From Father Michael Garry

Every year the last week of January we celebrate National Catholic Schools Week. Especially this week, as Catholics we recognize the value of Catholic education and our responsibility to support our families and our regional school. We acknowledge the vital role of the school faculty, staff, and volunteers in maintaining excellence in our school—I am so grateful for the tremendous team we have!

This year we have 240 students in pre-k through 8th grade. Academically, our students are ranked higher than the national average in math and reading year after year. This is based off of the NWEA MAP Assessments that measure the growth progress of students in grades K-8th.

No family should allow finances to prevent them from attending St. Francis School. For the 2021-2022 school year, over \$79,000 has been gifted, helping 44 students in 17 families with tuition. We are committed to making it work! Sure, there is an added cost in attending a Catholic school, but there are also considerable added benefits: not only do our kids receive an excellent academic foundation, they also receive a thorough religious formation, and all in a healthy environment that teaches our kids how to form positive relationships, manage emotions, and take responsibility. At St. Francis School our kids grow in self-confidence and develop social-emotional skills to prepare them for middle school, high school, and beyond. The kids themselves say it all:

"If you are new to St. Francis, the students are really friendly and include you. I have gone to three schools and St. Francis is my favorite school I have ever gone to."

— Claire, 6th grade student.

"Why I love St. Francis School is because I can go to church every Wednesday and we can pray as a class. I can learn about God." — Chloe, 2nd grade student

"I'm happy to go to St. Francis School because our brain is happy when we learn."

— Ruth, Kindergarten student

The theme for this year's Catholic Schools Week is, "Catholic Schools: Faith. Excellence. Service." I think that sums up what our school is about. Please continue to pray for our school and thank you, all you who contribute to make Catholic education possible!
