May God Continue to Bless our Families!

Dear brothers and sisters this Sunday (12.26.2021) we are celebrating the feast of the Holy Family of Jesus, Mary and Joseph. The future of humanity depends on the family because it is through a family that we all come. It is in the family that we first learn to communicate, to love, to forgive, to pray, learn to value ourselves, etc. The Holy Family of Nazareth, Jesus, Mary and Joseph are put before us by the Church this Sunday after Christmas as a model for our families.

We consider them as the holiest family that ever lived. But that does not mean they did not have any problems. Just as every family has to face problems and overcome them the Holy Family too had to face problems and overcome them. But the beauty of the Holy Family is that they were together throughout all of their trials and crosses. It was their love for each other, forgiveness and faith in God kept them together always. I believe that this is what holds our families together in times of difficulty – **love for each other, forgiveness and faith in God**. It is love which triumphs in the end, even if for a while love may have to take the form of some honest talking. If ever our families fail in any way, it is because of a lack of love on someone's part. Whenever our families are successful, it is because they are places of love.

I also would like to mention that the greatest threat the families are facing nowadays is simply that we don't spend enough time together. We are so busy working, or socializing, or watching TV that we have less and less time for each other. What a pity. Spending time together with the family is a way of showing our family that we love them. When we love our family we want to sacrifice ourselves by spending time with them, and all the more so when we realize that by not spending time with them we are depriving them of our love and hurting them. May God continue to bless our families! Happy feast of the Holy Family!

What is T4T ~ T4T stands for Today for Tomorrow. Fr Jim Brinkmann a former Pastor of St. Anne's started this while he served here. The fund is meant to be used for projects that arise in the Parish. We take this collection each week and put it into a savings account and it isn't used except for special needs. Some of the things the T4T has helped with is the stain glass window project, the new roof on the church and the crack filling and sealing of the parking lots.
