## LIVE THE LITURGY

### Inspiration for the week

Did you ever find yourself wishing that God would just step in and fix all that is wrong with the world? After all, how much longer can all of this go on? There is so much inequity in life. Our world's political, economic, and environmental systems do not always serve the best interests of people. We read stories about injustice, disregard for human life, greed, heartache, and people being hurt and deprived every day. People are still starving and there is often little regard for human life. This is not the way God intended it to be. Realizing that we have caused most of these problems ourselves, we look to God for an answer and a way out of the difficulties we have created. Taking responsibility for our actions is not something that comes easily. What we fail to see is that God has already sent the answer in the person of Jesus Christ. God did fix our problem! Mary had to set her needs aside in order for the Son of Justice to come into the world. We need to do the same. It is only by believing in, listening to, and acting upon what God has spoken that true peace will ever come to be, and God's fix be made known.

## SAINT OF THE WEEK

Born in Holland, St. Peter Canisius (May 8, 1521 – December 21, 1597) was a preacher, teacher, and writer throughout his whole life. At the age of 19, he received a master's degree from the university at Cologne. Soon afterwards, St. Peter met Peter Faber, the first disciple of Ignatius of Loyola, who influenced him so much that he eventually joined the Society of Jesus.

St. Peter Canisius founded colleges and seminaries, served as a missionary, cared for the sick or imprisoned, and wrote close to eight volumes of letters — many about St. Cyril of Alexandria and St. Leo the Great.

A man blessed with many talents, St. Peter Canisius is a wonderful example of a man who developed his talents to further God's work here on earth.

From the Desk of Msgr. Steve  
"The Infant in my womb leapt for Joy."

The Visitation is a holy mystery. How does a child in the womb know of the presence of Christ? Ponder that for just a moment. The presence of Christ is so great that even in the womb, St. John as well as Elizabeth recognizes the awesomeness of his presence. Thus, it is this presence, which is the greatest power in the world, for it is the power of salvation, the power of mercy, the power of God's great love. It is this power that will humbly be born in a stable for all to see. As we enter these final days of Advent let us not lose heart but take the time to recognize the presence of Christ within our midst, so that we too may leap for joy.

During the year of St. Joseph, our Holy Father Pope Francis blessed two Icons of St Joseph for the Knights of Columbus. These Icons are meant to visit the parishes throughout the United States. The Icon will be visiting our parish until January 8. This Icon is on display by the statue of the Immaculate Conception near the entrance way.

Tonight, Dec. 19, beginning at 7 pm, we will have our annual Advent penance service. Several priests will be in attendance for this beautiful sacrament to open our hearts to the presence of Christ. If you cannot make it on tonight, tomorrow, all day Monday Dec 20<sup>th</sup>, we will be hearing confessions at the Cathedral of St. Joseph. Four priests will be on duty from the hours of 9 am to 5 pm.

Happy Advent.

God Bless,  
Msgr. Steve and (woof) George
