Parish Bulletin

January 23, 2022 | 3rd Sunday in Ordinary Time

Fr. Pat Sullivan, Pastor

Our Parish Mission: *We, the faith community of Sacred Heart of Jesus Catholic Church, faithful to the teachings of the magisterium, are committed to forming Disciples of Christ by embracing Stewardship through Hospitality, Prayer, Formation and Service.*

5501 Monticello Road, Shawnee, KS 66226 • 913.422.5700 • FAX 913.422.5723 • www.shoj.org

WELCOME *We're So Glad You're Here*

God created humanity for greatness and calls each of us to continually grow in holiness. This is no small task and something we can't do on our own. So Jesus gave us the Church and its many treasures to guide us; providing a perfect road map to salvation. It's my prayer that everyone comes to know the truth of the gospel.

I want to take this opportunity to personally invite you to grow deeper in your faith, and allow myself, and the many other professionals and volunteers at SHOJ to assist you however we can; let's help each other get to heaven. You can't do it without the Church, and we can't do it without YOU.

Our doors are open to any and all who desire to hear the truth in a loving and peaceful setting. As a physician of souls, I care deeply about your well-being, and want to help you stay spiritually healthy. If it's been awhile since you've had a "checkup," come on in and we'll chat. If there's anything else we can do for you, please ask.

I look forward to ministering to you as your spiritual Father.

In Peace,
Fr. Pat Sullivan

Prayer

Reflect on the Word

First Reading: Ezra and Nehemiah were the religious and political leaders of Judah in the mid-5th century BC. They grounded their leadership in Scripture (“the book of the law.”) What role does sacred Scripture have in guiding your life

Second Reading: Paul used the human body as an analogy for the “many parts” of the Christian community in Corinth that should unite as the “one body” of Christ. In what ways do you find this a challenging vision for community?

Gospel: Today’s reading contains both the opening prologue to the Gospel of Luke and the initial reaction to Jesus’ return to his hometown of Nazareth. Luke is the only Evangelist to provide us with a prologue outlining his motivation to write his Gospel. What details do you find most interesting from Luke’s prologue?

Saint of the Week, St. Thomas Aquinas *Feast Day is January 28*

One of the most famous members of the Dominican Order, St. Thomas Aquinas (1225 – 1274) is well-known by many for his theological work, “The Summa Theologiae.” Born in Italy, his mother wanted him to become a Benedictine and had high hopes that he would eventually become abbot of Monte Cassino, where he spent much of his youth. To change his vocation, she had him kidnapped by his brothers on his way to Paris at the age of 19. He spent two years in their captivity. Despite this, nothing could shake him from his vocation to become a Dominican priest and he was eventually released. Once free, he went to Paris and then to Cologne, where he finished his studies with Albert the Great. His greatest contribution to the Catholic Church is his writings. The unity, harmony, and continuity of faith and reason, of revealed and natural human knowledge, encompasses his writings. The Summa Theologiae, his last and, unfortunately, uncompleted work, deals with the whole of Catholic theology. The patron saint of teachers, theologians and students, St. Thomas Aquinas died in 1274. His life and the impact he had on the whole Church, however, remains alive today.

Live the Liturgy

Inspiration for the Week

People can easily lose a sense of the sacred and transcendent. When we lose a sense of God's special presence, we need to be brought back. Ezra brought people back to the word of God and they realized what they were missing. Jesus proclaims God's word in the synagogue with true conviction and tells those gathered that he is the fulfillment of all that Isaiah taught. Even though people get lost, distracted, discouraged, and often journey down the wrong path, God's timeless law remains. When we allow ourselves to truly hear God's word and act on it, that living word slowly, over time, changes us. It has the power to soften and mold us, creating within us a joyful spirit. We realize the truth in what God speaks and become open to God's love. Gradually and gently God leads us back where we belong. We discover again the sacred character of life and the wonder of God's power. It is no wonder that Luke addresses his remarks to Theophilus. It is a name that means "beloved of God," a name that can be used by anyone who desires friendship with God.

"BLESSED ARE
THOSE WHO
HUNGER AND
THIRST FOR
RIGHTEOUS-
NESS, FOR
THEY WILL BE
SATISFIED."

Formed Feature of the Week for Parents

Pass It On is a series of presentations for parents who want to equip their children well for their life's journey. Through 15 presentations, the authors, speakers, and experts in their respective fields offer their wisdom and experience to encourage and challenge parents as they wrestle with what they should be putting into their children's backpacks. Each episode is filled with practical suggestions and helpful insights for moms and dads who want to hand on the faith to their children.

These presentations are perfect for individuals to watch and listen to for daily encouragement. They are also great for couples who want to grow in clarity and unity as they embrace their parenting role together. These sessions also make an excellent springboard for group discussion and sharing, allowing parents to learn from the experiences of other parents. Each presentation can stand on its own with very little preparation. The Pass It On series can easily be used by moms or parent groups, in home or parish settings. A downloadable discussion guide for the series is available. Each presentation is about 20 minutes in length.

Find it at shoj.formed.org or download the app!

Everyday Stewardship *Recognize God in your Everyday Moments*

Plant your works in the Word

One of the things about Scripture is that even the smallest word and shortest phrase can be critical to the overall message. When you take a quiet moment to rest with the Word, you find how quickly the most mundane sentence can reach out and grab you, pulling you into a deeper contemplation of some truth you hadn't even considered until then. But we often fail to act as the Israelites in the Book of Nehemiah, standing before the Water Gate "listening attentively." Whether it's at Mass during the Liturgy of the Word or at home poring over the Bible, time after time we find ourselves less mindful than we could be. Our ears accept the sounds of the words and our eyes glance over the shape of the letters. But are we mindful — truly?

The best answer is hopefully at least sometimes. There are always tasks to be completed, problems weighing on our minds that we can't quite give over to God. We lose ourselves in these things instead of in Scripture. We "clock in" with Bible reading instead of "diving in." We can never forget that the words of the Lord are spirit and life. They are the soil that quickens the seed of all stewardship. There is no mindfulness, no prayer, no graciousness, no gratitude or accountability or sense of commitment unless there is the Word. So let us pray today for mindfulness, that our every action will be grounded in the law of God — giving it true spirit and life.

Why do we do that?

Catholic Life Explained

Question: Is it right to sue someone? Isn't it a way of getting revenge?

Answer: Revenge is inflicting harm for harm's sake, the idea of an eye for an eye, a tooth for a tooth, and then some. There is often a fine line between justice and mercy, between compensation and forgiveness. Unfortunately, things can happen to us that cause harm, suffering, and damage, regardless of people's intentions. When someone is hurt, especially in such a way that special care or treatment is required, the cost of that care needs to be paid.

In a perfect world, those with special needs, handicaps, or disabilities would find the help and care they need, including those who are injured or hurt. But justice is not always forthcoming, and people are

not always fair. So, using the legal system to right a wrong is sometimes the only option.

In some cases, it is the only way that people can get the help they need and deserve. However, frivolous lawsuits, or 'fishing for money' is not only unfair, but immoral as well. The law is there to protect people and making use of it when necessary is a good thing.
