Roncalli Newman Parish is a Roman Catholic community of students of the University of Wisconsin La Crosse and Western Technical College, with their faculty and staff and stationary members from the greater La Crosse area. Our primary mission is to invite the student community at UW-L and WTC to know God in Christ, to enrich their lives through prayer, to promote Christian virtues, and to educate for justice and peace.

Edge: BLACK PANTHER

The goal of the Edge Night on **Wednesday January 19th from 6:45pm-8:15pm at Mary Mother of the Church** is to use the example of Black Panther to help the youth understand the virtue of prudence and know what is best for themselves and others in every-day situations.

Life Teen

Connected Session 2- The Dignity of Human Life

On next Connected Session will be on **January 19th from 7:00pm-8:30pm at Blessed Sacrament**. *Connected: Catholic Social Teaching for This Generation, brings Christ's healing message to a world that sorely needs it through the topics that are most important to teens right now. It addresses: God's Creation and Stewardship, The Dignity of Human Life, Poverty and the Dignity of Work. Connected offers a unique presentation that blends glimpses of Catholic organizations at work in the world today, with accessible and attractive explanations of Church teaching, as well as engaging stories of the saints. This combination cuts through the noise to touch the hearts and enlighten the minds of our teens.*

Family Faith Formation

Families should be completing the Blue Lesson in your take home packet, What Makes a Family? Our next Family Faith Formation Sunday for parents and children in grades 1st-5th will be **February 6th from 12:15pm -2:00pm**. Please be sure to complete the Safe Environment training with your child before then. Thank you!

Second Sunday in Ordinary Time

January 15/16, 2022
ORDINARY 2, Year C

SYNOD ON SYNODALITY

A word Pope Francis uses often is "encounter." It is through encounters that we grow in understanding and love for each other. To help facilitate these encounters across the worldwide Church the Holy Father is asking every parish to engage in a process of synodality. Synod is an uncommon word, but it is basically a gathering of the members of the Church - both clergy and laity - to dialogue about some topic of importance. The topic for this worldwide dialogue is how well are we a Church community encountering each other - not just with Catholics in the pews, but also those no longer coming to Church and non-Catholics.

We have until June 15, 2022, to conduct a series of listening sessions, to compile the responses, and send them off to the Vatican. The Vatican has given us a list of topics, but we are not limited by those topics. I am looking for several parishioners who are interested in conducting a few in person gatherings, online gatherings, and collecting written/emailed responses, then compiling that data to forward to the Vatican.

More important than what Pope Francis receives is how we are transformed and learn from our encounters at the local level. The Holy Father hopes our eyes and hearts are opened to what we hear in regards to how our local Church is responding or not responding to the needs of the people in our community.

Please contact the parish office if you are interested in being part of the leadership team. Calling the office is not a firm commitment, but letting us know you are interested in potentially being part of this important project.

God bless,
Father Billy Dodge

2nd Sunday in Ordinary Time-January 16,2022

Music & Liturgy

Ordinary Time is Far from Ordinary

Christmas is officially over when all the poinsettias have been cleared from the sanctuary and we return to the greens of Ordinary Time. While that's partially true, we begin counting the Sundays of "Ordinary Time" (think "ordinal" as in numbers rather than "ordinary" as in commonplace) when Jesus has been fully manifested as the Son of God – celebrated through all the feasts of Christmas (Nativity, Holy Family, Epiphany, and Baptism of the Lord). In Year C, the Second Sunday of Ordinary Time offers yet another manifestation of Jesus' divinity – the changing of water into wine at the wedding of Cana. We will sing "Songs of the Thankfulness and Praise" one last time before retiring it for next year.

Time Away is a Time for Learning

This past weekend, I attended and presented at the International Teaching and Learning Cooperative Conference in San Diego, CA. I submitted a proposal knowing that I would get a chance to see two of my four children (and even welcomed the warmer climate). The presentation went well, and I learned several things that can be incorporated into my teaching. In addition to attending the conference,

I also take the opportunity to attend Mass and see how other parishes worship (and cope with COVID) and worshipped this morning at St. Brigid's Catholic Church in Pacific Beach, CA. The cantor and organist for the 7:30 AM Mass were both excellent...as was the preaching. Everyone wore masks and were safely distanced from one another. There was a head nod during the sign of peace and the communion procession included the dialogue (with masks) while offering only hosts. They also had a collection and presentation of the gifts, which I haven't seen in a couple of years! It was great to be away, but it will be even better getting back home!!

New Liturgical Minister Schedule to Begin on February 1st!

Please put your conflicts in the MSP app or contact Mary Ellen at your earliest convenience. The new MSP schedule begins in less than a month which means the next three weeks will be dedicated to the step-by-step process of creating the schedule for February, March, April, and May. It works best if you can enter your own conflicts, but Mary Ellen is also happy to help!!

If you have been away from greeting, reading, or canting, please let Mary Ellen know right away. We are especially in need of more greeters for all the Masses. Each time someone steps forward the burden is lightened for someone else.

Tickets for the Complete Beethoven String Quartets, Cycle 2

If you're interested in classical chamber music you might be interested in purchasing tickets for the second cycle (January 16, February 20, March 20) of Beethoven's complete string quartets, performed by the Artaria String Quartet. If you visit the online Viterbo ticketing site, you can purchase half price tickets on orders over \$50.
