Last week's decision on *Dobbs v. Jackson* emphasizes the importance of our democracy, restoring the power to the states to decide how and if they are going to place limits on the abortion industry. The U.S. Supreme Court restored the people's ability to come to individual consensus on abortion limits — but not in Kansas. As it stands today, unelected judges in Kansas are the ones who will decide the fate of abortion limits. The Value Them Both Amendment is a reasonable approach and will ensure Kansas does not remain a permanent destination for the most extreme and painful abortion procedures. For more information about the Value Them Both amendment, go to valuethemboth.com.

During the visit, the team will spend time with the nuns, girls, and elderly praying, playing and working side-by-side as well as meet with leadership in each home and in the community to learn more about past, current and future initiatives.

Please pray for this team as well as for the nuns, girls and elderly we serve. You can read about this trip on the team blog at smahonduras.com

PRESCHOOL SUMMER CAMP

Children enrolled in summer camp at the SMA preschool enjoyed going on a nature hunt and then creating sun catchers with the items they collected. Please contact Jennie Wentz at jennie.wentz@stmichaelcp.org or (913)402-3970 for enrollment information.

In today's Gospel from Luke, Jesus gives directions to his disciples as he sends them out on mission.

Into whatever house you enter, first say,

**'Peace to this household.'
If a peaceful person lives there,
your peace will rest on him;
but if not, it will return to you.**

Discuss: Peace is something each of us wants but can seem hard to find, especially with many divisive issues in our country today. As we "go out on mission" taking the Good News, how can we "keep our peace" and love our neighbor as ourselves?
