**“We will come to him and make our dwelling with him.”  
- Jn 14:23**

*Sequence of the Feast of the Holy Spirit*

*Come thou, Holy Spirit, come!  
And from thy celestial home  
Shed a ray of light divine!*

*Come thou, Father of the poor!  
Come thou, source of all our store!  
Come, within our bosoms shine.*

*Thou, of comforters the best;  
Thou, the soul's most welcome guest;  
Sweet refreshment here below;*

*In our labor, rest most sweet;  
Grateful coolness in the heat;  
Solace in the midst of woe.*

*O most blessed Light divine,  
Shine within these hearts of thine,  
And our inmost being fill!*

*Where thou are not, we have naught,  
Nothing good in deed or thought,  
Nothing free from taint of ill.*

*Heal our wounds, our strength renew;  
On our dryness pour thy dew;  
Wash the stains of guilt away:*

*Bend the stubborn heart and will;  
Melt the frozen, warm the chill;  
Guide the steps that go astray.*

*On the faithful, who adore  
And confess thee, evermore  
In thy sevenfold gifts descend;*

*Give them virtue's sure reward;  
Give them thy salvation, Lord;  
Give them joys that never end.*

*Amen. Alleluia.*

COME  
Holy Spirit!

## **A Summer Faith Formation Program**

For Kindergarten through Grade 6 Children at St. Bridget of Sweden

It is kinda' like vacation bible school -  
But not really...

It is called Totus Tuus –

It means "I am totally yours, God."

Your child is invited to participate –

Monday, June 20 to Friday, June 24, 2022 - 9AM to 2:30PM

\$40 a child and a cap of \$100!

This includes Mass with the children each day,  
Fun games, visits by saints, playful songs, faith presentations

We will especially focus on learning about Bible Stories and

Facts of our Faith, Mysteries of the Rosary,  
The Our Father and Prayer

This program is led by four college aged youth who are especially trained to bring a lot of energy, fun, excitement and great knowledge of faith!

These leaders are truly dynamic and faithfilled – great witnesses to children and youth!

7<sup>th</sup> thru 12<sup>th</sup> graders in the parish are invited to be involved as helpers!

You can find a registration form in the back of the Church or online on our website. Fill it out and get it to us as soon as possible.

Call or email Theresa if you need a Scholarship.

Please Register ASAP (by Friday, June 10, 2022) so that we can complete planning. Thank you.

Before the ramp-up of the Covid virus, Theresa asked some of the parishioners to write stories on how saints have influenced their lives. I also asked my students, during our reflection questions to talk about their favorite saint. I would like to offer my own perspective.

### **Saint Maureen of the East Side**

This is the story of a Saint and a miracle that should have been told a long time ago. Maureen Reiners was my aunt, my mother's sister. She was born in 1932 and grew up in a modest house on East Minnehaha in Saint Paul. Her childhood was not like most other children. She was born with hip dysplasia, a condition where the hip socket doesn't fully cover the ball portion of the upper thigh bone, so the hip joint eventually becomes partially or completely dislocated, which is what happened to Maureen. To make matters worse, Maureen was also born with hydrocephalus, a condition in which fluid accumulates on the brain, usually in young children, enlarging the head and often causing brain damage.

Today, there are remedies for the condition, but in the 1930's, not so much. Maureen had an enlarged head for her entire life, but fortunately suffered no brain damage. Maureen was in her 20's when I was born, and I remember her being able to walk with some assistance. She used a walker into her 40's, and then finally was confined to a wheelchair. Despite graduating high school from what is now the Villa Maria Retreat Center in Frontenac, MN, and graduating college from Saint Kate's, Maureen led an extremely sheltered life. When she got out of the house it was to church (daily, until we had to take the keys away from Grandma). When the television was on at home, it was tuned in to Bishop Fulton Sheen. Grandma and Maureen lived and breathed Catholicism. Grandma anonymously put Father Earl S. through the Seminary.

Now comes the miracle part. Maureen had been living in an assisted living/health care facility in New Brighton when she passed away in 2004 at the age of 72. When they performed a CT scan of her brain, which I was able to see, it showed absolutely no brain matter, not a single ventricle, no nothing, except water. When seeing the scan, the neurosurgeon did not believe Jill and me, that mentally, Maureen had led a perfectly normal life for 72 years. He claimed that there was no way that a person, with basically no brain, could have walked or talked, much less have gone to college. When our discussion with the arrogant doctor was finished, the nurse who heard it all asked if we wanted to lodge a complaint against the doctor. We probably should have, but we didn't. However, when we left the hospital, we knew there was no doubt that Maureen's life was in itself, a miracle, and that she is now one of Heaven's Saintly intercessors. To conclude, I would have to say, the faith that I have today predominantly comes from watching the way my mom, grandmother, and aunt, lived their lives.

# PARISH NEWS & EVENTS

## EVERYDAY STEWARDSHIP

### Do You Speak Stewardship?

If you are married, I'm guessing that you know the best way to break bad news to your spouse, whether you realize it or not. Maybe it's simply that you know not to talk about the budget after your wife's football team has lost. Maybe you know your husband will take the news that your sister is coming to stay a little easier if you tell him over his favorite dinner. We do the same thing with our children, our friends, our coworkers — we have all learned the language of the people we love.

The truth is the same in every language, but it's important for us to convey that truth graciously. That's what Pentecost teaches us. The gift of being able to speak in tongues afforded the Apostles a practical skill to spread the Gospel message, but it also served as a powerful symbol of the importance of effective communication. Evangelization can only happen when you're speaking in words a person is able, ready, and willing to hear.

Let's ask ourselves: what is the language we need to speak to share the truth with the person who is standing in front of us? Is it the language of quality time? The language of concern? The language of laughter and friendship? The language of authenticity, of plain talk and frankness?

The Holy Spirit gave the Apostles the ability to speak in tongues, and it seems miraculous when we read about it in the Gospels — but only consider that we all have this same ability, in a certain way. The Holy Spirit can and will show us how to speak the truth, if we only ask.

— Tracy Earl Welliver, MTS ©LPI

## VATICAN SYNOD SURVEY

In the spring of 2021, Pope Francis announced that the Catholic Church would engage in a synodal process that includes "listening to all of the baptized" in every diocese around the world. What would you like to share with Pope Francis? Now is your chance to say what you think the Catholic Church needs to focus on today and allow Pope Francis to hear your voice. This survey will be the only broad consultation offered for this Vatican Synod. To learn more and submit the survey, visit: [www.archspm.org/vatican-synod-welcome](http://www.archspm.org/vatican-synod-welcome).
