20TH SUNDAY IN ORDINARY TIME

"There is a baptism with which I must be baptized, and how great is my anguish until it is accomplished! Do you think that I have come to establish peace on the earth? No, I tell you, but rather division. From now on a household of five will be divided, three against two and two against three." - Lk 12:50-52

Today, Jesus said to his disciples:

"I have come to set the earth on fire, and how I wish it were already blazing!" Looking at a fire, what do we notice? Fire is an essential element in life. Fire can bring us light, but it also brings destruction and death. The light of fire can dispel darkness. The heat of the fire will warm us in a cold temperature. A burning flame can burn down everything.

Jesus setting the earth on fire is to preach the Good News and to enlighten those who were still sitting in darkness, and the shadow of death. The heat of fire will warm all those trusting in Him and will burn away all the sins of humankind.

In the sacrament of Baptism, there is a part of a lighted candle. Someone in the family will light the child's candle from the Easter candle. Then, the celebrant will say to parents and Godparents, "Received the light of Christ. Parents and godparents, this light is entrusted to you to be kept burning brightly."

Jesus invites each of us to follow Him to bring the light of Christ to wherever we go. Each of us is invited to be a burning flame that spreads heat and illuminates those around us with a virtuous life, charity, and love. It begins in our family by living examples that influence our children and everyone around us. the light of Christ will not go out in our hearts and in our lives. Amen.

NOTE FORM FR. JOHN SCHMIDT, C.Ss.R.

Welcome Fr. Mark,

Each year St Alphonsus Parish participates in the Missionary Cooperative Initiative as part of the special collections required by the Archdiocese.

This year, Fr. Mark Robin Destura of the Rogationist Community will promote their mission this weekend, August 13-14. Fr Mark Robin Destura was born in the Philippines, and he studied theology at the Bosco Center of Studies. He worked for about 10 years as missionary in the Philippines, taught in the seminary, giving recollections and retreats to Students and teachers. Currently he is the associate pastor of St. Mary parish in Sanger, California.

The Rogationist community identify with Jesus' mission: "The harvest is abundant, but the laborers are few. Pray therefor the Lord of the harvest to send out laborers to gather his harvest" (Matthew 9: 37-38). St. Hannibal di Francia founded the community which consists of brothers and priests. They pray for the increase of vocations in the Church, and through a variety of publications, create greater vocation awareness among God's people. They are primarily involved in the education of youth, the social assistance of the underprivileged, especially children, orphans, and the poor. Their mission extends to Mexico, Africa, and the Philippines.

Some of the Children in Rwanda and Philippines helped by the Rogationist mission.

OPORTUNITY MEAL CENTER

Parishioners will be preparing and serving the noon meal Tuesday, August 16, at the Catholic Charities Opportunity Center in downtown Minneapolis. You can participate by baking cookies or bars to be served for dessert. Please drop off your goodies at the parish office Monday, August 15, or deliver them directly to the C.Ss.R. hall kitchen by 9:00 a.m. Tuesday. Our hungry neighbors appreciate your generosity.

RESPECT FOR LIFE MINISTRY

"Although we may feel unsure how best to comfort those who mourn, we must stand with them in their time of suffering. Miscarriage touches the lives of many people, yet all too often this tragedy remains unaddressed. This lack of response not only often leads to unresolved grief, but also fails to clearly manifest our belief that each person, from conception onward, is precious and unique."

¡Gracias por su generosidad!

Hoy, Jesús dijo a sus discípulos:

"¡He venido a prender fuego a la tierra, y cómo quisiera que ya estuviera ardiendo!"

Mirando un fuego, ¿qué notamos? El fuego es un elemento esencial en la vida. El fuego puede traernos luz, pero también trae destrucción y muerte. La luz del fuego puede disipar la oscuridad. El calor del fuego nos calentará en una temperatura fría. Una llama ardiente puede quemarlo todo.

Jesús prendiendo fuego a la tierra es para predicar la Buena Nueva e iluminar a los que aún estaban sentados en tinieblas y sombra de muerte. El calor del fuego calentará a todos los que confían en Él y quemará todos los pecados de la humanidad.

En el sacramento del Bautismo, hay una parte de una vela encendida. Alguien de la familia encenderá la vela del niño con el cirio pascual. Luego, el celebrante dirá a los padres y padrinos: "Recibida la luz de Cristo.

Padres y padrinos, esta luz os es confiada para que la mantengáis ardiendo intensamente".

Jesús nos invita a cada uno de nosotros a seguirlo para llevar la luz de Cristo a donde quiera que vayamos.

Cada uno de nosotros está invitado a ser una llama ardiente que esparce calor e ilumina a quienes nos rodean con una vida virtuosa, caritativa y amorosa. Comienza en nuestra familia por ejemplos vivos que influyen en nuestros hijos y en todos los que nos rodean. La luz de Cristo no se apagará en nuestro corazón y en nuestra vida. Amén.

MINISTERIO DEL RESPETO POR LA VIDA

"Aunque no nos sintamos seguros sobre cómo consolar a los que sufren, debemos acompañarlos mientras sufren. El aborto espontáneo toca la vida de mucha gente, sin embargo a menudo esta tragedia no recibe mucha atención. Esta falta de atención no solo lleva a un dolor sin resolver, sino que no manifiesta de manera clara nuestra creencia de que cada persona, desde la concepción en adelante, es valiosa y única."
