He is 2021 Years Old
He's still alive, well and strong.
His purpose was to right man's wrong.
He did that and then some,
To get man to wake up and come
To the place He has prepared for them.

While you are at it lift up your voice.
Join in the singing, praise and rejoice.
The angels are chanting, cannot you hear?
They are calling you all to draw near.

Come, you shepherds and sheep that will follow.
He wants you here today and tomorrow.
Then all the days hereafter,
To share in His joy and laughter.

Bring to Him your miseries and tears.
He is the One who calms all fears.
He is love and can give you a lift;
Just bend your knee and give Him your gift.
YOU!

Prayer for Vocations

We praise You for Your goodness and love. You teach us that each vocation is born in prayer, and only through prayer does it persevere and bear fruit. We ask You to stir the hearts of all those You call to the priesthood and consecrated life in the Diocese of Saint Cloud. Make them generous. Make them courageous. Make them joyful in giving everything to Jesus Christ our Lord. Amen.

If earthly princes consider it a matter of so much importance to select carefully a tutor fit for their children, think you that the Eternal God, would not, in his almighty power and wisdom, choose from out of his creation the most perfect man living [St. Joseph] to be the guardian of his divine and most glorious Son, the Prince of heaven and earth?

Saint of the Week

The Acts of the Apostles tells the story of St. Stephen, the first Christian martyr. A man filled with grace and power, he worked great wonders among the people. Some Jews debated with St. Stephen but could not match his wisdom and spirit. Eventually, a charge of blasphemy was brought up against him, and the local population demanded that he be tried and sentenced. He was seized and carried before the Sanhedrin.

Despite the danger he faced, in front of the Sanhedrin and his accusers, St. Stephen gave a long speech about the history of Israel and the blessings that God had given upon His chosen people. He talked about how Israel had become disobedient despite God's abundant mercy. This enraged his accusers, and eventually the crowd dragged him out of the city and stoned him to death.

Even in his final moments, St. Stephen displayed great forgiveness and even asked God not to hold the sins of his attackers against them. Hundreds of years after his death, he is still a role model for us to follow.

Stewardship Thought

The first reading today provides a challenging guideline for the good stewardship of our family relationships. How do I measure up?

Merry Christmas! Wishing you joy, happiness and peace during this Christmas season and always.

Our students are off this week. I am sure there were many happy children with some wonderful gifts, laughter ringing in the homes of many families and prayers said together as all celebrated the birth of our Lord. Our weekly Advent prayer services, our weekly Masses with Father Mark and many lessons in our classrooms helped our students prepare their hearts for Christmas and made sure we kept the true meaning of this blessed season at the forefront.

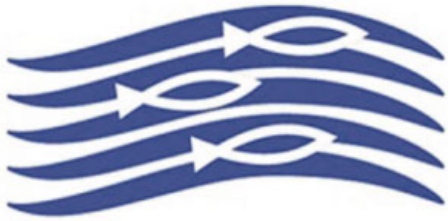

The songs they learned for our Christmas program reflected their great love for God and the wonderment at that lowly birth. I hope you were able to see the program; it was fantastic. Mrs. Sue Bayerl, our music teacher fosters a great love for music in our school and we are blessed to have her. All the teachers spent time practicing the songs with the students and graciously changing schedules so we could practice. This was a team effort and I am so grateful to have this fantastic staff working with our amazing students to create such a heartwarming program!

I have some great news to share! I am excited to announce that our school has been offered a "Challenge Grant" from the Schulze Family Foundation. I had recently surveyed families to find out what goals they'd like our school to pursue and the overwhelming response was to return to offering middle school grades. Father Mark, Melissa Anderson and I met and discussed this, reflecting on the time a few years ago when this was a goal and why it didn't come to pass. We believe we need to return to two sections of each grade first. This would give us a larger number of students in grade 5 and make it more likely that we would have enough students stay for middle school grades to make that financially possible.

In working back from that end goal, we see the need to grow our PreKindergarten. One need for this program is a playground set with slides that are the correct size for these little learners. The Schulze Family Foundation agreed that this was a worthy goal. We are now accepting donations towards this project. If we collect at least \$25,000 between now and March 30, 2022 we will receive \$25,000 from this foundation and will be well on the way towards funding this project.

Please reach out to the school office for more information or to submit your donation. Donations may also be done on the church website. Please know that all donations received now through March 30, 2022 will be used to help meet the Challenge Grant goal unless otherwise noted. We are excited for this unique opportunity to make a big impact on our school and create new lifelong supporters of Saint Andrew Catholic School. Thanks to all who are able to support this project. May God bless you!

Schulze Family Foundation Challenge Grant

Saint Andrew Catholic School is excited to participate in a \$25,000 Challenge Grant offered by the Schulze Family Foundation.

This grant opportunity will fill an essential area for our youngest students at Saint Andrew, a playground that is just their size! A preliminary budget of \$70,000 will create an area on the campus just for children 5 years old and under. This will be our first step towards the future expansion of our school. Our overarching goal is to return to two sections in each grade and then explore adding grades 6, 7, and 8 back to our school. This is step one of this large goal, and we need all the help we can get!

Here's how it works. All unique donations given over and above standard donations count towards our \$25,000 Challenge Grant. If we meet or exceed this target by March 30, 2022, the Schulze family will give us an additional \$25,000 towards this exciting project.

Please reach out to the school office for more information or to submit your donation. Donations may also be done on the church website. Please know that all donations received now through March 30, 2022 will be used to help meet the Challenge Grant goal unless otherwise noted. We are excited for this unique opportunity to make a big impact on our school and create new lifelong supporters of Saint Andrew Catholic School.
