LIVING THE LITURGY

Relationships are hard to clarify. Determining whether people in our lives are simply acquaintances and associates or a deeper level of friend is a journey that takes time. Identifying and celebrating those people who really care about us is a lifelong adventure that involves both moments of intense elation and heartache. Some relationships are more easily definable than others. Two people who are in love must decide whether the love they share has the freedom and depth necessary for lifelong commitments. Other relationships may look like friendship but may harbor grave dysfunction and toxicity. Discernment is needed on all fronts. Our relationship with God also needs definition and discernment. God has taken creation as His spouse and human beings as His children. God delights in us and all that He has made. The wedding feast at Cana demonstrates God's investment in all of this, especially our happiness. Life is a time for celebration and great rejoicing!

Respect Life Month

The dignity of human life is fundamental to our Christian faith, as evidenced of Jesus becoming flesh and dwelling among us. Because of the significance of the historical date, January 22, linked to the court case Roe verses Wade, January is especially marked as a time when we pray for the life of the unborn, and consider ways in which we can be present amidst the difficulty facing young women who are pregnant and promote life giving solutions for them too. There are annual diocesan events that mark these efforts.

January 16 ♦ Vespers For Life – This event will be held at the Church of St. Anthony, 2405 1st St N, St Cloud. Rosary at 3:30 p.m. and Vespers at 4:00 p.m. Bishop Donald Kettler will preside at the Vespers service. The service includes music, prayer, scripture, and reflection. Monetary donations accepted to Mother Mary’s Fund to assist crisis pregnancy centers in the Diocese of St. Cloud.

January 22 ♦ March For Life – The Diocese of St. Cloud is coordinating buses to St. Paul. Details are posted on our website at: <https://stcdio.org/event/march-for-life-in-st-paul/>.

Prayer and Measures of Caution Amidst the Latest Covid Surge

The late fall and winter have once again proven to be a difficult time as the rapid transmission of the Covid virus is affecting our daily lives and presenting a serious health risk. Hospitals and medical institutes are expressing concern over the high volume of patients being admitted and pleading for our caution. Please be especially careful during the coming weeks. The Corporal Work of Mercy to Care for the Sick can be translated to mean the prevention of disease. Masks and vaccinations are a loving way for Catholics to show their concern for the well-being of others. We will continue to offer on-line options for Sunday mass attendance and special events, recognizing that prudence will call many to remain at home. Let us pray for a rapid and gentle end to this global pandemic.

The Wedding at Cana

The story of the Wedding at Cana is placed in this first Sunday after the Baptism of the Lord because it is “the first sign” performed by Jesus to reveal his glory. In changing water into wine, Christ’s divinity is seen, and the potential for knowing the grace of God when we place Christ at the center of our lives is made known. The story of the Wedding at Cana is also pointed to as evidence of the sacramental nature of marriage. Christ blessed this wedding, and married life, with his presence at Cana. May the goodness of Jesus Christ reign in our hearts!

Scripture Quote for the Week

There are different kinds of spiritual gifts but the same Spirit; there are different forms of service but the same Lord; there are different workings but the same God who produces all of them in everyone. To each individual the manifestation of the Spirit is given for some benefit.
1Cor 12:4-6
