Everyday Stewardship

People can spend their entire lives looking for their most suitable partner. Some have an unattainable ideal in their minds that makes the search impossible. Others may choose a different partner over and over again without any real discernment, leading to a long series of breakups and heartache. Perhaps the greatest obstacle for people lies in their assumption that the most important criteria for choosing a partner is that the person they choose to love needs to be devoted to them and be faithful to them above all others. The truth is that if you want to have a suitable partner who you find yourself drawing ever closer to as the years go by, then the focus of both people involved needs to be on a much more important being than the two of you.

When I was a teenager, I remember seeing a triangle used as a visual aid in explaining how true love works. God is the top point and the two lovers, friends, or family members involved are the bottom points. If the two involved in the relationship love God more than each other, than in time it will be their love for the Divine that will bring them ever closer, like how a triangle narrows at the top point.

The more I give of myself to my God, the greater I find my love is for my wife, my children, and my friends. A stewardship way of life will eventually strengthen all our relationships, for a surrender to the One who is love means an increase in the love we have to give to others. For those who continue to search for the "one," pause, pay attention, and see the One who has always loved you and will do so forevermore.
--Tracy Earl Welliver, MTS

***** Your help needed *****

We have lost some of our good gardening helpers as they have retired. Thank you Steve and Kathy Roos for the many years of designing and tending the flower beds, pots outside the front doors, and the flowers below the St. Annes Church sign by Hwy 55. Consequently, we need new helpers to take over and beautify the church grounds. Here is how you can help. Please call Lana in the parish office and volunteer for any one of these and then you will be put on a list and notified when it is time to help.

1. Help with Spring and Fall clean up. Need a few men for this too.
2. Help with weeding and maintaining. Can be done in the evening so can include those who work during the day.
3. Change out each season the pots by the front doors.
4. Help with watering the flowers in pots and flower beds. Want to create a list so you can pick the days that will work for you.
5. In the Spring, design the flower bed and decide what to plant where.

Let's get a good group together to work on beautifying our church grounds. It is so important to make our church inviting to all. We need helpers to make this happen. The more people we have the less work it is. Call parish office and get your name and phone number on the list. Thank you in advance.

ST. MARY HELP OF CHRISTIANS CATHOLIC SCHOOL PreK-Grade 5

Principal: Kelly Kirks
Telephone: 251-3937, Email: kkirks@smhocs.org

We have had an amazing start to the 24-25 school year! The teachers and I are embarking on a two year training in the science of reading called LETRS. It meets the new licensing requirements and is centered in best practice. We are also introducing a standards based report card this year. We are continuing our work from last year in fostering a culture of reading. Our fifth graders are participating in an after school book club which has 100% class participation. We are also focusing on manners school wide. Last spring we planted a garden which our summer care program tended to. It has produced our fresh veggies for our lunch program now for several weeks. There is truly a sense of joy among our faculty and staff. Everyone is hands-on and hands-in and this sense of team has allowed us to maintain our excellent programming. Our Home & School is also very supportive and hands-in. The Harvest Celebration is October 11th at 6 pm at the Legion. We appreciate your support and always welcome your prayers.

Sincerely, Kelly Kirks, Principal

St. Wendelin School will be participating in a pizza/candy bar fundraiser. The candy bars will be available at the time of sale and the pizzas can be ordered to arrive in a few weeks. You can purchase these items directly from any school family or by stopping by school. We are also working on having volunteers available after Sunday mass. The candy bars are the same as the one's sold last spring and the Pizzas are from Harry's Pizza. All proceeds from the sale will go to support the general operations of the school. Thanks for your support.
