## PRESERVING THE BASILICA FOR ALL GENERATIONS

Construction of the 1960s interstate freeway system adjacent to The Basilica mobilized parish leaders to action and they worked for recognition of The Basilica as a historic site.

Former Basilica School principal and current parishioner, Roger Sinclair, recalls this process as a very big deal. Roger shared that parish leaders worked very hard and pushed for this recognition for a very long time. Working with Monsignor Terry Berntson, Rector, they sought to add The Basilica to the National Register of Historic Spaces. First established in 1966, the National Register recognizes historic sites throughout the country.

The Basilica found an ideal partner in Charles W. Nelson. He moved into Minneapolis during a frenzy of building tear downs. During this time, Nelson joined the Minnesota Historical Society where he supervised the statewide survey for the National Register of Historic Places. The Basilica's application was submitted by Nelson whose title was Secretary to the State Review Committee for the National Register.

The application summarizes why The Basilica of Saint Mary should be named to the Register: "... The Basilica of Saint Mary derives its significance from three major areas. Firstly, it exemplifies great design in architecture and engineering. Designed by Masqueray, it ranks with the Cathedral of Saint Paul as an expression of Baroque influence in church architecture of the early twentieth century. Secondly, The Basilica is a testimonial to the religious movements and their roles in the development of Minnesota's heritage. And, thirdly, the building was the first such church to be proclaimed a basilica in the United States."

Nelson became the state architectural historian in 1974 and in 1978, the first historical architect for the Minnesota Historical Society. Nelson volunteer his extensive knowledge in a publication called "Tech Talk" which addressed "the identification of problems and selection of remedial treatments." An article by Nelson and on point for The Basilica's current challenges, was called

## LOCKED OUT: CONCEPTS OF CRIMINALITY AND HOUSING SECURITY IN OUR COMMUNITY

THURSDAY, MARCH 30  
11:30AM-1:00PM  
ZOOM VIRTUAL WEBINAR

What comes to mind when you hear the word criminal? How does that impact your understanding of crime?

Join us as we explore "criminality," how it impacts housing insecurity, and how we might shift the conversation to better untangle criminal justice and housing justice in our community.

We will hear from Emily Baxter from *We Are All Criminals* followed by a panel of Minnesota voices working on housing security, restorative justice, and juvenile support. Fr. Daniel Griffith will join the panel discussion.

Presented by Catholic Charities of St. Paul and Minneapolis. This webinar is free to attend, and all are welcome. Register at [cctwincities.org](http://cctwincities.org).

"Water: Masonry's Enemy Water" and stated "moisture generally, is directly or indirectly responsible for the majority of problems in masonry, and in virtually every type of construction."

Unfortunately, Nelson died young at age 61. In his 2007 obituary, Nelson's colleagues and friends described him as a "tireless preservationist," someone "who loved architecture and loved history." They said he travelled all corners of Minnesota and knew about all the important architectural structures.

During Holy Week forty-eight years ago, The Basilica received some wonderful news. Thanks to the foresight of Monsignor Berntson, Basilica's parish leaders together with Charles W. Nelson, the application was accepted. On March 26, 1975, The Basilica of Saint Mary, its School, and the Rectory were all named to the National Register of Historic Places.

Commending Monsignor Berntson, Nelson wrote in the announcement letter, "Your continued interest in the preservation of our State and Nation's historic resources such as this site is sincerely encouraged. Through such efforts an invaluable part of our heritage maybe guaranteed to future generations." Monsignor Berntson shared the announcement of this long-sought honor in a free Basilica publication aptly named the "Good News Letter" Spring edition in 1975.

Please support the ongoing restoration and preservation of The Basilica. Consider attending The Landmark Spark on Friday, May 19 at the McNamara Center on the U of MN campus.

## THE PILGRIMAGE: AN INTERFAITH CIVIL RIGHTS JOURNEY

SUNDAY, MARCH 26, 4:00-5:30PM

Over Martin Luther King weekend, Minneapolis senior clergy traveled to Atlanta, Birmingham, Selma, and Montgomery for an interfaith civil rights journey.

Our hearts and souls were touched as we prayed together at significant moments, sharing each of our traditions' words of healing and reconciliation. We are bringing our pilgrimage back to Minneapolis to share the lessons and insights we gleaned on this remarkable multi-faith journey.

Please join us for a series of three presentations of our trip, and for panel discussions and worship to commemorate the convergence of Ramadan, Passover and Easter on three consecutive Sundays in March at 4:00pm.

**March 26** at Fellowship Ministry Baptist Church - an interfaith service of song and reflections.

## ST. VINCENT DE PAUL MINISTRY

MARCH 25-26

This weekend, The Basilica holds its annual pledge drive for our St. Vincent de Paul (SVdP) Ministry. The Basilica SVdP Ministry is a unique dimension of our parish community. Blessed by the generosity of our parishioners, we have funds to help parishioners and neighbors who struggle with basic needs such as food, transportation, and housing.

Here is an example of how your gifts to the SVdP Ministry support our very own parishioners.

---

“I went back to school at 43 not knowing if I had what it takes to get through nursing school.

During my last year of school, my family and I were running out of resources: emotionally, spiritually, and financially. St Vincent de Paul, through the stewardship of The Basilica, paid our heating bills and helped us at a time when we were pretty low. The heat assistance was sorely needed but, the feeling that we were supported by our community was your biggest gift to us.

Today I am a hospice nurse. I see people in their homes to care for them and their family. It is a great honor.

My family and I often tell stories of how we are cared for by our spiritual home. We know what they are coming to know -- We Are The Church.”

---

Now is the time to renew or establish your recurring gift to The Basilica's SVdP Ministry. A recurring gift to SVdP empowers our outreach inside The Basilica and throughout our city. 100% of your donation goes to help people in need. Your partnership is crucial and offers hope to those who need it most.

To make a gift to The Basilica's St. Vincent de Paul Ministry, please visit [mary.org/svdpgive](http://mary.org/svdpgive). Questions? Please contact the Development Office at 612.317.3407

Thank you for your support!

This Easter, please consider making a special gift to ensure our church remains a place of hope and a symbol of God's love. Your generosity supports The Basilica's life-changing ministries. Give online [mary.org/give](http://mary.org/give).

### LANDMARK SPARK

FRIDAY, MAY 19

We've come a long way in protecting our beloved Basilica Landmark. In fact, it's been three decades since the original "Friends of The Basilica" was born, and a restored dome was christened on our 100+ year old structure. Come celebrate our city's precious gem at this year's Landmark Spark! Cocktail hour followed by dinner, bidding, auction, and more. Purchase your tickets at [thebasilicalandmark.org/spark](http://thebasilicalandmark.org/spark).

### AUCTION DONATIONS

Would you be willing to donate an item, service, or experience to this year's Landmark Spark online or live auctions?

Most wanted items include: event tickets, unique experiences, hotel stays, gift cards, electronics, themed baskets.

### FUND-A-NEED

This year's Fund-A-Need supports two critical projects that need to be completed before any interior restoration can begin to restore our city's precious gem.

- **Bell Tower Roofs.** Each bell tower has leaking roofs. This project replaces the leaking roofs and which will prevent moisture from getting inside the church bell towers.
- **Church Envelope study.** Funding is needed to complete a critical evaluation that will take place over the four seasons of the year. Forty-four (44) sensors have been installed throughout the Church to record interior humidity and temperatures through Minnesota's changing seasons. This information will help with planning solutions for controlling temperatures and humidity in the Church, which is a critical step before the interior restoration work can begin inside the sanctuary.

Mundus

My Jesus, I love thee, I know thou are mine;  
for thee all the follies of sin I resign;  
My gracious Redeemer, my Savior art thou;  
if ever I loved thee, Lord Jesus, 'tis now.

I love thee because thou hast first loved me,  
and purchased my pardon on Calvary's tree;  
I love thee for wearing the thorns on the brow;  
if ever I loved thee, Lord Jesus, 'tis now.

In mansions of glory and endless delight,  
I'll ever adore thee in heaven so bright;  
I'll sing with a glittering crown on my brow;  
if ever I loved thee, Lord Jesus, 'tis now.
