FR JAMES' FUTURE PLANS

This past weekend priest assignment changes were announced in parishes. Fr. James Downey—who has served our parish and St. Luke's the past 2½ years—is being assigned to the teaching faculty of Dowling Catholic High School beginning mid-July. I am thankful for Fr. Downey's service to our parish and wish him success in his new assignment. Before he leaves we will have a reception for him sometime in late June or early July. We continue to pray for an increase in vocations to the priesthood, religious, and diaconate.

PS—Please keep Fr Michael in your prayers as he leads a group to the Holy Land. He will return after May 12.

BEGINNING THIS SUNDAY

Ignite! Campaign Kicks Off!

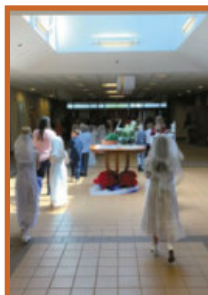

This weekend marks the official start of the *Ignite!* Campaign. In the coming days, you will receive a letter from Father Michael and Bishop Joensen. The letter includes a specific amount for you to prayerfully consider. Please know the request is an invitation, not an expectation.

After receiving the letter, many of you will be contacted by a volunteer to discuss the campaign, answer any questions you may have and secure your decision. Volunteers don't know what is being requested of anyone. They are simply encouraging participation among fellow parishioners. Please review the campaign material, pray about your response, and continue to spread the positive message about this important effort!

COME TO THE TABLE

We were blessed to have 100 children receive the Sacrament of First Communion the weekend of April 23 & 24. Thanks to Jackie King, the catechists and the parents who made this day happen.

How to Conserve Water Use Outdoors:

Have you ever thought of using a rain barrel to capture water coming from the roof to use later on your outdoor and indoor plants? Investment in a rain barrel saves money. Average homeowners can save as much as 1300 gallons of water during the growing season. A rain barrel helps to conserve drinking water resources. During mild droughts or water restrictions a homeowner will have a free water source. One inch of rainfall in a 24-hour period can produce more than 700 gallons of water. Why not capture as much as you can with each rainfall? Use of a rain barrel reduces pollution and run-off. Rainwater is highly oxygenated and free of salts, fluoride and inorganic ions making it a much better water source than the faucet for your plants. It is soft water. It is win-win for the homeowner and the environment.

We purchased a rain barrel years ago and it has been wonderful to have. It was a one-time investment that continuously pays dividends yearly. We use it to water all our pots during the growing season. Our neighbor connected two barrels and is able to harvest that much more water during each rain.

Rain barrels can be purchased at most home improvement stores. If you live in Ankeny check out Stormwater Best Management (BMP) Reimbursement Program I City of Ankeny (ankenyiowa.gov). The city will fund a maximum of \$75 for one rain barrel per address.

THE
FAITHFUL
DISCIPLE

Sunday of Divine Mercy

Acts 5: 27-32, 40b-41 | Rev 5:11-14 | Jn 21:1=19 or 21:1-14

GROW: AS A DISCIPLE | PRAY, STUDY, ENGAGE, SERVE

The accounts of Jesus' appearances to the disciples after his resurrection often puzzle me, and today's reading is no exception. There stands Jesus, within sight, yet the Apostles "did not realize that it was Jesus." Hello?! I know we're in the midst of a daylight saving time debate, but I'm fairly sure "dawn" meant the sun was up. Yet as soon as Jesus speaks and they follow his instructions, they realize he is their Lord. Simon Peter wastes no time; he dives into the sea and makes for the shore. Peter and the disciples show us that while it is important to recognize Jesus, it's what we do next that matters. As we learn in Acts, they boldly say his name despite the Sanhedrin's warning, and most will go on to be martyred for the Church. Thanks to them, we recognize Jesus – in the Eucharist, in Scripture, and in Tradition, and on the crucifixes in our homes and churches. Peter challenges us to "dive in," moving from faith to action. The specifics will differ for each of us, but we can study the lives of the Apostles and the saints to find inspiration.

GO: EVANGELIZE |

PRAYER, INVITATION, WITNESS, ACCOMPANIMENT
Is it a Catholic thing or the fact that I'm a closet introvert? I sometimes struggle with talking about Jesus. Which is why today's reading from Acts challenges me. The Sanhedrin had warned the Apostles not to even speak Jesus' name. Yet they don't cower in fear or simply go back to the relatively quiet lives they led before they met Jesus. They rejoice to be found worthy "to suffer dishonor for the sake of [Jesus'] name." Their commitment challenges us to be bold – not only with our words but with our actions as well. In the same way that teaching another person math or spelling helps us learn, witnessing to our faith by sharing it with others helps us deepen our faith and answer God's call to be his disciple, striving to build his kingdom on earth.

STUDY This week, look up the feast days and read about the saint of the day. What can we learn from their example?
