Immaculate Conception Fundraiser

The Parish has enrolled in a fundraising program with Kwik Trip, Inc. offering their ULTIMATE Car Wash cards at a discount. These would make great Christmas presents!

All profits realized by the Parish will go toward the maintenance projects for the Church and School. These 5-Wash cards are available for \$36.00 in the Parish Office. Please make checks out to Immaculate Conception.

For Your Attention:

It was brought to our attention that during Mass times, we have cars parked in our neighbors parking lot. St Johns next door, has respectfully asked us to remind our parishioners to "not park" in their parking lot as it leaves less parking for their own parishioners. Thank you!

New Hope for Unborn Babies?

Pray for our Supreme Court Justices!

Is the end near for Roe v. Wade? Could the 1973 ruling that legalized abortion through all 9 months of pregnancy be overturned? The Dobbs case being heard by the Supreme Court could have that outcome – but we must pray. Read about the nationwide initiative of fasting and prayer at diolc.org/respect-life, where you can also download a flyer with photos of each of the Justices. Post it on your refrigerator and remember to pray and sacrifice for each of them by name! A ruling is expected by June.

Join our Pilgrimage for Life to Washington, D.C.!

We will have two Special Guests! There has never been a more important time to join the March for Life in our nation's capitol, with the Dobbs case being heard by the Supreme Court and the possibility of Roe v. Wade being overturned. Plus, our pilgrims will be addressed by two amazing speakers, before and after the March: Terry Beatley, Founder of Hosea Initiative, and Valentyna Pavsyukova, Founder of Chalice of Mercy. **To learn more, visit diolc.org/respect-life.** Space is limited, as the buses are filling up.

FORMED ~ What's on...

Pope Paul VI was a leader in the Catholic Church as a priest, bishop, cardinal, and pope through one of the most difficult periods in its history—from the Fascist regime and World War II to the constitution of the Italian Republic, from the Second Vatican Council to the protests and terrorist attacks of the 1960's & 70's. His papacy ran from 1963 to 1978, during which he wrote the prophetic, controversial document *Humane Vitae*. This document strongly proclaimed the Church's teaching on the sacredness of married love and human life, and the evil of contraception, which the Pontiff said would open the door to abortion if allowed. He was the first travelling Pope who began to visit the dioceses of the five continents as no pope had ever done before. Paul VI was the pope who opened a dialogue among religions, visiting Jerusalem and the Holy Land, for the first time. This beautifully produced and well-acted movie is a journey into the past of both Italy and the world, in the midst of wars and continuous upheavals. Actor Fabrizio Gifuni gives a powerful and sensitive performance as Pope Paul VI and how he dealt with so many great challenges in his papacy.

DIOCESAN ANNUAL APPEAL

PASTOR'S PEN

The start of the Virus made the year 2020, memorable to the whole world. As it evolved into a global pandemic, we started fearing everything and everyone around us. Soon it forced upon us a new model— social distancing, lockdowns, cleaning surfaces, working from home and zoom for everything— from dating to marriages, to funerals and to personal and family meetings. Finally, when we said goodbye to the Year 2020— subconsciously we all thought that somehow the virus would end soon. Sadly, it didn't happen. The Year 2021 truly *tired* us out! No one was excluded. You could be young and tired, elderly and tired, working from home and tired, working in a hospital and tired, be a first responder and tired! The fact that 2021 was worse meant that people, already tired, suddenly entered a new, almost previously unexperienced state of fatigue. Vaccination arrived on the scene. Vaccine mandates also came. We also saw people leaving their jobs or losing jobs. The virus took away many lives. No politician could stop the virus; no scientist could do it either. Then came the variants of the virus, which gave rise to a new fear, fatigue and acrimony among political, medical and scientific communities. It was the sort of tiredness that felt like it might take years to get over. There's no doubt that the whole world needs reconciliation and healing. Let us pray for the healing of this Nation!

The year 2021 didn't stop life. We moved on facing the challenges that came our way. We said goodbye to the year 2021 too! We have embraced the year 2022 still with hope and a spirit of confidence. I know there's much suffering in our world. But the past years have displayed the remarkable ways individuals and communities have shown support to each other in times of need.

Despite all that was happening, I saw here in our own community amazingly beautiful gestures— the desire to belong, a greater sense of community, spirit of giving and sharing. I saw generosity abounding in our community, despite the disruption of life created by the Pandemic. Trials and tribulations do not stop us. Human spirit has the power to triumph over the worst situations! With grace and hope, we can still move forward. I thank God for the incredible generosity I have seen and heard in our community and across the world.

We hold hope in our hearts. Because we are hope filled, generosity flows from us; service to the community and needy are never excused. Families continue to support the needs of the Parish. Both the school and religious education programs have gone well because of the great support of parents, staff and students. We have had good liturgical celebrations with the assistance of Altar servers- young and old, Ushers, Sacristans, Eucharistic ministers, Lectors who proclaim God's word to us and the Choir with melodious music, accompanying us to worship God. The loving service of the team of men and women who clean, mop, decorate the inside and outside of the church week after week, not only render beauty but provide an ambience of the sacred to us all. I have had the joy of celebrating the special moments with you— my family here. Despite the sadness and loss that continue to invade our lives, we see God's rich blessings among us. We shall remain grateful.

This weekend, the Church's liturgy celebrates the feast of the Baptism of Jesus. Christmas, Holy Family, Epiphany and now Baptism! At the Baptism of Jesus, once again we hear God revealing to us. Baptism marks a significant time for Jesus personally: he experiences a call to mission, he is grasped by the spirit of God, he is recognized as the chosen servant and son. Baptism does make us children of God and we are set on a new journey with God. Think of this: our Christian life began from the baptismal font of the church, where we were baptized. Let us learn to savor our own baptism! Like Jesus, we too shall make new beginnings. We are not alone. We make them in the power of the Spirit and in the love of the Father. Have a blessed weekend!
