Hello, Sacred Heart of Jesus Parish!
Webster's dictionary's definition of **Change** is: to make radically different, -to transform, to replace with another.
Most of us don't like change but it is a part of our every-day lives. I changed when my mom died this last year (April 2021) and when I lost my job (in April) , then stepping into a new position here at the church office. **Jesus** has been at my side and is transforming me to be the best version of myself for His Glory and Honor -no matter where I work.
I want to **thank you** for all of your kind and encouraging words and prayers as I learn the details of this position and the programs that are in place here at Sacred Heart. Thank you for your patience with me during this time. I look forward to working with the parish office staff as we support Father Carter and serve all the organizations to the best of our abilities.
I look forward to meeting everyone and finding out how I can be of service to you. I wish you all the best in this new year and ask God to Bless you with **HIS Peace** from **John 14:27**" Peace I leave with you, my Peace I give to you, not as the world gives do I give it to you. Do not let your hearts be troubled or afraid."

Janet Haag, Pastoral & Administrative Assistant

JANUARY 29-30, 2022 The Gospel is the Good News. It shows us the path to everlasting life. But sometimes it does this not just by showing us what to do, but also demonstrating what *not* to do. Today is a great example. Jesus preaches in Nazareth, where he grew up. The hometown crowd is expecting to hear some inspiring words, and maybe even see some miracles. But that's not what Jesus has in store for them. Instead, he challenges them, pointing to their self-centeredness and their unwillingness to open-up to God. Definitely not the easy message they wanted to hear!

This is a moment of decision for his audience. Do they allow Jesus's hard words to change them, leading to conversion and deeper relationship with God? Or do they put up walls, and respond with anger and stubbornness?

We know how they chose. The challenge for us is to choose differently when we're confronted by a challenging message from Christ and His Church. One of those challenging topics in our parish today is the need to support the *Archbishop's Call to Share* appeal. It can be easy to react to this conversation by putting up walls or tuning things out. But the parish's needs are real. What's more important than whether we give or not is whether we allow ourselves to be challenged by the invitation to contribute, allowing ourselves to lower our defenses and to prayerfully listen and discern. Try it out today, and see how the Lord prompts you.
