PRAYER SHAWL MINISTRY - A great way to volunteer and help others....SEAS Prayer Shawl Ministry has openings for a few good folks! Prayer Shawls are lovingly created in prayer to comfort those in crisis. Compassion, caring and sharing are the only requirements. Instruction and donated yarns are available if needed.

Join us Thursday, December 30, 1:00-4:00pm, in the Parish Center, for joyous fellowship and prayer as we work to help others! If you or someone you know needs a prayer shawl please select one from the tubs located in the back of the church, on the west side of the main entrance doors. The recipient doesn't need to be an SEA parishioner and no charge or donation is expected. We ask only that you please fill out the attached card to drop in the bucket and DO NOT OPEN ANY BAGS until you get home with the prayer shawl you have selected. You may also contact Joan Connor 402-493-3702 or Mary Ann Miller 402-468-4014 for additional information.

We meet throughout the year, so keep that in mind when your other activities taper off--we'd love to meet you!

Take the Holy Spirit up on the gifts that are being offered to you. Your gifts to the Archbishop's Annual Appeal strengthen our parishes, schools and ministries. Thank you for your faithful support!

To date, 183 Donors have committed **\$71,502** towards our goal of **\$95,540.**

Please help us reach our participation goal of 27.8%.

Stewardship Bulletin Reflections

Feast of the Holy Family of Jesus, Mary and Joseph

"See what love the Father has given us, that we should be called children of God; and so we are." 1 JOHN 3:1)

During this season of giving, let us remember a beautiful gift that we have received – being children of God! As God's children, it's in our DNA that we share and express our love for others as well. Tell your spouse, children, other family members and friends that you love them, every day! Also, pray for those people that are different than you, those that you may not like or those that go out of their way to annoy you. Your prayers may be the start of a new friendship.

Selling securities, real estate or a business this year?

If you are planning to make a gift to support **St. Elizabeth Ann Seton Parish** this year but are concerned about preserving your cash resources, consider a gift of an appreciated asset. A gift of securities, business interests or real estate can provide you with significant income and capital gains tax savings, often exceeding the benefits of a cash gift.

If you have any questions about how to make a gift of an appreciated asset, a please contact your financial advisor. You can also direct questions at Tony LaMar, Legacy Planning Officer, Archdiocese of Omaha at 402-557-5650 or ajlamar@archomaha.org.

FAITH FORMATION

Question of the Week for Dec. 30-Jan.5

Gospel: Luke 2:41-52

Key Passage: “And He said to them, ‘Why were you looking for me? Did you not know that I must be in my Father’s house?’” (Luke 2:49)

Question for Adults: How are you, too, called to our Father’s house?

Question for Youth: Jesus was obedient to His parents, even though He was the Son of God. Why is obedience so important? Is it something you struggle with?

Question for Children: Why is it important to obey our parents? Why is it important to obey God?

Preferential Option for the Poor

“Anyone thinking of the Holy Child as born in December would mean by it exactly what we mean by it; that Christ is not merely a summer sun of the prosperous but a winter fire for the unfortunate.” (G.K. Chesterton)

The retreat will also be offered on Sunday, February 6 for those unable to attend on the 30th. Parents are welcome to attend if sponsors are unavailable. This is a required retreat, and it is for 8th graders from St. James/Seton Catholic School, P.R.E. and St. James and St. Elizabeth Ann Home Schools. Faith Reflections by Jo Kusek

A day or two before Thanksgiving, The Tonight Show’s host, Jimmy Fallon was talking about the pros and cons of the holiday. It was all in the expression of his voice. Pro – “You get to be with your family!” Con – “You get to be with your family.”

In all seriousness though, on this Feast of the Holy Family, let us pray that divisions be healed, hurts forgiven and peace come to all families. Here is a lovely prayer from the website of Xavier University.

Dear Lord God, You created balance.
The night to follow the day. The sea to touch the earth.
All the wonderful animals, fish and birds.
You are the great creator of variety and diversity.
Thank you that you made us all to be unique and reflect your love.

Come draw our family together in all its wonder and beauty.
Help us to love and respect each other.
Show us how to support and encourage one another.
Inspire us to work together to become a picture full of your perfect love.

"HE SAVED MY LIFE"

Omaha resident Dawn R. had been experiencing the painful side effects of Peripheral Neuropathy, "my feet and legs were extremely painful and my doctor told me there was nothing they could do. That I would have to take Gabapentin for the rest of my life." Then she met Omaha's very own Cory Nyenhuis, Doctor of Acupuncture.

Peripheral Neuropathy is the pain, discomfort and numbness caused by nerve damage of the peripheral nervous system. Dawn explained that daily tasks like opening doors and using the bathroom were overwhelmingly painful. "How can you live for the next 30 years when you don't even want to get out of bed to do simple things?"

She was experiencing the burning, numbness, tingling and sharp pains that those suffering with neuropathy often describe. "The way that I would describe it, it's equivalent to walking on glass." Dawn hadn't worn socks in five years and was wearing shoes two sizes too big so that nothing would 'touch' her feet.

Unfortunately Dawn's story is all too familiar for the over 3 million people in the U.S. suffering from Peripheral Neuropathy.

If you're unfortunate enough to be facing the same disheartening prognosis you're not sleeping at night because of the burning in your feet. You have difficulty walking, shopping or doing any activity for more than 30 minutes because of the pain. You're struggling with balance and living in fear that you might fall. Your doctor told you to 'just live with the pain' and you're taking medications that aren't working

or have uncomfortable side effects

Fortunately, four months ago Dawn read an article about Dr. Cory and the work he was doing to treat those suffering from Peripheral Neuropathy, without invasive surgeries or medications.

Dr. Nyenhuis, founder of 4 Paths Acupuncture & Integrative Health, is using the time tested science of Acupuncture and a technology originally developed by NASA that assists in increasing blood flow and expediting recovery and healing to treat this debilitating disease.

"Now when I go to bed at night I don't have those shooting pains. I don't have that burning sensation. I don't have pain coming up my legs," Dawn enthusiastically describes life after receiving Dr. Nyenhuis' treatments. "I can wear socks and shoes!"

Dawn and her sister now operate a successful dog walking business, sometimes covering up to 5 miles a day.

"It's life altering. As far as I'm concerned Dr. Cory saved my life!"

Dr. Cory has been helping the senior community for over 10 years using the most cutting edge and innovative integrative medicine. Specializing in chronic pain cases, specifically those

that have been deemed 'hopeless' or 'untreatable', he consistently generates unparalleled results.

What was once a missing link in senior healthcare is now easily accessible to the residents of Omaha.

If you've cancelled one too many plans because of pain or you've passed on dancing the two step at the local shin dig because you're afraid of falling, it's time to call Dr. Cory and the staff at 4 Paths.

It's time you let your golden years BE GOLDEN!

4 Paths Acupuncture is now accepting new patients but only for a limited time. In an effort to protect our patients, both current and future, we have made the difficult decision to limit the number of patients seen in our clinic. Only 20 new neuropathy patients will be accepted before the end of the year so call (402) 515-2412 now to schedule a consultation
