WWW.SAINTROSEOFLIMA.NET

This is what John the Baptist proclaimed: “One mightier than I is coming after me. I am not worthy to stoop and loosen the thongs of his sandals. I have baptized you with water; he will baptize you with the Holy Spirit.”
- Mk 1:7-8

JANUARY 10, 2021—THE BAPTISM OF THE LORD

SAINT ROSE OF LIMA MISSION STATEMENT

Glorify God. Follow Jesus.

Love one another. Invite everyone.

FROM OUR PASTOR

Brothers and Sisters,

Recently I preached about the need for families to defend themselves against alcohol and drugs, including the “new drug” that is pornography. What used to be a relatively challenging product to obtain just twenty years ago has now transformed into one of the most widespread and devastating plagues of the modern internet-connected world. Anonymity, accessibility, and affordability have removed the throttle limits that previously narrowed pornography addiction.

Here are three myths about pornography:

Myth: Porn doesn't hurt anyone. **Fact:** Pornography trains the mind and heart to treat human relationships as ways to use others without the need for love, responsibility, or sacrifice. If repetition is the mother of learning, then the ongoing use of porn teaches the user to consume and discard the bodies of others. Second, the porn industry, whose revenues rivals the entire cinema industry in the U.S., is a massive network that encourages and enables human trafficking – also known as modern day slavery. Finally, pornography hurts marriages; its use is cited in the majority of divorce proceedings.

Myth: Porn isn't a real addiction. **Fact:** Pornography's effects on the brain are similar to cocaine and meth use, and the cycle of obsession, ritualization, use, release, and withdrawal recounted by porn addicts is the same pattern described by substance abuse addicts.

Myth: Porn addicts can beat porn all on their own. **Fact:** People struggling with pornography need the help of others – first of all, our Lord Jesus Christ, and secondly, faithful friends and disciples. The single worst error an addict can make it to stay isolated, hidden, and alone. There is pain in revealing one's secrets, but it is a pain that saves – like a doctor setting a broken bone into place.

There are some important ways that we as disciples of Jesus can defend our families and be healers for those wounded by pornography.

1. All of us can destigmatize talking about porn and porn use through conversation. If no one wants to talk about the problem, the problem just gets worse.
2. All of us can educate ourselves and others about porn's effects and ways to recover from porn addiction. Check out FIGHTTHENEWDROG.ORG and STRIVE21.COM
3. Parents can set up accountability and boundaries for their kids' internet use with technologies like Covenant Eyes (COVENANTEYES.COM) and setting parental restrictions on their kids' digital devices.

Those who suffer from compulsion or addiction to porn should turn frequently to the sacraments of Confession and Holy Communion for strength to fight the good fight. They need to develop a habit of daily prayer and find support through friends or accountability groups. Those who aren't sure where to begin can start with JOINFORTIFY.ORG or SA.ORG.

Today we celebrate the Baptism of the Lord, when Jesus entered the Jordan River and was immersed into its waters, hearing the Father's voice: “You are my beloved son.” God desires to cleanse us from our sins, and, no matter how numerous they are, they are nothing compared to the Father's love for his sons and daughters.

In the love of Christ,

Father Marc Paveglia

Pastor

OUR PEOPLE - GIVING BACK

Long-time parishioner Azela Giese always looked forward to the holidays and other special occasions celebrated at Saint Rose. That's because for more than three decades she was a member of the Art and Environment team.

"It was with great purpose and pleasure that I took on the responsibility of creating new designs and helping volunteers decorate the church for every season of the year," she says.

Azela was encouraged to join the committee by Lianne Anderson, Diane Kretsch and the late Carol Brown. "I was honored to work with them, and others, in helping to come up with an appropriate design that was familiar, vibrant and inspiring. It was an enjoyable time for all of us and spiritually fulfilling."

In conjunction with Lianne, Azela also made the white satin rose displayed before the altar on the feast day of Saint Rose of Lima, the parish's patron saint. People have commented on the peace and serenity that the rose emanates and how it adds so much to that special day

While she was very happy to be a part of the art and environment team, Azela says she was especially blessed to be a Eucharistic minister for several decades. "The sharing of Christ with all who come up to receive Communion is truly special," she says. "It is truly a grace for all who receive."

Azela was also an altar server at funerals and a member of the welcoming committee.

Other things to know about Azela:

- She was born and raised Catholic in Bagley, Minn., in the northwestern part of the state. Azela graduated with business degrees from the University of St. Catherine (B.A.) and Cardinal Stritch University (M.A.) in Milwaukee.
- She worked in occupational therapy for 40 years at the University of St. Catherine. She was also an intern at Gillette Children's Hospital and the Veterans Administration Hospital. "It was a very satisfying career in that I was able to help people make the most of their lives."
- Her hobbies include reading, walking in the neighborhood, doing jigsaw puzzles, gardening and cooking.

Because of the effects of COVID at this time, there are many families that struggle with food in our community. As parishioners, we would like to help "a Family in Need" in our local area. This would be a food drop off to help supplement a family with groceries. This will be a parish project. If you could help us with this need, we are only asking for ONE food item a month. Please email one of us below and we will get back to you to confirm the item and we can let you know where to drop off your item.

We are also seeking a couple people to help with food delivery for this once a month effort. Thank you!

FAITH FORMATION

Religious Education Classes in the New Year

The Religious Education Coordinators have been closely following Roseville Schools in-person teaching transition plans. It appears that Roseville Elementary Students, Grades K-1, start in-person classes four days a week, beginning on January 26 and progressing grade-by-grade for several weeks.

Therefore, we will resume our Sunday morning Preschool through First Grade religion classes on February 7.

At this time, Confirmation will live-stream through most of January. Maria will contact parents regarding the January 31 class and beyond.

In addition, Wednesday Religious Education Classes will live-stream through January.

Note: An emailed survey was sent to parents on December 29, asking for their safety preference input. If encouraged by most parents, in-person learning could begin by early February.

As soon as we have more data gathered, we will share our plan.

Together in Christ,
The Saint Rose Religious Education Staff

Art & Environment:

Helpers needed January 10 at 11:15 a.m. to change decorations from Christmas to ordinary time/winter. Masks are required; there is plenty of space to spread out given the many parts of the Church where work will be happening.

Enrollment for 2021-2022 Opening Soon and Kindergarten Tuition Discount!

If you are interested in enrolling a child in our faith-filled school, please note that we will be opening enrollment to new families earlier than usual this January. Our currently enrolled families are enrolling their children through January 15, and then we will be able to accept online enrollments on a first-come, first-served basis for the upcoming school year. However, we want to ensure that if social distancing needs to continue on campus next fall, we are still able to provide some of the same safety measures we currently have in place, which will affect our class sizes. Saint Rose School continues to grow, and for the first time in many years, we are navigating enrollment at capacity. Our goal is that we have a spot for each and every new family that wants to join our community! This spring/summer, we will assess the pandemic situation to make final decisions on class sizes, waiting lists, etc.

Kindergarten discount!

All kindergarten students enrolled by January 31 are entitled to a \$150 tuition credit from the Catholic Schools Center of Excellence (CSCOE)! To learn more about our school, please go to MYSAINTROSE.NET>PROSPECTIVE FAMILIES. Online enrollment will be available on the site as of Tuesday, January 19 at 9:00am. If you would like to schedule a tour of our school, please complete the request form on the website. We are excited to bring even more children to the Lord and grow our school next Fall!
