Know Your Catholic Faith**Holy Week**

Holy Week is the week before Easter Sunday, beginning seven days before with the celebration of Palm Sunday. It ends with Holy Saturday. The Easter Vigil and Easter Sunday are not part of Holy Week, but rather the beginning of the Easter season of the Liturgical year. Palm Sunday commemorates the triumphal entrance of Christ into Jerusalem when palm branches were placed in His path, before His arrest on Holy Thursday and His Crucifixion on Good Friday. We celebrate this at Mass by distributing palms to the faithful who may keep them for a time for use as devotional objects. The palms are blessed at Mass. The faithful sometimes craft portions of palm fronds into crosses or as other items for display. Eventually, these palms are returned to the Church where they are burned. Traditionally, their ashes are saved and distributed at next year's Ash Wednesday services. Palm Sunday marks the beginning of Holy Week, the final week of Lent, and the week in which Christians celebrate the mystery of their salvation through Christ's Death and His Resurrection on Easter Sunday. Holy Week is an important time for Christians throughout the world. Holy Week is the final week of Lent which begins on Palm Sunday and which ends at the start of the Lord's Supper on Holy Thursday. (11:20)

Next week: Paschal Mystery

TAMANIQUE SCHOLARSHIP UPDATE

The Social Justice Committee extends a big thank you to our parish for your donations towards the Tamanique Student Scholarship Program. We were able to raise \$10,600 in 2021. These funds will help students attend high school and college programs that they wouldn't have had the means to attend otherwise. These educational opportunities are essential for the continued growth and advancement of the Tamanique community. Watch the bulletin for our "Students of the Week" bios that will give you a glimpse into the lives of our students.

If you would like to contribute towards the 2022 scholarship program, write "Tamanique Scholarships" on your donation memo line and place it in the collection basket or send it to the parish office at P.O. Box 159, Granger, IA 50109. If you would like to travel to El Salvador to visit our students and their families, please contact Tom Carney, 515 556-5068, or Patti Smith, 515 313-1536. Thank you again for your support.

God bless you and your generosity!

Tamanique Scholarship Student Spotlight

Every year Assumption parish provides scholarships to students in Tamanique, El Salvador. These scholarships help promote social justice by supporting those in the greatest need. For many of our students the reality is, no scholarship means no school. The scholarships are part of a program that provides much more than an award of money. All scholarship students create and implement a community project and take part in regular leadership workshops to further develop their impact as a citizen as well as their communication skills.

This week's student spotlight is:
Esmeralda Marisol Garcia Zuniga

Hi. My name is Esmeralda Marisol Garcia Zuniga. I'm 19 and a student at the Universidad Tecnológica de El Salvador, studying Tourism Management. I hope to graduate in June of 2023. I live in the community of El Zonte with my father, mother, sister and brother.

The impact of the scholarship program has been very positive since it has encouraged me to move ahead in my studies despite the online classes and I'm glad for the CIS (Center for Interchange and Solidarity that administers the scholarships) scholarship program. I always feel supported and I think I have become smarter and more knowledgeable. This year, I started to make more friends in the program and getting to know them better. When we meet, we share stories and life experiences. I have learned so much from others and what they have been through in their communities.

The program has promoted solidarity in our communities. It has encouraged us to help people in need. Some examples are helping with cleaning churches, teaching children who struggle with reading and writing, and helping teachers during their classes. This year, I helped in the construction of a house for a family who didn't have a dignified home. The CIS program has improved my life and that of my family. I have also learned to help others without expecting anything in return. Perhaps what I do is little but there is no big or small help. I'm glad because the willingness to help others comes from my heart. I like to be a volunteer and have an impact in other people's lives.

The years 2020 and 2021 were difficult due to the pandemic. It affected my family financially and my studies. Sometimes, I didn't have money to buy an Internet plan for the day for my cellphone to do my homework. During the rainy season, I had trouble getting a signal on my phone and I couldn't upload my schoolwork and send it to my teachers. It was also hard to communicate with my teachers and classmates since I couldn't access some apps and platforms. Despite all these obstacles I continue working hard to achieve my goals.

I want to finish my university major and start building my professional career. I would like to be part of a company or association where I can share and contribute strategies, abilities and my knowledge in the area of touristic development. God willing, I will study hard to be one of the top students in my class and get higher grades. I want to help my parents and siblings financially so that they can also study. I plan to eventually have my own business and pass it to my family. I would also like to help young people and the scholarship program in whatever way I can.
