What is "Corpus Christi"?

The Solemnity of the Most Holy Body and Blood of Christ, historically known by its Latin name, Corpus Christi, celebrates the Real Presence of Jesus Christ in the Holy Eucharist—Body, Blood, Soul, and Divinity. It is traditionally celebrated on the Thursday following the Solemnity of the Holy Trinity. The feast dates to the Middle Ages and originated with a visionary nun and a Eucharistic miracle.

THE STORY...

In 1263 a German priest, Fr. Peter of Prague, made a pilgrimage to Rome. He stopped in Bolsena, Italy, to celebrate Mass at the Church of St. Christina. At the time he was having doubts about Jesus being truly present in the Blessed Sacrament. He was affected by the growing debate among certain theologians who, for the first time in the history of the Church, began introducing doubts about the Body and Blood of Christ being actually present in the consecrated bread and wine. In response to his doubt, when he recited the prayer of consecration as he celebrated the Holy Sacrifice of the Mass, blood started seeping from the consecrated host and onto the altar and corporal.

Fr. Peter reported this miracle to Pope Urban IV, who at the time was nearby in Orvieto. The pope sent delegates to investigate and ordered that host and blood-stained corporal be brought to Orvieto. The relics were then placed in the Cathedral of Orvieto, where they remain today.

This Eucharistic Miracle confirmed the visions given to St. Juliana of Mont Cornillon in Belgium (1193-1258). St. Juliana was a nun and mystic who had a series of visions in which she was instructed by Our Lord to work to establish a liturgical feast for the Holy Eucharist, to which she had a great devotion.

After many years of trying, she finally convinced the bishop, the future Pope Urban IV, to create this special feast in honor of the Blessed Sacrament, where none had existed before. Soon after her death, Pope Urban instituted Corpus Christi for the Universal Church and celebrated it for the first time in Orvieto in 1264, a year after the Eucharistic Miracle in Bolsena.

Inspired by the miracle, Pope Urban commissioned a Dominican friar, St. Thomas Aquinas, to compose the Mass and Office for the feast of Corpus Christi. Aquinas' hymns in honor of the Holy Eucharist, *Pange Lingua*, *Tantum Ergo*, *Panis Angelicus*, and *O Salutaris Hostia* are the beloved hymns the Church sings on the feast of Corpus Christi as well as throughout the year during Exposition and Benediction of the Blessed Sacrament.

FORMED ~ What's on...

Joseph of Nazareth: The Story of the Man Closest to Christ

The first feature film ever on the story of St. Joseph, who was a carpenter, the husband of Mary and the foster father of Jesus Christ. Scripture tells us that St. Joseph was a "just man" and that God gave him the most daunting task ever asked of a man—to be the husband of the woman who would give birth to the Messiah and the father and protector of this Holy Family. He would be the man closest to Christ.

We are shown the human, noble and deeply spiritual aspects of Joseph the carpenter, son of David, servant of God and loving husband of Mary. He is presented as a man of faith who must grapple greatly with the profound mysteries of the miraculous conception, the Virgin Birth, the Incarnation of the Son of God and the incredible challenges of protecting and raising Jesus amidst the threats on his life from the moment of his birth and beyond.

As Joseph is informed by God's messengers about trusting and following his plan for Christ, the dangerous flight into Egypt to save his child and finally returning to Nazareth to raise Jesus, this lovely film presents beautiful vignettes of these and other powerful scenes in the life of the young Christ and the Holy Family that are authentic and inspiring.

PASTOR'S PEN

This Sunday, we celebrate the Solemnity of the Most Holy Eucharist. Through this celebration, the Church affirms one of the central truths of the faith that has been handed on to us from Christ and the apostles: the gift of the Eucharist, which the Catechism of the Catholic Church teaches as the "source and summit of our Christian faith." Our unshakable faith that Jesus— his body, blood, soul and divinity— is truly present in the Eucharistic bread has been confirmed by several Eucharistic miracles. The Gospel writers attest to what Jesus did at the Last Supper (Mt.26:26-29; Mk14:22-25; Lk.22:14-21). Jesus did not say that the bread is a *symbol* of his body but "this *is* my body" ..., "this *is* my blood". In Chapter 6 of John's Gospel, we see the reiteration of this truth and those who couldn't accept Jesus' teaching no longer follow him. Eucharist is not a thing but the person of Christ. Eucharist is not an event we attend or a commodity we consume but the mystery of the person we encounter that brings peace into this senseless and broken world in which we find ourselves each day. The Mass is a precious and privileged meeting with the person of Jesus Christ. How excited are we to meet him when we come for Sunday mass? A bigger question would be how prepared are we for this meeting with Jesus?

The United States Conference of Catholic Bishops have called for a revival of Eucharistic faith— turning to Christ the source and summit of our life! Against the backdrop of scandal, division, disease, doubt, and a lack of faith in the real presence of Christ, the *National Eucharistic Revival* with a three-year program invites all to a joyful, expectant, grassroots response of the entire church in the U.S. to rekindle a living, loving relationship with Jesus. This certainly calls for an examination of our relationship with Jesus and the quality of that relationship with him. Draw us close to you, O Lord!

On the third weekend of June, we also celebrate Father's Day. We thank God for the gift of fathers in our families. We congratulate all men who live that role daily against many odds. Let all men strive to be good fathers both in physical and spiritual sense. Families need fathers and mothers. No culture and civilization can survive, let alone progress, without families. Herb Meyer, author of *The War Against Progress* and former Vice Chairman of the CIA's National Intelligence Council during the Reagan Administration, refers to the cultural war in America as the "second Civil War". The crux of the fight centers around whether the family or the government will be the center of American life. He weighs the vexing question: does American culture desire a big government or a small government? The challenge seems real today. And the answer rests on the citizens of this great nation.

Here is some specific news: As Head of all maintenance works at the Parish and school, Gerard Wolfe has already joined for duty. As we welcome him, we also remember with gratitude Dallas Short, who served our community in this position for the past three years. The new parish secretary will join for duty on the 27th of June. Our religious education program needs two staff members: Director of Religious Education (DRE), and Coordinator of Religious Education (CRE). Both are full time job positions. Please pray that we will be able to hire the best persons for these tasks as well.

Rest in the Lord! See you this weekend,

Fr. Francis
