IN ORDINARY TIME

When the people in the synagogue heard this, they were all filled with fury. But Jesus passed through the midst of them and went away. - Lk 4:28, 30

A MESSAGE FROM OUR PASTOR

During the month of January, the gift of life and Catholic schools are a couple things that come to mind.

On January 22, 1973, *Roe v. Wade* effectively legalized abortion in our country. Since then, millions of abortions have taken place. This is gravely wrong. Each life is sacred, from the child in the womb to the elderly person who needs extra care. As Catholics we must continue to pray that each life is safeguarded and do what we can to overturn *Roe v. Wade*. Life is truly a gift. There are times when people find themselves in difficult circumstances. As brothers and sisters in the Lord, we must do what we can to serve one another, while always reverencing the gift of life. As Catholics we should do our part to support organizations and programs that are working to celebrate, support, and defend life from conception to natural death. For people who live with the guilt of being a part of an abortion, know that God is merciful and there are resources available to help you to know God's love, like Rachel's Vineyard. Please check out these resources. The Church also cares about your life. Let us do our part to create a culture of life.

I look forward each year to the last week of January, when we observe National Catholic Schools Week (January 30-February 5). As a parish, we recognize the value of Catholic education and support our families and school in educating our young people so they can reach their full potential. We acknowledge the vital role of the school faculty, staff and volunteers in this effort. We celebrate our students as they learn about their faith and the skills they need in the 21st century. Most of all they learn the importance of spreading the Gospel and being a disciple of Christ. This year's theme - "Catholic Schools: Faith. Excellence. Service." - focuses on the core of Catholic education. Schools are not only communities themselves, but they are also part of larger communities, including St. Joseph and St. Augustine parishes; Grand Rapids and Cohasset; and our nation. As a parish, we support our school through prayer and resources, and the school, in turn, collaborates with families to develop our children into future model leaders and Christ-centered citizens. Our Catholic schools are part of our future as a Church and a nation. May God bless them and all who contribute to the important work they do on behalf of the children of our parish and parishes across the diocese and across the country.

May the peace of the Lord be with you always.

Fr. Blake

SCHOOL NEWS

THANK YOU to those who donated, prayed and supported our Challenge Grant – St. Joseph’s School Annual Fund appeal. Not only did we reach our goal, but we exceeded it. We are excited to report that the total amount raised through December 31st was over \$85,000. We have received our matching grant from the Schulze Family Foundation for \$25,000 bringing our school total to more than \$110,000 raised! The AMIRA Reading program as well as STEM lab materials will create opportunities for our students and teachers to further meet the needs of the children and form students with strong academics. We are humbled by your willingness to invest in the work we do here at St. Joseph’s School.

Additionally, Duluth Diocese Catholic Schools met their goal for their Challenge grant from the Schulze Family Foundation. Some of the dollars raised will be used at St. Joseph’s School for teacher and principal training. We have much to be thankful for.

On behalf of the Office of Catholic Schools and the Diocese of Duluth, thank you for your generous gifts to the Schulze Family Foundation Matching Grant fundraiser. We reached our goal and will now be blessed with \$100,00.00 for resources to benefit our Catholic school students and staff! The innovative plans we have for the schools will be impactful beyond any projects we have done in the past. Your generosity strengthens our academic programs and empowers our efforts for evangelizing for discipleship. Most importantly, our mission aims to invite more families to consider the gift of a Catholic education. May the Lord’s great love bless you this Christmas and in the new year.

If you have a child who will be ready in the fall of 2022 for Kindergarten (age 5 by Sept.1), or Preschool (age 4 by Sept. 1), please come to our office to pick up pre-registration materials. It is a good idea to register early to reserve a spot for your child as our class sizes are limited.

We welcome visitors to our school and classrooms to see what wonderful learning is happening here.
