Servant of God, Emil Kapaun is the most decorated Chaplain in United States history. Growing up among the farming communities of central Kansas, after ordination Kapaun felt called to serve both God and country in the United States Army. AN IMPORTANT MESSAGE FROM OUR PARISH NURSE:

American Red Cross Needs Our Help... its NOT just about Blood!

Every day, the American Red Cross sees the heartbreak of people trying to cope with more intense storms, heavier rainfall, higher temperatures, stronger hurricanes and more devastating wildfires. As more people rely on the Red Cross for help, the need for compassionate volunteers has never been greater. You can help comfort and support people who are forced from their homes due to fires, storms and other emergencies, so they don't have to face tough times alone. We are actively recruiting for these critical volunteer roles:

- **Shelter Support Team:** During large disasters, you can support the day-to-day activities within a shelter which may include working in reception, registration, feeding, dormitory, information or other areas within a shelter.
- **Disaster Health Services Team:** During large disasters, you can use your professional skills as a licensed healthcare provider to deliver hands on care and education to shelter residents. Qualified licenses include RN, LPN, LVN, EMT, Paramedic, MD, DO, PA, NP, APRN. Only RNs have full scope of practice.
- **Disaster Action Team:** While big hurricanes and wildfires get the most news coverage, smaller disasters are no less devastating to the families affected. Most of the 60,000 emergencies that the Red Cross responds to each year are smaller disasters like home fires. As a Disaster Action Team volunteer, you can help comfort and support people in your community by meeting any immediate needs such as food, shelter, clothing or supplies and connecting them to long term recovery services. We supply all the training you need and it is provided free of charge.

Please contact Lee Borofka, American Red Cross – Wisconsin Region & Upper Michigan at 920-737-9974 or lee.borofka@redcross.org for more information.

PASTOR'S PEN

Ordinary Time in the Liturgical Calendar! The seasons of Lent and Easter are over. The big feasts of Pentecost, Holy Trinity and Corpus Christi are celebrated. Church's Liturgy takes us to the Ordinary Time! And the color is green! At this time of the year, Nature speaks itself loudly: grow and be vibrant. The trees have the rich foliage of green. The trees look pretty. Nature exudes freshness with its green. We receive more oxygen from those leaves. Look at the trees. They are so happy with their leaves. And they grow overnight! What a sight of life! I grow a few tomato plants in pots. They are green and have grown large. Feed them water on time and they grow! Nature reveals life and vibrancy. What an example for us!

Green stands for life and vibrancy. The green of Nature is a symbol of Christian life and its growth. Life is to be nurtured, not destroyed. The nurturing, in fact, takes place in the daily things we do. Just as plants need daily doses of water, sunshine and occasional weeding and fertilizer, our Christian life can be sustained only through our faithfulness to daily duties, performance of chores, and a daily practice of devotion. The desire to practice a virtue to conquer a particular sin is like giving nutrients to a plant.

Daily life consists of ordinary things. However, it is these ordinary things that make life creative and resourceful. It is our attentiveness to the small, little, mundane things of our life that makes life great. Acts of compassion, generosity, and kindness, coupled with practice of family prayer and personal prayer can help our Christian life to grow and flourish.

In the Sunday gospel, this week, we hear the phrase: "I will follow you, Lord." Have you ever thought of following the Lord? Maybe there is a feeling it is just meant for the religious and priests only. Many might feel not to us, the ordinary Christians. If we are that kind of thinking, then we are still living prior to the 1600s. St Francis De Sales (1567-1622), taught that all men and women are called to pursue holiness, in accordance with their state in life and vocation. The King and queen, the laborer and soldier- all are called to holiness. He understood that holiness can look different, depending upon state in life and vocation. All of us can become holy, wherever we are and whatever be the state of life we live. That's our Christian call. It is a universal call. He emphasized that growing in holiness requires our continual and free cooperation with the grace of God. Ordinary time is a reminder to keep alive all that will help us to be like Jesus.

We warmly welcome Theresa Kivi, the new parish secretary and look forward to her involvement and service for the community starting June 27th. I request all to pray that the Lord inspires the right persons to apply for the following ministry positions in our community: Director for Religious Education and a Coordinator for Religious Education.

Summertime can look hectic for families with young children. We all can continue to live and act in the ways that look good and beautiful. Yet, at times we need to slow down to look at life from a different perspective. An occasional pause can help us look at life to see it from the perspective of God. The key is to allow Jesus to live in us. St Francis De sales always ended his letters to persons with this little phrase: Live Jesus. Allow Jesus to live in us and in our families.

God bless, *Fr. Francis*

A Warm Welcome to the New Parish Secretary!

Hi! I'm Theresa Kivi and I am thrilled and grateful to be back in Eau Claire as IC's new parish secretary. I recently moved back from La Crosse where I worked part-time doing data entry at the Shrine of Our Lady of Guadalupe, after retiring from my career as a Pediatric Speech/Language Pathologist. I have 2 grown children and 3 grandchildren who are my greatest blessings! I enjoy being outdoors walking, hiking, gardening and friendly tennis. I look forward to getting to know all of you!
