Parish Bulletin

October 24, 2021 | The 30th Sunday in Ordinary time

Fr. Pat Sullivan, Pastor

Our Parish Mission: *We, the faith community of Sacred Heart of Jesus Catholic Church, faithful to the teachings of the magisterium, are committed to forming Disciples of Christ by embracing Stewardship through Hospitality, Prayer, Formation and Service.*

5501 Monticello Road, Shawnee, KS 66226 • 913.422.5700 • FAX 913.422.5723 • www.shoj.org

WELCOME *We're So Glad You're Here*

God created humanity for greatness and calls each of us to continually grow in holiness. This is no small task and something we can't do on our own. So Jesus gave us the Church and its many treasures to guide us; providing a perfect road map to salvation. It's my prayer that everyone comes to know the truth of the gospel.

I want to take this opportunity to personally invite you to grow deeper in your faith, and allow myself, and the many other professionals and volunteers at SHOJ to assist you however we can; let's help each other get to heaven. You can't do it without the Church, and we can't do it without YOU.

Our doors are open to any and all who desire to hear the truth in a loving and peaceful setting. As a physician of souls, I care deeply about your well-being, and want to help you stay spiritually healthy. If it's been awhile since you've had a "checkup," come on in and we'll chat. If there's anything else we can do for you, please ask.

I look forward to ministering to you as your spiritual Father.

In Peace,
Fr. Pat Sullivan

October is Respect Life Month

“I, THE LORD, YOUR GOD, TEACH YOU WHAT IS FOR YOUR GOOD, AND LEAD YOU ON THE WAY YOU SHOULD GO.”

– Isaiah
48:17

In October, the Catholic Church in the United States celebrates Respect Life Month, and the first Sunday of October is designated as Respect Life Sunday. To support these annual observances, the USCCB Secretariat of Pro-Life Activities provides materials to help Catholics understand and value the gift of human life and help build a culture that cherishes and protects it. Each week we'll look at ways that we as Catholics, can help the Respect Life movement. This week, a story about adoption.

An Adoption Love Story

Read the full version at respectlifeprogram.org/adoption-love-story.

Having children and raising a family had always been our expectation. We soon learned, however, that our chances of becoming pregnant were small. It wasn't long before we started talking about the possibility of adoption. I wondered if my heart was big enough to love an adopted child as I would have loved a biological child. But with prayerful discernment, we decided to start the process. On Christmas Eve, Bill* and I left the hospital with Andrew. It didn't take long before there was no doubt in our minds that he was our son, the greatest gift from God! We can't imagine loving a child whom we conceived more than we love Andrew.

We can't imagine loving a child whom we conceived more than we love Andrew.

Formed.org Feature of the Week

A deeply inspiring documentary that reveals the miraculous power of the Rosary from incredible stories of how it saved nations and impacted history. A young American soldier was seriously injured in war. With his clenched fist, dirty with blood, he raised a Rosary. The true story of this photograph was an inspiration for the film directors to embark on a journey across four continents to investigate claims that the recitation of the Rosary can change the course of history.

Live the Liturgy *Inspiration for the Week*

“To fall in love with God is the greatest romance; to seek Him the greatest adventure; to find Him the greatest human achievement.” These words of St. Augustine are timeless. Every human being would certainly profit with wisdom if they realized Who calls them and to Whom they belong. There is only one way to satisfy the deepest longing of the human heart and that is in relationship with our Creator. When we seek God with true sincerity of heart and God passes us along our way, we will cry out, “Jesus, Son of David, have pity on me!” We will instinctively know that it is only our Divine Master who can restore our sight and heal us. The blind man fell in love with Jesus, embarked upon this life-saving adventure to reach him and achieved a goal many have only remotely thought possible. This is mercy in action. No matter how far we stray or how blind we become God patiently waits to console us, guide us, and heal us. All we need to do is desire Him with all our heart.

“BLESSED ARE THOSE WHO HUNGER AND THIRST FOR RIGHTEOUSNESS, FOR THEY WILL BE SATISFIED.”

– Matthew 5:6

Everyday Stewardship *Recognize God in your Everyday Moments*

Giving as God Does

Ask yourself this question — what would you pray for if you really believed God could and would do anything for you? In my experience, we all have something. We all have that miracle we're afraid to request, afraid we will be disappointed. Do we doubt God's readiness to give because we ourselves have such an imperfect understanding of charity and love? Maybe if we had better faith in God we would be more ready to give of ourselves — and maybe if we were more ready to give of ourselves, we would understand more clearly the ways of God. Because we're not really afraid that God can't do something. We know He can do anything. What we're afraid of is that He will do what He always does: give us what we need, not what we want. Have you ever had a friend in need and you just wanted to give them something — a meal, a phone call, a text? Not because you knew it would help, but simply because you wanted to reach out. And have they ever said to you: It wasn't so much what you gave, but the fact that you did. You gave them what they needed even if it wasn't what they specifically asked for.

When we give in this manner, we are giving as God does. Sometimes we are afraid to ask because we don't want to be disappointed. But remember, the blind man on the road got what he asked for, but he would have gotten what he needed even if his answer had been the opposite. God's generosity is always reckless, and it's always perfect.

Why do we do that?

Question: I have a friend who receives communion, but who I know for a fact is in a state of mortal sin. Should I tell our priest? Is it my responsibility to say something?

Answer:

While we may always want to do what is best for our friends and family members, we have a responsibility to respect their privacy and their conscience. In its reflections on the Eighth Commandment (“You shall not bear false witness against your neighbor”), the Catechism of the Catholic Church states, “Respect for the reputation of persons forbids every attitude and word likely to cause them unjust injury. [One] becomes guilty: -of rash judgment who, even tacitly, assumes as true, without sufficient foundation, the moral fault of a neighbor; -of detraction who, without objectively

valid reason, discloses another’s faults and failings to persons who do not know them; of calumny who, by remarks contrary to the truth, harms the reputation of others and gives occasion for false judgments concerning them” (no. 2477).

We will never truly know what is in a person’s mind, heart, and soul; only God knows those things. We should, of course, take our concerns to God and entrust the person about whom we are concerned to God’s grace and mercy. If we have concerns about the spiritual wellbeing of someone with whom we are close, we should go to the person themselves and talk about our fears and concerns. Unless it is a case of abuse or endangerment (which we have a moral and even legal responsibility to report to the appropriate authorities), we ultimately do not have the freedom to share another’s persons faults or sins, however good we think our intentions might be.
