MONTHLY SOCIAL TEACHING - Care for God's Creation

We show our respect for the Creator by our stewardship of creation. Care for the earth is not just an Earth Day slogan, it is a requirement of our faith. We are called to protect people and the planet, living our faith in relationship with all of God's creation. This environment challenge has fundamental moral and ethical dimensions that cannot be ignored.

WEEKLY VIRTUE: CIRCUMSPECTION

KNOW IT:

Careful

consideration of circumstances and consequences

LIVE IT:

Seek advice; silently reflect upon the circumstances and consequences of one's actions (memory)

PRAY IT: Father, you chose Saint John Baptist de la Salle to give young people a Christian education. Give your Church teachers who will devote themselves to helping your children grow as Christian men and women. Through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, one God, for ever and ever. Amen.

ST. JOHN BAPTIST DE LA SALLE - As a young 17th-century Frenchman, John had everything going for him: scholarly bent, good looks, noble family background, money, refined upbringing. At age of 11, he received the tonsure and started preparation for the priesthood. He was ordained at 27. He seemed assured then of a life of dignified ease and a high position in the Church. However, God had other plans for John, which were gradually revealed to him in the next several years. He became interested in the creation of schools for poor boys in Rheims, where he was stationed. Though the work was extremely distasteful to him at first, he became more involved in working with the deprived youths. Once convinced that this was his divinely appointed mission, John threw himself wholeheartedly into the work, left home and family, abandoned his position as canon at Rheims, gave away his fortune, and reduced himself to the level of the poor to whom he devoted his entire life. The remainder of his life was devoted to the community of religious men he founded, the Brothers of the Christian School. This community grew rapidly and was successful in educating boys of poor families, using methods designed by John. It prepared teachers in the first training college for teachers and set up homes and schools for young delinquents of wealthy families. Afflicted with asthma and rheumatism in his last years, he died on Good Friday at age 68, and was canonized in 1900. He is the patron saint of all educators.

Our mission is to invite, form, and equip missionary disciples of Jesus Christ.

PRAYER

Prayer is the joy of the Christian life. Here are some basic steps to get there:

1. Start simply with 10 minutes each day in prayer or reading the Bible. It is so doable !
2. Transforming your relationship with God is next. The Prayer 101 experience is the concrete step.
3. The final step is complete commitment. This is achieved when we take a 1/2 hour of meditative/contemplative prayer each day to nurture our relationship with God.

THE UNEXAMINED LIFE

A number of years ago I went to the movie, *Noah*. You know the story—God sees that the world has become corrupt; he finds one righteous man and his small family; provides him with detailed instructions for building an ark; gives Noah a cargo list (2 of every living animal); and God sends enough rain to purify the earth with a flood. The a-ha moment that I experienced while watching the film is the scene in which, after receiving these instructions from God, Noah journeys to visit a wise man to verify that he wasn't crazy. He needed confirmation that God was speaking to him. It made me stop and consider that Noah didn't hear with his ears what God spoke, but with his heart. He needed to verify that, indeed, it was God's voice, and not his own or someone else's, that he would follow.

God continues to speak to each and every one of us today. He doesn't reach us by email, or text message, or by a phone call. He speaks to us in our hearts, through others, through his Church and Sacred Scripture. Yet, many of us miss what he desires to communicate to us. With the many voices that we hear each day (family members, friends, news reporters, song lyrics) the challenge is in learning to distinguish His voice from all the others.

The question then, is *What can we do to become skilled at recognizing his voice?* Simply put, the answer is regular prayer time. A form of prayer which can aid us in this discernment is called the "Examen Prayer". This prayer was developed by St. Ignatius of Loyola, the founder of the Society of Jesus (Jesuits). Following is a description of how and when to pray this prayer.

The fruit of the regular practice of

the Examen—or more broadly, the life of regular, cumulative, formative reflection—is living with greater attentiveness, greater readiness, even greater anticipation of God's whispers.

Prayer for light. At the end of the day begin by quieting yourself and inviting God to shine his light on your life over the past 24 hours.

Thanksgiving. Go through your memory of the past 24 hours looking for things that evoke gratitude to God.

Feelings. Revisit the day again, alert to memories that carry distinct feelings, positive or negative, for these are where the action was, and therefore good starting places for prayer.

Focus. Pick just one of those stronger memories, and speak to the Lord as you are moved. Just be who you are!

Future. Face the future, to the extent it is predictable, using your calendar as a prompt if that helps, and pray about anything that stirs some emotional response, positive or negative. Choose one area or struggle you anticipate, invite God to help you over come temptations as they present themselves tomorrow. Thank him for his Grace.

The unexamined life is not worth living—so said Plato; so, in essence, said Ignatius. This beautiful prayer will aid you in learning to hear God's voice in the everydayness of life. And help you to act on what you hear him saying to you.

An audio version of the Examen is available on the Laudate App under *Confession: Examen Prayer*. Or there are free prayer cards at the Welcome Desk for your convenience.

Your Wine & Dine Fundraising Dollars at Work!

Due to the generosity of parishioners and others who have supported our youth programs, through events such as the Wine and Dine, we have funds available to cover part of the cost of registration for various summer camps in our diocese.

Camps this summer:

TRINITY YOUTH CAMP: TYC is for students entering grades 4-8.

Holy Spirit will cover \$150 of the \$325 registration.

This is different from the financial aid they offer on their website. trinityyouthcampnd.com

CAMP SUMMIT: This is a new Fargo Diocese camp for students entering grades 7-9.

Holy Spirit will cover \$200 of the \$325 fee. The diocese also has family rates.

www.fargodiocese.org/campsummit

JMI CAMP: There are both junior high and senior high sessions for this camp.

This camp is a free will offering, but the parish would be willing to contribute to this as well. Contact Barb about this particular camp. fmifriars.com/jmi-summer-camps

Note: The funds offered for these camps are not based on financial need. We want our students to have these experiences and encounter the Lord through various events, which includes summer camps. Thank you for your ongoing support of our youth!

How it works: You register your child/children for the particular camp and then submit proof of registration to Barb Stenberg, our office manager. Then the parish will reimburse you for the amount listed below. Families must be registered at Holy Spirit to be eligible.

Stewardship Moment

*"The disciples were filled with joy and the Holy Spirit."
- Acts 13:52*

The disciples heard our Lord's call and were able to spread the Gospel message with strength and vitality. We, too, can experience that same joy if we make room for the Holy Spirit to fill our hearts. When we use our gifts in the way that God intends, He fills us with supernatural joy. A joy that others notice and are attracted to.
