MARRIAGE MINUTE

The Journey of 1000 Miles...Begins with the first step, and sometimes, the first step is the most difficult. Imagine the Prodigal Son; how difficult was it for him to acknowledge his offenses against his dad? The lost son had to admit serious sin, swallow his pride, and risk being rejected.

The same scenario exists in the married relationship. How often does a spouse have to risk rejection if he or she admits wrongdoing and asks for forgiveness? Humility is difficult, but it is always worth it. If reconciling with your spouse is difficult, try the following:

- Remember the last time you reconciled and the joy of being reunited
- Look ahead and imagine how great it will be to be set free from your isolation
