## A Note From Fr. LeRoy

On behalf of Fr. Timothy, Fr. Oswaldo, and myself, we would like to wish you all a, "Very Happy and Healthy New Year!" Time moves on, and it seems to do so with or without us. It's hard to believe we are already beginning the year 2022! It's interesting to note that this weekend we celebrate two major Solemnities or Feasts in our Faith-life: The Solemnity of Mary the Mother of God on January 1st and the Feast of the Epiphany on January 2nd. Both these celebrations should have a powerful impact on our life.

As Catholics we always begin the first day of the New Year with Mother Mary. Why is that? Well, not only because of the important role Mary plays in Salvation History (especially during the holidays) but if you ponder it, our Blessed Mother Mary was the first in a lot of things when it comes to our life in Jesus Christ. Recall, how Mary was the first to know that a Savior would be born when the angel, Gabriel, announced the good news that she would become the Mother of God. When Jesus, the Christ child, was born Mary was the first to see the human face of God. As the "Word made flesh," Mary was the first to hear the first word Jesus ever spoke. I wonder what that was? Mary of the first disciple of Christ as she not only taught Jesus while he was growing up, but also learned from him just who he was and how the Son of God came to reveal himself to us. Mary was there when Jesus performed his first miracle at the Wedding Feast of Cana, changing water into wine. Mary was with Jesus throughout his preaching and public ministry. She was there when Jesus also died on the cross! Mary was the first witness to the Church being born as she was there at Pentecost. So you see, Mary was the first in a lot of things when it comes to following Christ. It's no wonder then, we begin our New Year with Mary at our side.

Finally, we also celebrate the Feast of the Epiphany this Sunday as well. Mary was there too when the Three Magi (or Wisemen) visited our Lord in Bethlehem and offered their gifts of Gold, Frankincense and Myrrh. The gift of gold was given because Jesus was a King. The gift of frankincense was given because Jesus was God. And, the gift of Myrrh means Jesus was also human like us. It's important to know that these three visitors were from a foreign land and so, in a sense, represent all nations on earth who are invited to come to the Lord! This would include us! The gospel also says that after their visit they returned to their land by 'another way.'" In other words, they were profoundly affected by

## TAO Pastoral Care Ministry news . . .

This week's Pastoral Care column provides us with a Christian perspective of health "wholeness" from our US Catholic Bishops; along with an appeal from Harry and Mary Fleegel, directors of the non-profit Homeless Helping Homeless, for prayers and assistance for members of our community who are struggling to maintain health and wholeness in the face of homelessness.

**Health and healing of our body, mind and spirit for our parishes and communities.**

Health in the Christian perspective means wholeness — not only physical and emotional, but also spiritual and social. Health has to do with more than strictly medical concerns. The restoration of health and the maintenance of good health are not solely the responsibility of doctors, nurses, and other medical professionals. We bear a responsibility in this regard, both as individuals and as members of large social and religious institutions. (National Conference of Catholic Bishops, Health and Health Care {1981} paragraph 14)

**We bear a responsibility . . . .**

January is upon us: it will become brutally cold, windy, snowy, and dark. As we hunker down in our warm beds or bundle up for our mad dash to our cars, imagine what it must be like to have no car, no bed. Imagine how scary it is to have to sneak into a building and hide in a corner to avoid the bitter temps, or worse having to sleep outdoors in a tent with howling winds sucking all the warmth from your being. What it feels like to just curl up in a corner outside somewhere in Saint Cloud in January, your toes screaming in pain, while you shake and shiver uncontrollably, hopeless alone and afraid.

As we contemplate the blessings and challenges of this past year, let us turn to the Lord in prayer to seek out our call for the coming months. At Homeless Helping Homeless we were confronted with the task of operating a low barrier shelter, something that none of us had ever done before. We were faced with the scary thoughts of raising enough funds to cover the expense of feeding, housing, clothing, and comforting hundreds of God's children. We put our trust in God who then sent the Holy Spirit into your hearts, and you responded by providing us with food, clothing, volunteer time, funding, and prayer support.

We want to thank you all. We especially want to thank the Together as One Social Justice Committee and all members of St. Peter's, St. Paul's, St. Michael's and St. Joseph's, along with students and families of All Saints Academy, who put together Christmas gift bags for all the residents of Lincoln Center, Dallas Place and those on the street experiencing homelessness. Thank you Donella and Maddie and staff at Julies Bistro for preparing and donating meals for a holiday celebration.

In the new year, we ask that you remain open to Our Savior's message of love for all in His family, and consider offering extra prayers for an improvement in the situations of those experiencing poverty and homelessness. The Lincoln Center's needs this month includes winter gloves, long johns, men's pants, gas cards for those sleeping in cars, toilet tissue and volunteer time. Bring donations to Lincoln Center at 630 Lincoln Av SE in St. Cloud; or send funds to Homeless Helping Homeless at P.O. Box 475, St. Cloud, MN. 56302.

Hoping that the New Year will ring in lots of love, happy tidings, good health and loads of blessings for you and your family in 2022! Happy New Year!

## To Start A New Year

Anonymous

"A new year is unfolding—like a blossom with petals curled tightly concealing the beauty within.

Lord, let this year be filled with the things that are truly good—with the comfort of warmth in our relationships, with the strength to help those who need our help and the humility and openness to accept help from others.

As we make our resolutions for the year ahead, let us go forward with great hope that all things can be possible—with Your help and guidance."

## St. Joseph Knights of Columbus

The Waite Park council, #12822, of the Knights of Columbus, will be hosting, what we call, a Fraternal Benefits Night. *But you don't have to be a member to attend.* We are having one of our insurance Field Agents come to the basement of St. Joseph church on Thursday, January 20th, 2022, at 7 pm to give a presentation on "End-of-Life-Preparation." Bring a note pad and pen as there will be many points to make your *End-of Life* easier for your mourning family, and your self.

TOGETHER AS ONE AREA CATHOLIC COMMUNITY

Please pick up a copy of the book "Life is Messy" as you leave church. Merry Christmas and Happy New Year!

Merry Christmas from the Churches of St. Peter, St. Joseph, St. Michael and St. Paul

We generally do not need to be told that *Life is Messy*, we already know that by our own experiences – especially when dealing with a global pandemic and its many effects in our society, our Church, and on our physical and mental health. Matthew Kelly's book is not going to eradicate that messiness – nothing will (as he himself notes). The book does offer ways of dealing with that mess in more productive ways so that we will not be overwhelmed by it.

I pray that you might find some help and inspiration in this book, and that you will be encouraged in your life knowing that God is With Us – Emmanuel.

Merry Christmas!
