## We're so glad you're here!

God created humanity for greatness and calls each of us to continually grow in holiness. This is no small task and something we can't do on our own. So Jesus gave us the Church and its many treasures to guide us; providing a perfect road map to salvation. It's my prayer that everyone comes to know the truth of the gospel.

I want to take this opportunity to personally invite you to grow deeper in your faith, and allow myself, and the many other professionals and volunteers at SHOJ to assist you however we can; let's help each other get to heaven. You can't do it without the Church, and we can't do it without YOU.

Our doors are open to any and all who desire to hear the truth in a loving and peaceful setting. As a physician of souls, I care deeply about your well-being, and want to help you stay spiritually healthy. If it's been awhile since you've had a "checkup," come on in and we'll chat. If there's anything else we can do for you, please ask.

I look forward to ministering to you as your spiritual Father.

In Peace,  
Fr. Pat Sullivan

## Debi's Experience - Returning to the Church through RCIA

### 1. What brought you to RCIA?

I am a cradle Catholic but I fell away from the church about 12 years ago. After that time we moved away from Kansas and I got caught up in the material things of the world. I wanted bigger, better, fancier, and more expensive things. After living in Alaska and Germany, we moved back to Shawnee, Kansas. This was a new unfamiliar area for me. One evening, not long after we moved here, I got lost on the highway. As I tried to change lanes, I almost ran into a semi and swerved almost hitting a SUV on my other side. The wreck would have been catastrophic. Shaking and crying I thanked God for sparing my life and keeping me and the other drivers safe. I clearly heard a voice reply, “It is not yet your time.” I found my way home not knowing what to think about the voice I heard talking to me. From that moment on I felt an extremely strong pull back to the church. I knew we had just moved down the street from a Catholic Church. I walked in one Sunday and there were a few ladies in the back of the church and I started speaking with them about wanting to return to the Church and they said they would get me in touch with Char and recommended that I go to RCIA. Char responded right away and I signed up.

### 2. What was your experience through this year's RCIA process?

I always felt that my religious education was inadequate. I didn't really know much about what it was to be Catholic. My parents weren't involved in my CCD classes at all. I felt very lost and uncertain of what to expect. I really wanted to learn. The two churches we attended before we left Kansas were not very welcoming or accepting. I was so happy and thrilled once RCIA classes started and the information we were given was more than I ever thought I would receive. Char and Deacon Nichols had a wealth of information to share and their enthusiasm was contagious. It was the best decision I have ever made for my spiritual life!

### 3. What was your biggest surprise/Aha moment about the Catholic Church?

There were so many Aha! moments. My biggest surprise was finally understanding what it meant to put God first before everything else and that I had actually started to do just that! I never understood it before RCIA. I would just sort of roll my eyes, thinking that was ridiculous because I had a husband and kids, that come first not God. As my faith and understanding has deepened, I realize just how short sighted and wrong I was. My strong love of God, Mary, and the Church has only made my family more complete, more whole.

## 4. What would you say to someone who is considering joining or returning to the Catholic faith through the RCIA process?

I would strongly recommend the RCIA process at Sacred Heart of Jesus Church for any returning Catholic!! Char, Deacon, Fr. Pat and everyone at SHOJ was so welcoming and accepting. I was embarrassed of how far I had fallen away and of how little I knew of being a Catholic but everyone was happy for me to be there and that I was coming back into the church. They are there to help you and guide you on your way. The whole process from the first class, and even after the last class, was amazing. I love seeing everyone from the classes in Church, weekdays and on Sundays. I am a new person and my life is forever changed!

Contact Char Mies, Adult Retreat & RCIA Coordinator at 913-422-5700 ext. 241 for more information about RCIA and becoming Catholic.

## Live the Liturgy *Inspiration for the Week*

Life can leave us feeling very distracted and detached. Perhaps this is why many people seek things that make them “feel good,” wrongly believing those things actually provide a sense of meaning and purpose. In truth, they are simply more distractions. When we discover real silence, we can realize that the stirrings and impulses in our hearts desiring connection, meaning, and purpose are really God desperately trying to pull us toward His Divine Heart. Once we submit to God’s pull, we are led to the beauty of God’s presence. This holy presence carries us to the heights of mountains, the vastness of ocean depths, the beginning of things and their end, and the majesty of universal wonder. We meet the Father. Then, gently carried to the tenderness of compassion, love, mercy, and forgiveness we touch the innocence and vulnerability of life. We see the poor and those who are broken. We meet the Son. Finally, we are directed toward the seasons that change, the ebb and flow of life, the inspirations that surprise, and the wonder, awe, and joy of life. We embrace the Holy Spirit.

“BLESSED ARE  
THOSE WHO  
HUNGER AND  
THIRST FOR  
RIGHTEOUS-  
NESS, FOR  
THEY WILL BE  
SATISFIED.”

– Matthew  
5:6

## Fiscal Year Closing - Financial Updates

As our fiscal year comes to a close (July 1 – June 30), we wanted to share with you our new weekly tithing need beginning July 1, 2022.

Although we would like to say that we would never increase our weekly tithing budget each year that statement would never be true. As church – just like your own family experiences – each year our costs increase to maintain our campus and all of the parish ministries and programs that we offer. But, what we do in earnest, is to utilize every stewardship dollar to the fullest potential.

We started this fiscal year with significant drops in tithing levels but throughout this fiscal year we also made significant gains in tithing and we are projected to end about 97% of our tithing budget. Also, we have not overspent. In fact, we are projected to be under by 3% of our expense budget.

We realize that every parish member is feeling the effects of inflation over the past several months. With this in mind, beginning July 1, 2022, our weekly tithing budget will be \$52,000, an increase of 2% over the current tithing budget. We feel this is a very nominal increase and we continue to pray that we will completely close our tithing gap this year by sacrificial giving of all of our parish families. Jesus I trust in You!

Later this summer, we will share with the parish a more comprehensive Year End Report highlighting all of our parish activities and financials over this past fiscal year.

**Thank you for supporting our parish as we continue to bring our parish family closer in relationship to Christ!**
