Stewardship as a Way of Life: “See what love the Father has given us, that we should be called children of God; and so we are.” (1 John 3:1)

During this season of giving, let us remember a beautiful gift that we have received: being children of God! As God’s children, it’s in our DNA that we share and express our love for others as well. Tell your spouse, children, other family members and friends that you love them — every day! Also, pray for those people who are different than you, those who you may not like or those who go out of their way to annoy you. Your prayers
