## Our Lady of Victory

Minneapolis MN

A father is a man who loves without cost to his children and tries to raise them to be fully human creatures with the abilities to make a difference in our world. Some fathers are successful, some are not. However, almost all try their best. This Father's Day, let your dad know that you appreciate all his efforts.

### Strength

Your strength in helping me to tell right from wrong was a great gift.

### Honor

You taught me that to honor myself was a way to honor the God who made me.

### Faith

Thanks Dad for having faith in me, when I was not sure I had faith in myself.

### Love

You loved me even when I did not love myself. For that I am grateful.

### Message of the Week

“Even all the hairs of your head are counted, so do not be afraid.” Can it really be true? Is our heavenly Father actually so aware of us? Does the Creator of the universe pay that much attention to me? Jesus says yes. God knows us far more intimately that we even know ourselves. And so, we have nothing to fear.

Being Christian isn't guaranteed to be easy. More and more even in our own culture, following the faith is being criticized and discouraged in the public square. Privately, we may struggle with the demands of the commandments or the ability to believe when we face the passages like this one in today's Gospel, as they are a source of tremendous hope and consolation. We are loved beyond measure. We enjoy the care and concern of God in every situation, big and small. Truly we have no need to worry or be anxious because God is in control.

For our part, of course, Jesus asks us to trust Him and stay faithful. He asks us not to apologize for our faith, especially publicly. “Everyone who acknowledges me before others I will acknowledge before my heavenly Father.” When we live our faith with confidence, it's a way of accepting the power and providence of God. But when we try to hide our faith away because we're afraid of causing problems, we only damage our relationship with the One who can actually solve them.

At the end of the day, the only really serious problem we need to worry about is losing our soul -- and that, to be sure, is up to us. As the great French novelist Leon Bloy wrote, “There is only one tragedy in the end: not to have been a saint.”
