## EMPOWERING THOSE WHO EXPERIENCE HOMELESSNESS

Four year ago, Align Mpls (formerly Downtown Congregations to End Homelessness) facilitated the development of Street Voices of Change (SVoC)—a supportive and self-empowering advocacy community for persons experiencing homelessness. SVoC grew to hold sessions in four congregations, including The Basilica on Tuesday mornings (pre-COVID). Their agenda includes supporting one another and raising issues that might end their homelessness or save lives. Within 2 years they responded to harsh and unjust stories of living in the Minneapolis homeless shelter system by developing a Shelter Resident's Bill of Rights (SRBOR).

The SRBOR states that people in shelters should have a safe and dignified experience while staying at shelters. The rights they claim are simple: They assert every shelter resident has the right to be treated with respect and dignity. Shelters should have adequate space, be clean and safe. Case management should work to help exit shelter. Staff should be trained, compassionate, and create a safe welcoming environment. Shelters should provide secure property storage.

With Align Mpls's support, Street Voices of Change connected with Hennepin County Commissioners and Shelter Providers. As a result of their advocacy, Hennepin County now requires implementation of the tenets of the SVoC Shelter Resident's Bill of Rights in county shelters. Cognizant of the need for SRBOR's implementation and enforcement across the entire state, SVoC has successfully secured the support of Homes for All Coalition, and tenets of the SRBOR are now included in their MN State Legislative Agenda for 2021.

One of the dreams of creating Street Voices of Change was for our congregations to empower those who experience homelessness to advocate and work to support themselves—with the real possibility of bringing the tens of thousands of people in our combined congregations behind them—in support of them. They, more than anyone else, know what is needed. If they

## STRATEGIC AREAS OF FOCUS

The Basilica of Saint Mary is committed to the future growth of our parish. The *Our Parish Our Future* plan outlines the three strategic areas of focus for the next five years. This plan builds upon the parish's strong vision, mission, and values.

### The Arts

Move, inspire, and transform individuals and communities through excellence in the arts and creative practices.

### Inclusivity

Build a culture where people feel valued, welcome, integrated, and included.

### Homelessness

Respond to the needs of people experiencing or at risk of homelessness. These three areas of focus were strategically selected through a comprehensive, contemplative process with our parish leadership, staff, and consultants.

The three areas will unify and inspire collaboration across our parish and resonate throughout our commitment to the community.

Learn more about the strategic direction of our parish at [mary.org/ourfuture](http://mary.org/ourfuture).

can name it and work toward it, we—as partner congregations—can use our voices to support them.

It is very exciting to see this dream come to fruition, with SVoC's Shelter Resident's Bill of Rights. They have done the work. Now it is time for our congregations to support the changes that are possible.

### The Ask:

We ask everyone in The Basilica community to engage in advocacy to move components of the Shelter Residents Bill of Rights through the legislative process. We need your voice to make this happen!

Currently the MN House is moving a bill forward that would create a taskforce over the upcoming year to study state wide possibilities for shelter residents' rights and shelter provider practices. A report will be generated and funds appropriated. Bill HF900 is gaining momentum. The MN Senate is moving Bill SF1120.

Contact your elected officials and offer your support for these bills. To find your elected officials, go to [leg.mn.gov](http://leg.mn.gov) Let them know:

- Everyone deserves a safe and dignified place to rest their head at night.
- 60% of unsheltered folks choose to be outside, on the train, or somewhere unfit for habitation because they do not feel safe in shelters.
- 30% of people in single adult shelters are under 18 or over 55 years old.
- Shelters should be regulated to protect the people they are charged with like every other sector.

Together we can support our brothers and sisters who are homeless and create a safe and dignified shelter system.

## LENTEN OBSERVANCE

The Christian faithful are to do penance through prayer, fasting, abstinence, and by exercising works of piety and charity. All Fridays through the year, and especially during Lent, are penitential days.

**ABSTINENCE:** All who have reached their 14th birthday are to abstain from eating meat on Ash Wednesday and on all Fridays during Lent.

**FASTING:** All those who are 18 or older, until their 59th birthday, are to fast on Ash Wednesday and Good Friday. Only one full meal is allowed on days of fast. Two other meals, sufficient to maintain strength may be taken according to one's need, but together they should not equal another full meal. Eating between meals is not permitted, but liquids are allowed. The obligation does not apply to those whose health or ability to work would be affected seriously.

## COMMON GOOD

### ZOOM: PRISONERS OR PATIENTS? TASK FORCE

Are you interested in learning about people in prison who have mental health issues? This group meets every third Thursday of the month at 1:00pm and is currently working on a mentor program for people coming out of a Minnesota prison, have a mental health issue, and desire a spiritual connection. The next meeting is Thursday, March 18 at 1:00pm. Please contact Janet at 612.317.3508 or [jgrove@mary.org](mailto:jgrove@mary.org) for more information.

### LISTEN, LISTEN...

When a woman with an aging parent suffering from dementia can share her story with a listening presence; when a patient with a life-threatening illness can talk about his fears to a caring ear; when a woman who has been abused finds comfort in safely telling her story to a nonjudgmental listener—that is the power of Emmaus Listening Ministry. Contact Wendy to become trained or to have a volunteer listener meet with you: 612.317.3474 or [wcaduff@mary.org](mailto:wcaduff@mary.org). This is a free ministry at The Basilica provided by highly trained volunteers. Next training is in early April; interviews happening now!

### PRAYER LINE

Prayer is powerful. About 90 people pray each week for the intentions of others, on their own time. Names and intentions are emailed out weekly (or mailed through USPS upon request). If you have the gift of praying for the needs of others and want to join the prayer ministry, please contact Wendy at [wcaduff@mary.org](mailto:wcaduff@mary.org) to be added to the ministry. You can also go to [mary.org/prayerrequests](http://mary.org/prayerrequests) to ask for prayer or call the reception desk at 612.333.1381.

# ADULT LEARNING

## RCIA (RITE OF CHRISTIAN INITIATION OF ADULTS)

As a community, we are fortunate to have these new spirits among us, bringing new life to our organic church.

We can help them to be ready, through our daily prayer for their journey. In the church, there are baskets with the names of our catechumens and candidates, please take one, or call or email the Learning office to ask for a person for whom you would like to pray.

Registration will include a copy of the book that will be mailed to you prior to the group meeting.
