They were exceedingly astonished and said among themselves, "Then who can be saved?" Jesus looked at them and said, "For human beings it is impossible, but not for God. All things are possible for God."

St. Mary of the Lake Mission Statement

We are a JOYFUL and WELCOMING Catholic community centered in the Eucharist--forming disciples who KNOW, FOLLOW and go forth to SHARE Jesus Christ.

Know, Follow, Share Jesus

Synod Week 4

Topic A: Liturgy and the Sunday experience

Topic B: Sharing the Gospel in word and deed

Join other parishioners at the next session, Wednesday October 13. Choose between the 2:00 or 6:30 PM session and plan for a time of prayer, reflection, and fellowship. Last week, Archbishop Hebda attended and shared that every week is a new topic, so it is easy to come for any of them even if you have not attended a session previously. The 6 sessions lead us through the focus areas using Church teaching and doctrine, faith stories and scripture readings. Then we break into small groups to discuss our own ideas and provide feedback for the Archbishop.

Please consider participating in the Synod sessions.
Here is a list of the final 2 sessions:

No meetings on October 20 due to MEA.

October 27 **Topic A:** Parents as primary educators (birth to adult)
 Topic B: Helping the young encounter Jesus (birth- grade 6)

November 3 **Topic A:** Youth ministry (grades 6-12)
 Topic B: Young adult ministry (ages 18-35)

Saint of the Week

St. Teresa of Avila (1515-1582) was a Spanish Carmelite nun who lived in the 16th century. She was a mystic and author of spiritual writings and poems. The originator of the Carmelite Reform, she founded numerous convents throughout Spain and restored a contemplative life to the order. She became well known for her mystical experiences, many of which she described in her autobiography.

The first of only four women to be named a Doctor of the Church, St. Teresa's ascetic doctrine and Carmelite reforms shaped Roman Catholic contemplative life, and her writings on the Christian soul's journey to God are considered works of art. Her writings, especially the "Way of Perfection" and "The Interior Castle," have helped generations of believers.

St. Teresa of Avila died on October 15, 1582. She was canonized on March 22, 1622, along with three of her greatest contemporaries: St. Ignatius Loyola, St. Francis Xavier and St. Philip Neri.

Reflection "Today, the word "service" appears a bit hackneyed, worn out by use... To serve is not a courteous expression... Therefore, if we want to follow Jesus, we must follow the path he himself traced out, the path of service. Our fidelity to the Lord depends on our willingness to serve. And we know this often costs, because "it tastes like a cross." But, as our care and availability toward others grows, we become freer inside, more like Jesus. The more we serve, the more we are aware of God's presence." ~Pope Francis

October is Respect Life Month and Domestic Violence Awareness Month

As I noted in last weekend's homily, October is Respect Life month in the Church and Domestic Violence Awareness month in the country. Domestic violence can happen to anyone regardless of race, age, sexual orientation, religion, or gender. Domestic violence affects people of all socioeconomic backgrounds and education levels. Domestic violence occurs in both opposite-sex and same-sex relationships and can happen to intimate partners who are married, living together, or dating. Domestic violence not only affects those who are abused, but also has a substantial effect on family members, friends, co-workers, other witnesses and the community at large. Children who grow up witnessing domestic violence are among those seriously affected by this crime. Frequent exposure to violence in the home not only predisposes children to numerous social and physical problems, but also teaches them that violence is a normal way of life, therefore increasing their risk of becoming society's next generation of victims and abusers. Here are some of the common warning signs of abuse (National Domestic Violence Hotline website):

- Telling you that you never do anything right.
- Showing extreme jealousy of your friends or time spent away from them.
- Preventing or discouraging you from spending time with friends, family members, or peers.
- Insulting, demeaning, or shaming you, especially in front of other people.
- Preventing you from making your own decisions, including about working or attending school.
- Controlling finances in the household without discussion, including taking your money or refusing to provide money for necessary expenses.
- Pressuring you to have sex or perform sexual acts you're not comfortable with.
- Pressuring you to use drugs or alcohol.
- Intimidating you through threatening looks or actions.
- Insulting your parenting or threatening to harm or take away your children or pets.
- Intimidating you with weapons like guns, knives, bats, or mace.
- Destroying your belongings or your home.

If you are in violent situation, immediately get yourself and your children to a safe place and call 911 or the 24-hour domestic violence hotline at 651-770-0777.

During the month of October, I ask you to pray for an end to all violence, especially violence in our homes.

Peace, Fr. Talbot

WELCOME DESK

Are you friendly and outgoing? Are you eager to help parishioners get more involved or welcome new parishioners to St. Mary's? We need volunteers to staff the Welcome Desk before and after Masses. Contact Mary Beth Jambor if you are interested.

WEEKEND MASSES

New data suggests that an emerging variant, the Delta variant, is different than past versions of the virus and spreads about twice as easily from one person to another. With the Delta variant, fully vaccinated people may be able to pass the disease to others. However, the vaccines still work. Fully vaccinated people are less likely to get infected, and if a vaccinated person gets infected, the illness will likely be mild. The vaccine also greatly reduces the chance of hospitalization and death.

Because the Delta variant of COVID-19 is shown to spread more easily, **the MDH and CDC recommend everyone, both fully vaccinated and unvaccinated, wear a mask in public, indoor settings in areas with substantial or high transmission.** Since Ramsey County is an area of substantial and increasing transmission, wearing a mask at Mass is recommended. If you want to attend Mass and you are not ready to be in a crowd, please see an usher and we will find a place for you to sit.

APPALACHIA CHRISTMAS

St. Mary's will be sending a monetary donation to the four parishes in Kentucky. We will **NOT** be collecting items here at the church. However, if you would like to donate a Christmas item you can drop it off at St. Pius at door A. The semi truck leaves Minnesota mid-November to bring these gifts to Kentucky. We received this from Father Adams, pastor at St. Francis of Assisi Church in Pikeville:

"The COVID-19 pandemic has been difficult for the whole world, but it has harmed the people of Appalachia in a particular way. And yet, as we look back at this past Christmas Season, we realize how truly blessed we are. With your help again this year, in spite of the pandemic, we were able to minister to many families in need in the heart of Appalachia in eastern Kentucky. Even though the economy remains depressed and the needs are great, the people are grateful for all of God's blessings and especially for the generosity of our benefactors."

**Enduring Faith: The Story of Native American Catholics**

Available for all to watch at koofc.org/enduringfaith. Indigenous communities across North America have a rich and vibrant testimony to share – both past and present – including the witness of their faith. This documentary film on the faith, perseverance and inspiring example of Indigenous Peoples across North America dives deep into the rich contribution of Native Americans in the tapestry of the Catholic faith. Produced by the Knights of Columbus as part of its Faith Formation and Native Solidarity initiatives, the 60-minute documentary offers a missing piece to the greater story of Catholicism on the continent and a beautiful example of how Christ reveals himself through the uniqueness of every culture.
