"The Mystery of the Eucharist"

The Bishops of the United States are calling for a three-year grassroots revival of devotion and belief in the Real Presence of Jesus in the Eucharist. They believe that God wants to see a movement of Catholics across the United States, healed, converted, formed, and unified by an encounter with Jesus in the Eucharist—and sent out in mission "for the life of the world."

These three years will culminate in the first National Eucharistic Congress in the United States in almost fifty years. Almost a hundred thousand Catholics will join together in Indianapolis for a once-in-a-lifetime pilgrimage toward the "source and summit" of our Catholic faith.

For more resources, including the USCCB's document "The Mystery of the Eucharist in the Life of the Church", a free video course from Bishop Cozzens, and monthly newsletters and updates, visit the National Eucharistic Revival website: <https://eucharisticrevival.org/>

GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

3rd Sunday in Ordinary Time

Human history reveals many periods where people lost a sense of God's transcendence. It may even be argued that human beings have been wandering and lost more than they have been at home and focused. Human nature being what it is, we struggle with who God really is — the God of our salvation history or the "gods" of human constructs. Relying on our own designs and pursuits, we forget that we really are meant to listen to One upon whom the Spirit of the Lord rests, Jesus Christ, and not to ourselves. That same history that reveals our fickleness and infidelity also reveals God's constancy and faithfulness. God always finds us.

As people wander and fumble to find their way, God is there bringing them back to holiness and giving them the assurance of His presence. We have to allow God's Word, God's life, to touch us and change us. It can make us more flexible and attentive to the sacred in all facets of life so that every day is one that is holy. Every day is a time when fulfillment is possible for one's soul. Jesus stood before those gathered in the synagogue as the fulfillment of words of promise that were echoed long ago. God doesn't forget. He always comes for us.

Now it is time to remember to go to God. Sometimes our lives are so confused and tangled that it is difficult to see the Word and hand of God. But when we realize, deep within, the depth of friendship God offers to us it really has the power to turn sadness to joy. The promise is fulfilled. Going frequently to God's Word, allowing ourselves to be enriched and rejuvenated, and pondering the certainty of God's fidelity and promise permanently transforms us. We will be more aware of the sacred and the holy and less invested in things that pull us away.

Thank You... Although our school Christmas play was delayed from December to January, the wait was well worth it as delighted smiles were plentiful from all who watched either the morning or evening performances of "Manger Mouse" in church on Thursday, January 14th. The play was just another reminder of how blessed we are to have St. Wendelin School in our midst. What a wonderful gift our students gave as they warmed hearts by so readily and happily sharing their talents.

Heartfelt thanks to all who worked tirelessly to bring out the best in our youth, especially to music teacher Abby Molitor who led the effort assisted by principal, Lynn, the other teachers and staff, as well as the many volunteers who worked behind the scenes with costumes, stage work, sound system and wherever else needed. Each year it takes many people coming together to put on this special, much anticipated event. Finally, thanks to all who came. It was gratifying to see such a great turn out. Your support, encouragement and positive spirit keep our school going strong. We look forward to your continued involvement in this new year! Blessings to all!
