## From Father Matthew Miller

### Baptism Preparation Pragmatics:

The formation of parents in lieu of their child's baptism is of the utmost importance. The Baptismal preparation program in our parishes forms parents in raising children in the faith, and teaches parents what the Sacrament of Baptism actually does. We are beyond grateful to the deacons and couples who lead this formation program in the Brainerd Lakes Area, they do excellent work. Baptismal Preparation is required for parents' first two children.

It is also required if parents have not attended a Baptismal Preparation program in the last 5 years. For example, one may have 3 children already, but if they have a child 6 years after their last Child was baptized, they would need to take the class again. Our Baptismal preparation program takes the form of a half-day retreat. We are gratefully able to offer this Baptismal retreat every other month. We have confidence that this frequency is sufficient, yet it does require anticipatory thinking on behalf of the parents. Thus, we highly recommend that you attend the retreat while still pregnant, so that your child's baptism can happen as soon as possible. To protect the health and time of those who graciously volunteer to do our Baptismal preparation, we will not be able to offer private Baptism classes, except for special circumstances. As such, we ask for your diligence in scheduling Baptismal classes ahead of time. If you desire to have your child baptized as St. Francis, please call or stop by the parish office. Other requirements needed for the Sacrament of Baptism can be found on [blccnorth.org](http://blccnorth.org).

Thanks in advance for your diligence.

In Christ,  
Fr. Mat
