

A Message From Deacon John Vomastek

When I Was Being Made in Secret

One of my favorite Psalms in the Bible is Psalm 139. It speaks to me of God's creating love and knowledge of each one of us as a person. There is a part of the Psalm I would like to share with you, the part in which the psalmist is speaking to God about God creating him. He writes:

For thou didst form my inward parts, thou didst knit me together in my mother's womb. I praise thee, for thou art fearful and wonderful.

Wonderful are thy works! Thou knowest me right well: my frame was not hidden from thee, when I was being made in secret, intricately wrought in the depths of the earth.

Thy eyes beheld my unformed substance; in thy book were written, every one of them, the days that were formed for me, when as yet there was none of them.

On January 22nd, we again will mark the Supreme Court decision of Roe v. Wade, legalizing abortion in this country. I thought as I was writing this article that perhaps I shouldn't use this forum to shock anyone, but the more I thought about it, the more I think we need to be shocked. In 2017 (the last year of the Guttmacher Institutes findings), it was reported that over 862,000 abortions took place in this country alone. I had to check the data several times; I simply couldn't believe it: 862,000 innocent, defenseless lives.

The Catechism of the Catholic Church states: "Since the first century the Church has affirmed the moral evil of every procured abortion. This teaching has not changed and remains unchangeable. Direct abortion, that is to say, abortion willed either as an end or a means, is gravely contrary to the moral law" (CCC 2271).

The United States Conference of Catholic Bishops states the following: "Given the scientific fact that a human life begins at conception, the only moral norm needed to understand the Church's opposition to abortion is the principle that each and every human life has inherent dignity, and thus must be treated with the respect due to a human person."

We, as a parish, stand united in the fight for human life, each and every life. We contribute directly to two organizations that offer an alternative to abortion to women who might be considering it. These two organizations: Woodbury Options for Women and Options East, both try to do everything they can to preserve life, to offer help for the mother to make a choice to keep their child and to provide help and support to those mothers and their families.

Did you know that many large companies have company matching funds for their employees to designate? 3M, Ameriprise Financial, Progressive Insurance, General Mills, and others all have matching funds programs.

In some cases, the company rules do not allow matches to be made directly to a church or house of worship, but they can be made to a school or other non-religious focused area. Saint Ambrose School is a great place to direct these funds if you have the opportunity.

Your company may have a volunteer match for hours volunteered as well. If you volunteer at Saint Ambrose or Saint Ambrose Catholic School, check with your employer and see if these volunteer hours qualify for a match. What could be a better way to increase the impact of your gift than by making it larger.

Since 2022 has just started, please consider Saint Ambrose or Saint Ambrose School for your company match donation. Until next time.

Tom Schisler, Director of Stewardship & Advancement

We have parish members working with Woodbury Options for Women on their Board of Directors, including myself, who are helping with a variety of work. Also, all of the proceeds from Our Lady of Peace bookstore go to help in these efforts to protect life.

We also have a prayer group dedicated to praying for life here at Saint Ambrose. In addition, our school is involved with art projects supporting life, and so much more. But we can do more. We can never let our efforts wane, we can never stop. Let us entrust all of it to Mary, she being a mother, our Mother.

As we heard in the Psalm: *Thy eyes beheld my unformed substance; in thy book were written, every one of them, the days that were formed for me, when as yet there was none of them.*

In Christ,

Deacon John Vomastek

There was a wedding at Cana in Galilee, and the mother of Jesus was there. Jesus and his disciples were also invited to the wedding. When the wine ran short, the mother of Jesus said to him, "They have no wine."
