“Seek the well-being of the city to which I have sent you. Pray for it to the Lord. For in seeking its well-being, you shall find your own.” Jeremiah 29:7
FROM THE PASTOR

With this column I would like to update you in regard to several areas of our parish’s life.

1. Advent and Christmas Events/Activities at The Basilica: As we move into the Season of Advent and Christmas, there are several events/activities at the Basilica which you are invited to attend. On Sunday, December 8 we will hold our annual Global Fair Trade Market from 8:30am to 3:00pm. Great gifts will be available from local vendors, just in time for Christmas giving. Taizé prayer, with the opportunity to celebrate the Sacrament of Reconciliation, will be celebrated in the lower level of the Basilica on Tuesday, December 10 at 5:30pm. On Sunday, December 15 our Cathedral Choristers, Children’s Choir, Cherubs, and Juventus as well as the children of the Learning Program will present The King of Love by Betty Lou and Ronald Nelson. The musical uses familiar carols to tell the story of the Incarnation. The musical will be presented in the lower level of the Basilica after the 9:30 and 11:30am Masses.

On Friday night, December 20, Handel’s Messiah will return to The Basilica. Tickets for that performance can be purchased at mary.org/messiah.

Finally, we hope you will plan on joining us for one of our Masses on Christmas Eve or Christmas Day. Our Mass schedule is available on our website at mary.org.

2. Our Parish Finances: First and foremost, I want to thank all those who have made a commitment of financial support to our parish community during our Basilica Fund campaign this fall. Please know your commitment of financial support to our parish community is greatly appreciated. Your pledge—no matter the size—is important and makes a difference. It allows us to continue to offer the many programs, ministries and services that are the hallmark of our Basilica community.

In regard to our parish finances, as I write this column our income is tracking to budget but is down from being able to balance our budget. It is our hope to move towards a balanced budget over the next couple of years. We currently use funds from school rental income to balance our budget, but we know this is not a sustainable solution long-term. This year our goal is to raise an additional $150,000 over our budgeted income.

I am hopeful that with our collections at Christmas and with year-end giving we will continue to stay on track with our projected income. Thank you to all of those who support our Basilica community financially. Please know of my great gratitude for your ongoing financial support.

3. Change Management Consultant: Several months ago our Parish Council and Finance Committee approved funding to hire a Change Management Consultant, to help us as we seek to implement our new strategic plan. Our parish staff and a small Task Force have been working with the Change Management Consultant to help us identify those ministries, services and programs, etc. that are important and necessary for our parish community, and need to continue, as well as those that need to change or end. Our new Strategic Plan has provided the foundation to guide our decision making process and prioritization.

HANDEL’S MESSIAH CONCERT
FRIDAY, DECEMBER 20, 8:00PM
BASILICA

Co-presented by The Basilica of Saint Mary and The Saint Paul Chamber Orchestra (SPCO)

The Basilica of Saint Mary offers an ethereal atmosphere for the cherished Handel’s Messiah Concert. Join us in celebrating the season through music, with classics such as the “Hallelujah Chorus” and other notable works.

Tickets start at $78 are may be purchased at mary.org/messiah. For more information or to purchase via phone, contact Liz at 612.317.3428.
It is both good and important periodically for parishes to take a step back and review the various programs and ministries that are part of their parish operation to make sure they are still filling a need, or whether they need to be modified, or ended so that new or emerging needs can be addressed. The Change Management Consultant is helping us take a careful and considered look at all that we do here at the Basilica. We hope to finish this work sometime this winter or early spring.

4. Archdiocesan Synod: As I mentioned in an earlier bulletin, on the Vigil of Pentecost (June 8, 2019), Archbishop Hebda formally announced that our Archdiocese will be embarking on a synod, our first since 1939. A synod is a formal representative assembly designed to help a bishop in shepherding of the local Church. It is the Archbishop’s hope that over the next two years, the synod process will involve every parish and draw on the gifts that have been bestowed in such abundance on the people of this archdiocese to discern and establish clear pastoral priorities in a way that will both promote greater unity in our Archdiocese and lead us to a more vigorous proclamation of the good news of Jesus Christ. In doing so, it will help Archbishop Hebda discern, through a consultative process, the pastoral priorities of our local Church today—and into the near future.

Archbishop Hebda described the local pre-synod and synod process as following Pope Francis’ “listening Church” model. “It’s the confidence that comes from believing that the Holy Spirit works in the faithful, and it’s in sharing those things that are most important to us that we’re able to recognize the promptings of the Holy Spirit.”

The synod process will begin this fall and winter with prayer and listening events. After these events, in the spring/summer of 2020, Archbishop Hebda will announce the topics that will shape the synod. In autumn of 2020 and winter of 2021 there will be a parish and deanery consultation process. On Pentecost weekend May 21-22, 2021 there will be a synod assembly. Delegates to this assembly will be invited from across the Archdiocese and will meet to discern synod topics and vote on recommendations for the Archbishop. The Feast of Christ the King (November 21, 2021) is the anticipated publication of pastoral letter from Archbishop Hebda addressing the synod’s topics with a pastoral plan to shape the following 5-10 years.

I believe the synod process brings with it much promise for the future of our Archdiocese. It will only be successful, though, if people pray, participate, and honestly share their concerns, questions and hopes for our Archdiocese. To this end—since I first informed you of the synod—we have established a parish synod ambassador team who will work to solicit feedback from our parishioners and keep everyone informed as the synod process moves forward.

There is a link to this group as well as information on the listening session on our parish website at mary.org/synod. You can anticipate hearing more about the synod in the weeks and months ahead.

5. I would also like to update you on the work of our Campus Space Planning Committee. Beginning in January of 2018 this committee began working to establish a vision for our campus to prepare us for the next 150 years of service to the Church and the city. Earlier this year this group completed its work in providing a vision and set of priorities to ensure our buildings and campus serve both our current needs and the needs of future generations at the Basilica and the community. Their efforts have helped us move into the future with confidence and hope. I am enormously grateful for all the time and effort this committee put into this important work.

FROM THE DIRECTOR

Blessing of Bambinelli!
On Sunday, December 15, we will celebrate Gaudete Sunday or the Third Sunday of Advent. The word Gaudete, meaning rejoice, is taken from the introit of the Mass: Gaudete in Domino semper or Rejoice in the Lord, always.

This Sunday marks the end of the first two weeks of Advent which at most leaves us with two more weeks before Christmas. Thus there is a bit more festivity to this Sunday than the other Sundays of Advent.

Even the vestment for Gaudete Sunday is different. The celebrant does not use the traditional Advent vestments for Mass but rather dons a rose vestment.

On this Gaudete Sunday we invite you to bring the baby Jesus or in Italian Bambinello from your nativity set at home to Mass. Like Pope Francis does in Rome that day, we will bless these Bambinelli at the end of the 9:30 and 11:30am Mass.

The use of Nativities or crèches, in our homes is very popular these days. The Basilica has a remarkable collection of domestic nativities on exhibit right now. The popularity of this tradition is often credited to St. Francis. In 1223, anxious to return the focus of the Christmas festivities back on Jesus he built his own life size nativity in a cave in Greccio near Assisi. It is believed that he modeled his nativity after a manger he had seen in Bethlehem. In it, he placed the baby Jesus on a bed of hay between Mary and Joseph and a living ox and donkey.

According to his biographer, Thomas of Celano, word of this went out to the people of the town who arrived carrying torches and candles. One of the friars began celebrating Mass. Thomas of Celano wrote that St. Francis “stood before the manger…overcome with love and filled with a wonderful happiness…”

For St. Francis, the baby Jesus in the manger was intended to recall the hardships Jesus suffered even as an infant. In this early suffering Francis saw a foreshadowing of the hardships Jesus was to suffer as an adult. Thus St. Francis shows us a Jesus who became truly human, sharing our suffering and pain and ultimately our death. In return we are to share in his resurrection.

As we raise our baby Jesus for the blessing, place it in our crèche at home or behold it during the Christmas Season, may we like St. Francis be “overcome with love and filled with a wonderful happiness” because we know that we are holding an image of the one who through his life, death and resurrection won for us the path to salvation.

What is Faith Formation? It is the way in which we foster our spiritual growth. Rather than a “program of religious education,” it is a way of life in which we continuously strive to learn about Christ, to be in community, and to invite others into an intimate relationship with a loving God. Forming faith happens in so many places. Our journeys of faith are each different and they are influenced by family, by worship, through scripture, music, catechesis, and sacraments, and by our Church community. It is also formed through personal prayer and by our service to one another.

But there’s more to forming faith than described in all this familiar parish language. Forming faith also happens in our daily encounters with other people. My faith is enriched by recognizing the beauty God gives us in the sunset or by realizing what a gift life is as I sit with a dying friend. My faith is formed by my community of friends, my dearest loved ones, and by the influence of elders, children, or even strangers who have shared their faith with me. My faith is formed by my experiences of miraculous healings or a reconciled relationship. Personal prayer life and daily rituals also renew my sense of who I am as God’s child. All these personal moments of my faith formation are not moments of spiritual growth until I stand back and properly reflect on them. I find that as I reflect I am often in dialogue or sharing my experience with others.

There is not a “one size fits all” model for forming faith. Jesus did not form the faith of His disciples by segregating them. He commissioned them to go and both share and live their faith in community. Think of faith as a “verb,” a way of being and doing and definitely an experience to be shared. We are baptized into community for life.

This place we call Church is a place to give and to receive, a place to participate and to grow, and a place to come to understand our true identity in the Body of Christ. In its truest sense, Faith Formation never ceases to exist because we are always experiencing the presence of Christ in one another. Those experiences are transforming. How amazing is that? It means that YOU are called to be part of another’s faith formation. It means that your presence is important and even transforming. It means that we are so very glad that you are here. I encourage you to seek out new ways to form your faith and I invite you to consider how you might share your presence in our community at The Basilica, in your community at home, work and school, and in those quiet moments when you simply sit with God.

**Marriage Preparation Workshop**

**Saturday, January 11, 2020**

Couples that get married in the Catholic Church take a pre-marriage inventory; The Basilica uses the *Prepare/Enrich* inventory. Couples who are preparing for marriage come together periodically to look at the results of their inventory and have conversations about various topics including spirituality, finances, communication, sexuality, etc. They do this with the help of Basilica staff and dedicated marriage mentor couples from the parish who share their wisdom. Please keep this group of couples in your prayers especially on this day as they go through this workshop and hopefully come closer to God and each other.

**RCIA Team Retreat Weekend**

**Friday-Sunday, January 10-12, 2020**

You may not know that our RCIA (Rite of Christian Initiation of Adults) process includes staff member Cathy Edwards and a very dedicated group of parishioners who support those who are preparing to receive sacraments at Easter. This team will be going to Saint John’s University for their much deserved annual team retreat weekend in early January. Please keep them, and all or our RCIA candidates, catechumens, and sponsors in your prayers.
FAMILIES WITH CHILDREN

FIRST RECONCILIATION

Over the last few months, the children in our parish preparing for Reconciliation have been reflecting on God’s forgiveness and the gift of peace. All the baptized are anointed to announce the kingdom and make all people sharers in the peace of Christ. How do we as individuals strive to live as peacemakers and to make a difference in our corner of the world? Please hold our children in prayer as they celebrate their First Reconciliation in November or January. We celebrate the blessing of God’s peace.

THE FRANCIS IMPACT DOCUMENTARY

DATES AND LOCATION TO BE DETERMINED

The Francis Impact tells four unique stories of individuals and communities who have been deeply impacted by Pope Francis. The film begins in El Salvador where environmentalists struggle to preserve the nation’s fresh water supply through a legislative ban on metallic mining. From there, the film moves to central Minnesota where a Catholic couple shares the story of their long and frustrating annulment process. Across the Atlantic, a local carpenter on the tiny Italian island of Lampedusa makes crosses from the wood of decrepit boats that carried migrants from North Africa. Finally, the film shifts to Quebec where a horrific attack at a local mosque brings two faith leaders together in an astonishing way. Far from the corridors of the Vatican, the real “Francis impact” is felt by ordinary people who have been inspired, empowered and affirmed by him over the past five years. Check the weekly newsletter or email bcaduff@mary.org for when we will be screening the film.
I admit it. I am one of those people at family gatherings who wants to talk about politics and the social issues of our day. I know this is not a popular role, as I watch some relatives pivot hard as they get close!

To be honest, I want to understand: How is it my uncle, who I like a lot and love deeply, supports a certain political candidate I find appalling? How is it my nephew, who I watched grow up embraced by our family, has developed a worldview I find foreign and even frightening?

I may be naïve or unrealistic, but at a time when our society is so divided I feel convicted to find a way to build bridges and find unity. In my life, those bridges can start with family—sitting and listening to those I love when there is a great divide. Can we trust our family bond enough to be honest and vulnerable? Can we build on our relationship to find an openness to hear another perspective?

These conversations are seldom quiet, and they usually include laughter. I am not trying to convert anyone. I really just want to understand. Perhaps in that understanding, change happens on both sides.

I feel the same desire to have these conversations with my family of The Basilica of Saint Mary. Our faith provides the foundation of our life. And our faith community gives us a wonderful opportunity to face the tensions of our day head-on—trusting God and putting our faith into action.

Our Advent and Christmas readings do not tell us to avoid conflict and keep things "nice." Rather, Isaiah challenges us to wear justice on our waist and faithfulness on our hips. Reconciling action is called for, bringing natural enemies together in peace. Paul encourages the Romans: "May the God of endurance and encouragement grant you to think in harmony with one another."

This Advent and Christmas, we are invited to re-center our lives on God. We are invited to welcome the coming of Christ in so many unexpected ways. May we find ourselves open and trusting enough to have hard conversations together—creating peace amidst our turbulent times.
FAMILIES MOVING FORWARD
Families are truly moving with the Families Moving Forward (FMF) program. Parents and kids are moving from homelessness to stable housing through this innovative effort, a program of Beacon Interfaith Housing Collaborative. Case workers at the FMF office work with families to locate available housing, and they also coordinate emergency shelter at a network of faith communities in our area.

The Basilica is proud to have been a host congregation for more than 20 years. We cordially invite you to share your talents, skills, and time with families while they stay at the Basilica.

Our next hosting week is January 19-26. Volunteers are needed to donate and/or serve meals, play with the kids, lead activities such as bingo and crafts, stay overnight at the church, and set up/take down the sleeping areas. FMF is a fun volunteer activity for all ages—many positions have no age limit and families can volunteer together to help other families. FMF is also an exceptional volunteer activity for teens to earn service hours for school and/or scouts. For more information, contact Basilica FMF chair, Mary, at 612.669.5213 or mcbujold@yahoo.com.

LISTEN UP! EMMAUS LISTENING MINISTRY
Have you started talking about something that happened to you, only to be interrupted by the person you were talking to, saying the same thing happened to her or someone she knows and your story is then taken over? Or perhaps a friend cuts in to tell you what he would do if he were you. Too often, advice is given or a listener tries to make a connection by offering a parallel story of her own, and you’re left smiling politely, but with an unfinished story.

The Basilica Emmaus Listening Ministry sends trained listeners into various situations, equipped with active listening skills and a nonjudgmental presence. These skills are taught and practiced, and don’t necessarily come naturally. Some of our Emmaus Ministers accompany a listening partner through grief or loss, a life change or transition, or a chronic or longtime illness. The listening partners may want to meet monthly for a year or more, or need just one or two contacts to help them through their time of transition.

Using crucial listening skills learned from their Emmaus training, some Emmaus Ministers serve communion to Basilica members who are in the hospital or are homebound and unable to make it to Mass.

We are seeking to add more ministers to accompany those who request spiritual care from The Basilica. Interviews are happening this fall, and the annual training starts in January. If you feel called to minister in these areas, please contact Wendy at wcaduff@mary.org or 612.317.3474.

IMMIGRANT SUPPORT MINISTRY: ACCOMPANY THE STRANGER CIRCLE OF WELCOME INFORMATION SESSION
SUNDAY, DECEMBER 1, 11:00AM, CATHERINE OF SIENA ROOM
Would you be interested in accompanying a family seeking asylum in the United States? Or perhaps walking with a refugee family, recently arrived in Minnesota? The Basilica will partner with families in the upcoming months, and we are looking for volunteers to assist the family in adapting to life in Minnesota. Circle of Welcome teams meet with the family a few times a month and help them practice their English skills, plan expenses, and take them on outings to the grocery store, library, and local attractions such as Como Zoo. If you are interested in learning more about this unique volunteer opportunity, please come to the Information Session, or contact Betsy at eframsey@comcast.net.

CENTERING PRAYER
FRIDAYS, 10:00AM
BASIL THE GREAT, GROUND FLOOR
Centering Prayer is the opening of mind and heart—our whole being—to God, the Ultimate Mystery—beyond thoughts, words, and emotions. It is the prayer of silence. Consider adding Centering Prayer to your Advent practices. New practitioners are very welcome. Call 612.317.3477 for more information.

CROSSROADS
With prayerful deliberation, the leadership of Crossroads has made the unanimous decision to officially retire the group at the close of 2019. We recognize that for 17 years Crossroads has been going strong, and serving The Basilica well by connecting people, forming relationships, and cementing friendships. A sense of belonging and welcome in a parish this large is essential. We are proud of what we have done through the years, the countless lives we have touched, and the many ministries our members continue to be involved in throughout all aspects of The Basilica.

The morning book club will continue to meet the first Thursday of each month at 10:00am.

As we look to our future and welcome your support of The Basilica Fund. Your recurring gift empowers our work inside The Basilica doors and throughout the city.

Secure online giving is simple; no need to remember cash or a check. It also means less paper and lower administrative costs, enabling your contribution to go further.

You can make your donation through weekly contributions using the envelopes available in the pews or online at mary.org/give. Thank you in advance for your prayerful consideration of gift in support of our Parish and programming.

A TAX-SMART WAY TO SUPPORT THE BASILICA LANDMARK AND THE BASILICA FUND

Do you have a traditional IRA? Are you, or will you soon to be, 70 ½ years old? If you answered ‘yes’, did you know you may make a tax free qualified charitable distribution (QCD) directly from your IRA to The Basilica Landmark and The Basilica of Saint Mary without increasing your taxable income or taxes? This is a popular, tax-smart option for giving. Funds transferred from your IRA will not subject your Social Security income to higher tax levels and if you are 70 ½ or older, will count toward your required minimum distribution (RMD).*

To take advantage, please contact your IRA plan administrator or Monica Stuart, Development Officer, at 612.317.3429 to learn more.

*Because circumstances may vary person to person, donors should discuss plans with a professional tax advisor.

GIFT DEADLINES FOR 2019 TAX CREDIT

In order to receive a tax deductible credit for 2019, checks must be postmarked by Tuesday, December 31. Online gifts need to be received by midnight on December 31. The Basilica offices are closed on Tuesday, December 31 and Wednesday, January 1.

THE BASILICA LANDMARK ANNUAL FUND

By supporting the Annual Fund, you ensure the longevity of our building. In the past year, The Basilica Landmark has completed the following projects:

- Rebuilding The Basilica School’s south entrance, restoring both functionality and security
- Refurbishing the Teresa of Calcutta Hall, making it fully accessible to multiple needs, including homelessness and immigration support, interfaith collaborations, training seminars, and art exhibits
- Creating a master plan outlining the future of our campus

Donate online at thebasilicalandmark.org/give or by contacting Stephanie Bielmas at 612.317.3472.

*The Basilica Landmark is a separate 501(c)(3) charitable organization from The Basilica, and was organized in 1993 to preserve and restore The Basilica of Saint Mary and its campus.*
As a next step, we selected a team of individuals and organizations to assist us in creating a more specific Master Plan for the Basilica and its campus. The process, included “Requests for Qualifications” and later “Requests for Proposals” and in-person interviews. In these requests we wanted architectural firms that could work as a team with urban planners, historical preservationists, and landscape architects. We eventually interviewed three teams and ultimately recommended to The Basilica Landmark Board that the team, led by the Architectural firm HGA be hired to develop a Master Plan for our Basilica Campus. The Landmark Board approved the funding of this recommendation and we began negotiations for a contract with HGA.

After this a small Master Planning Committee was formed to work with HGA and their team in the development of the Master Plan for the Basilica and its campus. This Committee has been meeting for the past few months and will continue to meet this fall. In addition to the whole Basilica campus this committee will also examine some specific issues, e.g. accessibility, music, parking, and our liturgical space. It is our hope that we will be able to share the results of the work of this committee early in 2020.

6. Feasibility Study: As I have also mentioned previously, The Landmark Board also approved funding to hire the firm of Bentz Whaley Flessner to conduct a feasibility study to help determine fund raising capacity for a potential Capital Campaign needed to implement elements of the newly developed Master Plan.

As the work of the Campus Space Planning, Master Plan Development, Feasibility Study, and potential Capital Campaign have broad implications for our Parish we have been actively engaged with the Basilica Landmark Board, Parish Council and Finance Committee to ensure our leaders are informed and appropriately involved in providing guidance and approval.

7. Recent Maintenance Projects: In addition to several smaller maintenance projects this summer, there were also two major maintenance projects. We replaced the carpeting in the lower level of the church. If you have not been in the lower level of the Basilica recently I would encourage you to stop down and see the new carpeting. Replacing the old carpeting and updating the hospitality area with an expanded area of terrazzo was one of our major maintenance projects this summer. I know I come from a biased perspective, but I think it turned out quite well.

The other major maintenance project this summer/fall was rebuilding the south façade of our parish school building. While the brickwork is done, the Terra Cotta needed to finish the job has been delayed. When the order was first placed, we were told that the Terra Cotta had a 105 calendar day lead time and should have arrived by the end of August. Unfortunately, a few weeks ago we were informed that Terra Cotta will not ship until November 1. So unless there are further delays, by the time you read this bulletin the Terra Cotta hopefully will have arrived and have been installed.

8. At the end of September we completed the celebration of the 150th Anniversary of our parish. 150 years ago, the Church of the Immaculate Conception was founded in Minneapolis. When the parish outgrew its original site, seven lots were donated at 16th and Hennepin, and the corner stone of the Basilica of Saint Mary was laid in 1908. 150 years is a significant amount of time. It speaks highly of the faith and dedication of those who have gone before us that not only has our parish survived, it has thrived. As our parish moves into the next 150 years we are blessed by our parish leadership and our staff who serve our parish so well. It is the task and challenge for all of us, though—and it will take our combined efforts—to ensure that for the next 150 years our parish will continue to be a beacon of hope on the Minneapolis skyline and place of welcome for all who come to our doors. I am excited by this challenge, and given all the work that has gone on in the past several months—and some cases continues to go on—I am very hopeful for the future.
