

A Message From Our Pastor, Fr. Peter

There are Saints in our Land!

This past week, the Church celebrated the Feast Day of **Saint Elizabeth Ann Seton** on January 4th. She is the first native- born American to be canonized by the Church. Perhaps you are familiar with her inspiring life and sanctity, but here is a brief overview from Catholic online:

“Born two years before the American Revolution, Elizabeth grew up in the upper class of New York society. She was a prolific reader, and read everything from the Bible to contemporary novels. In spite of her high society background, Elizabeth’s early life was quiet, simple, and often lonely. As she grew a little older, the Bible was to become her continual instruction, support and comfort-and she would continue to love the Scriptures for the rest of her life.

In 1794, Elizabeth married the wealthy young William Seton, with whom she was deeply in love. The first years of their marriage were happy and prosperous. This time of Elizabeth’s life was to be a brief moment of earthly happiness before the many deaths and partings she was to suffer. Within four years, William’s father died, leaving the young couple in charge of William’s seven half-brothers and sisters, as well as the family’s importing business. Events moved quickly from there with devastating effect. Both William’s business and health failed. He was finally forced to file a petition of bankruptcy and, in a final attempt to save William’s health, the Setons sailed for Italy, where William had business friends. Unfortunately, William died of tuberculosis while in Italy. Elizabeth’s one consolation was that he had recently awakened to the things of God.

Continued from page 1 ~

The many enforced separations from dear ones by death and distance served to draw Elizabeth's heart to God and eternity. The accepting and embracing of God's will - "The Will," as she called it - would be a keynote in her spiritual life. Elizabeth's deep concern for the spiritual welfare of her family and friends eventually led her into the Catholic Church. In Italy, Elizabeth captivated everyone by her kindness, patience, good sense, wit, and courtesy. During this time Elizabeth became interested in the Catholic Faith and, over a period of months, her Italian friends guided her in Catholic instruction. Elizabeth's desire for the Bread of Life was to be a strong force leading her to the Catholic Church..."

All the good she would go on to do – founding a religious community, establishing the first free Catholic school in America, founding two orphanages, and witnessing in every day life to the joy of a life given to Christ – began with encounter with the Real Presence of Jesus in the Holy Eucharist. In one letter she wrote, "My sister dear, how happy would we be if we believed what these dear souls believe, that they possess God in the Sacrament and that he remains in their churches and is carried to them when they are sick."

As we prepare to begin Perpetual Eucharistic Adoration as a parish, I wanted to share with you some inspiring words from St. Elizabeth Ann Seton. May we be given a share of her faith and wonder at the Real Presence of Jesus who comes to be our true treasure and our source of peace:

My Savior, my Jesus, hide me, shelter me. Shelter the shuddering, trembling would that lays itself in your hand. Yes, again I begin, Oh give me that clean heart, give me your Spirit. Oh my God, how short may be my time; help me, draw me on. How much of my day is past I know not. Save me, let not the night overtake. Blessed saints of God, pray for the wandering weary soul who has stayed so far behind. You have reached the summit, pray for me.

There is a mystery, the greatest of all mysteries: not that my adored Lord is in the Blessed Sacrament of the Altar – his word has said it, and what is so simple as to take that word which is truth itself? – but that souls of his own creation, whom he gave his life to save, should remain blind, insensible. He has given the free, the bounteous heavenly gift [so that we] shall approach his true and holy sanctuary, taste the sweetness of his presence, feed on the Bread of Angels. My poor soul is lost in wonder at his forbearing mercy.

Jesus then is there. We can go receive Him. He is our own. That he is there is as certainly true as that the Bread removes my pain, my cares, and warms, cheers, soothes, contents, and renews my whole being. Merciful God, I do possess you. Kindest, tenderest, dearest friend, every affliction of my nature absorbed in you is still active, nay, perfected in their operations through your refining love. Hush my soul, we cannot speak it, tongues of Angels could not express our treasure of peace and contentment in him. Let us always whisper his name of love as the antidote to all discord that surrounds us. The harmony of heaven begins, while silent from all the world, we again and again repeat it – Jesus, Jesus, Jesus, Jesus, Jesus."

Peace in Christ,

Fr. Peter Williams

Music Ministry ~ Thank you!

THANK YOU!

With grateful hearts, we send a sincere thank you to all who had a hand in making the Christmas season so beautiful – music ministers in the Children's and Adult choirs, video and sound technicians, lectors, Extraordinary Ministers of Holy Communion, ushers, altar servers, sacristans, environment volunteers, church staff, and anyone we might have missed. You all served the Saint Ambrose community with grace and joy. Thank you so much.

As the Christmas season concludes, we invite anyone who would like a **RED** poinsettia to take one home after the 5:00 pm Mass this **Sunday, January 9th**. We will leave the white poinsettias for a few more weeks of Ordinary Time.

Keep in mind that new members are always welcome in the music ministries: adult choir for singers high school and older, and children's choir for students 3rd to 8th grade. We welcome instrumental talent as well.
