium Vitae (The Gospel of Life)* to assess our efforts in building a culture of life, the intention of *Walking with Moms in Need* is to increase our outreach to pregnant and parenting women facing difficulties. To learn more about how to participate in this joint effort, please contact Tim Mosser, Respect Life Director at the Diocese of Fargo (701-356-7900 or [tim.mosser@fargodiocese.org](mailto:tim.mosser@fargodiocese.org)) Or to learn more about services to pregnant women in need, contact Kris Haycraft, Director of Pregnancy, Parenting and Adoption Services at Catholic Charities of North Dakota (701-235-4457 or [ppas@catholiccharitiesnd.org](mailto:ppas@catholiccharitiesnd.org))

Thank you for helping support moms and their children!
