FORMED ~ What's on...

Can hearts really be changed on the issue of abortion?

This film tells the powerful true story of the conversion of a dedicated Planned Parenthood director to a leading Pro-life Activist. Abby Johnson was the director of the abortion facility that was the launching pad of the bold new pro-life effort - 40 Days for Life.

Abby believed that she was helping women by working for the nation's largest abortion operation, Planned Parenthood. She quickly rose in the ranks to become the director of an abortion facility and was even given an "Employee of the Year" award.

But one Fall morning everything changed. Abby suddenly she found herself on the other side of the fence, facing the truth about abortion. The real question now was, in her time of crisis, what would she do and who would help her?

This film reveals what happens when people pray, fast, sacrifice, love their enemies and take a stand on the most controversial issue of our time - abortion. Fences come down, hearts change, and the love of God shines light in the darkest, most unexpected places. And the evil of abortion is exposed and defeated.

The film includes exclusive interviews with those Abby encountered while she was on both sides of the fence including - the activists who prayed for her daily, the secular media who broke the big story of her conversion, the attorney who won the massive lawsuit that Planned Parenthood tried to silence her with and more.

PASTOR'S PEN

The week of January 18-25 has come to be celebrated as Christian Unity week in the Church. This Week of Prayer for Christian Unity was first proposed in 1908, as an observance within the Roman Catholic Church by Fr. Paul Wattson, founder of the Franciscan Friars of the Atonement in Graymoor, New York. Today the Week of Prayer involves Churches and Christian communities across the globe. Since the founding of the World Council of Churches in 1948, many other Christian denominations around the world have come to celebrate the Week of Prayer for Christian Unity. Despite the efforts, our times may have seen more divisions, even within the Church itself. Unity of the believers was the desire of Jesus: "I gave them the same glory you gave me, so that they may be all one, just as you and I are one" (Jn 17: 22). Let us continue to pray for unity, reconciliation and healing. We need it. Our families require it. Our Nation needs it more than ever before.

Do you recognize these pictures in the Church? If not, visit the Marian Nook located in left side of the Church. As you face the Nook, you have statue of Blessed Mother, who looks elegant. To the right you will see the portrait of Divine Mercy, and to the left, the statue of St Peregrine, the patron of saint to intercede for people suffering from cancer. This renovation work was lovingly carried out by a few of our parishioners. The cost of renovation was also borne by a couple of donors who prefer to remain anonymous. Indeed, a labor of love bequeathed to our community with joy! I thank them for their generosity and work of love.

Devotion to Blessed Mother and saints are lively customs practiced by Catholics throughout the world. It is our faith that their intercession will assist us. More votive candles also have been added. You will see two sets of candles— the smaller (one day candle); the bigger, which goes for a week. The Nook is being maintained by the Art and Environment committee members.

The central theme running through the readings of this week is God's Word. The setting for our first reading is about 435 years before Christ. The Jews who were returning from their exile in Babylon found themselves struggling to rebuild their civilization, rampaged by the Persians. Nehemiah, the governor of Israel, appointed by the king of Persia, reminds the people that the rebuilding of their civilization starts with the rebuilding of their lives according to God's Word. God must take first place in their lives. In fact, he reminds them that much of the suffering they went through in the past brought on themselves because they ignored God's laws. Does that sound familiar to us and to our times? The rebuilding of any nation or civilization starts with reverence to God who has created us, and continues to love us, and cherish us. When more and more people, increasingly dissociate themselves with religion and living of faith, this scripture passage can serve as a wake-up call to all of us.

See you this weekend...

Fr. Francis
