Parish Bulletin

Fr. Pat Sullivan, Pastor

Our Parish Mission: *We, the faith community of Sacred Heart of Jesus Catholic Church, faithful to the teachings of the magisterium, are committed to forming Disciples of Christ by embracing Stewardship through Hospitality, Prayer, Formation and Service.*

5501 Monticello Road, Shawnee, KS 66226 • 913.422.5700 • FAX 913.422.5723 • www.shoj.org

WELCOME *We're So Glad You're Here*

God created humanity for greatness and calls each of us to continually grow in holiness. This is no small task and something we can't do on our own. So Jesus gave us the Church and its many treasures to guide us; providing a perfect road map to salvation. It's my prayer that everyone comes to know the truth of the gospel.

Our doors are open to any and all who desire to hear the truth in a loving and peaceful setting. As a physician of souls, I care deeply about your well-being, and want to help you stay spiritually healthy. If it's been awhile since you've had a "checkup," come on in and we'll chat. If there's anything else we can do for you, please ask.

I look forward to ministering to you as your spiritual Father.

In Peace,
Fr. Pat Sullivan

I want to take this opportunity to personally invite you to grow deeper in your faith, and allow myself, and the many other professionals and volunteers at SHOJ to assist you however we can; let's help each other get to heaven. You can't do it without the Church, and we can't do it without YOU.

Ministry Lead Needed

Calling all those individuals that value the sanctity of life! We are in need of a Ministry Lead to take over our Respect Life Ministry. This ministry promotes and protects the sanctity and dignity of all human life from conception to natural death through prayer, witness, compassion, education and public policy in our parish, community, state and nation. Prays Respect Life Rosary with Knights of Columbus on the last Saturday of each month, organizes Life Chain and 40 Days for Life, and organizes our Sacred Heart Procession of Roses with our Knights of Columbus. Calling all frontline Healthcare workers! Join us for Mass on **October 16 or 17** for a special blessing during Mass. We want to recognize you for sharing your extraordinary gifts, and for your heroic/commitment during this time of pandemic.

Value Them Both

Together we can declare that Kansas values women and children. In January of 2021, allied legislators, along with coalition partners, successfully passed VALUE THEM BOTH through the Kansas legislature with huge supermajorities. This is an enormous win for life in Kansas but we're not done yet.

Recent Court rulings have paved the way way for unlimited abortion, paid for with your tax dollars. You can reverse this course by voting for VALUE THEM BOTH in August of 2022.

October is Respect Life Month

“I, THE LORD, YOUR GOD, TEACH YOU WHAT IS FOR YOUR GOOD, AND LEAD YOU ON THE WAY YOU SHOULD GO.”

– Isaiah
48:17

In October, the Catholic Church in the United States celebrates Respect Life Month, and the first Sunday of October is designated as Respect Life Sunday. To support these annual observances, the USCCB Secretariat of Pro-Life Activities provides materials to help Catholics understand and value the gift of human life and help build a culture that cherishes and protects it. Each week we'll look at ways that we as Catholics, can help the Respect Life movement. This week, helping a friend who is considering abortion.

What to Do When a Friend is Considering Abortion

Read the full version at respectlifeprogram.org/1-o-v-e.

When a woman is facing a difficult pregnancy, the reaction of the first person she tells tends to set the tone for her decision-making. How do we respond in a loving way that is life-affirming for both her and her baby? First, prioritize listening over speaking. Ask her about her feelings, thoughts, values, beliefs, and wants. When her story is fully shared, it is your turn to provide factual information, in a loving and caring way. Encourage her.

Reassure her that she is not alone.

Help her set goals that extend beyond her due date to help her see life beyond her pregnancy. Reassure her that she is not alone, and provide practical support. Pray with her, offering Christ's love at a crucial life-saving and life-defining moment.

Live the Liturgy

Inspiration for the Week

Presumption can be a great sin. We can easily convince ourselves that as long as we do the bare minimum or master the basics, it is sufficient. Love doesn't operate this way. If we are truly in love with God, then the basics are not going to be enough. That love is going to want to get expressed in going above and beyond, in leaving the comfortable and familiar, in stretching and growing and in following a voice other than our own. This is what those who are truly in pursuit of wisdom come to realize. Just like any human relationship worth achieving reveals, we never reach a plateau in following the Gospel or growing in wisdom and holiness. Wisdom is the rudder that guides us through all of life's attractions and options. It alone determines what is worth pursuing and what must be left behind. That is why those who are only concerned about checking the boxes and doing the least amount possible often walk away sad when offered God's gift of life eternal. They are not truly in love.

“BLESSED ARE
THOSE WHO
HUNGER AND
THIRST FOR
RIGHTEOUS-
NESS, FOR
THEY WILL BE
SATISFIED.”

– Matthew
5:6

Why do we do that?

Question:

Why are Catholics required to get married in a church, and not outside or at a different venue?

Answer:

Because the sacrament of marriage is a sacred covenant between the husband and wife, the celebration of the sacrament of matrimony is much more than simply a social or family event. So, the rule that the sacrament be celebrated in a church is a way to help reinforce the deeper meaning of Christian marriage. To help make this clearer, the Church's tradition also normally includes the celebration of the Mass when the marriage is being celebrated between two Catholics, and so a church or chapel is the ideal setting. For special reasons — which vary from diocese to diocese — the local bishop can give permission for the marriage to be celebrated in another suitable place.

Youth Formation

Why are Small Groups Important?

Pope Francis states that young people are searching for deep spirituality and belonging but often fail to find responses to their concerns, needs, problems, and hurts in the usual structures. He calls adults to listen patiently to young people, appreciate their concerns, and speak to them in a language they understand (Evangelii Gaudium, 105). Jesus focused on a small group. Making disciples is very relational and time intensive. There needs to be a strong level of trust, communication, and support in order to create an environment for discipleship.

In a small group a teen can feel known, loved and cared for. A level of confidentiality can be achieved which gives teens the freedom to open up about their struggles and doubts. In a small group there is the greater possibility to catch the things that teens don't understand and have a discussion about it. In addition, the small group allows the leader to know their disciples well and thus be able to customize the topics of discussion that best reach those teens.

Everyday Stewardship *Recognize God in your Everyday Moments*

If Heaven were like Harvard

There's no getting around it: life on earth can seem easier if you're rich. Most of the bodily and material needs a person could have are fulfilled if you've got a little bit of money behind you. So why doesn't this same theory apply to entering the kingdom of Heaven? Why isn't Heaven like an Ivy League school, where a connection and a hasty tuition check might open a lot of doors?

When you think about it, the virtues required to enter Heaven — things like charity and justice and courage — should be even closer within the grasp of those who never had to worry about where their food is coming from. In theory, your capacity for good works should only increase with the resources at your disposal.

The same is true for stewardship potential. Let's say I've got a lot of talent. Maybe I've got a lot of free time. On paper, it should be easier for me to give freely of these gifts, because I have the luxury that eluded the widow and her two coins: I can see my ample gift being put into action, when so many can only offer what they have and remind themselves that God sees it and appreciates it. But here we get into the mess of humanity: if we have a lot of something, it means we have a lot of something we could use any way we want. And then we hear the whisper of the serpent: Think of what this (money, time, talent) could do for you. May we pray for God to give us the heart of the widow, no matter our resources.
