Throughout the month of May, we'll share some inspiring words on what ICC and the capital campaign means to our fellow parishioners.

“ ICC has been my home parish since 1974. Over the years, the various volunteer positions that I have held have increased my awareness of the need to provide a safer, more welcoming environment to encourage new memberships and increased focus of the Holy Sacrifice of the Mass.

Recently, I have reminisced about all the updates I have made to my home over the years and realize that the home of my Lord certainly deserves an update, too. As a retiree, I am privileged to attend many weekly services and now I can't wait to spend Friday Adorations in the presence of Jesus in that beautifully decorated sanctuary. ”

-Jane Burns

“ We are truly grateful for being life-long members of Immaculate Conception Church. Both of us were baptized at ICC and then 24 years later, we were united in marriage here too. We have also had the joy of raising our children, Wyatt, Maggie and Grace in the parish family.

In order for our church and faith community to remain strong, we hope you will join us in supporting the Grow with Grace capital campaign. This campaign will allow future generations to experience and share the beautiful traditions of our Catholic faith at ICC! ”

-Dan and Lisa McCabe

“Immaculate Conception has greatly impacted my life and the life of each and every parishioner in ways we are not even fully aware. As a member since 1996, my now late husband Steve and I enjoyed serving the parish in varied ways while raising a son and daughter in the beautiful Catholic faith. Our ICC parish community continues to strengthen my faith. I wish to give back in gratitude. It is our obligation to make sure a strong ICC with an updated, beautiful & well-maintained environment is in place, both for ourselves and the next generation. Our Capital Campaign is more important than ever and easily arguably long overdue. With no guarantee anywhere that the next generation will come to the rescue, all parishes everywhere rely on present support. We are all blessed and we must give back in gratitude. Both in and out of church, I see our parish as a vehicle to serve others by way of the fuel we receive from the real presence of Jesus in the Eucharist, a treasure we either take for granted or fail to accept as truth. We need reminding that the COVID crisis meant we could not receive Jesus in person. As we gather again, we need to come forward with financial support so that ICC can continue to facilitate Christ's mission of generosity, love & mercy - and at the same time add something specific that is missing as we look around our altar, an aesthetic beauty that speaks to our namesake, the Immaculate Conception.”

-Christine M. Boerner
