# ST. JAMES PARISH/ SCHOOL AND AREA NEWS

## Fr. Rich's Ramblings

With Memorial Day last week the unofficial start of summer is behind us, and with school letting out this next week it will mean that parish life slows way down. Because of this we are going to start something new here at St. James and St. Elizabeth. From now until Labor Day weekend we will have an every other week bulletin. I know this has not been the practice here, but many parishes in our area do this for the summer months because there is such a slow down in parish life. I am sure you will miss my witty ramblings every week, but we will make it through this together! This will allow Sam, our parish secretary, more opportunity to play solitaire on Monday and Tuesday mornings and will save a few trees in the process, so it is all good. (The solitaire thing is a joke).

Another change to notice in this bulletin is the Yearly Budget vs. Year to Date Collected under Stewardship. This will be included in bulletins moving forward to help us see where we are financially. The fiscal calendar is not based on a regular calendar year, rather it begins on July 1st which would mean in this year's financial report we are currently approximately \$75,000 shy of the year's budget, which ends on June 30th.

Since this is the bulletin for the next two weeks I want to remind and encourage you again to make use of the envelopes in the pews to help us with our UCA goal; please, please be generous with this as it is something as a parish does need to accomplish. Thank you in advance!

*Fr Rich*
