FERTILITY CARE SYSTEM - NFP

There is a session close to you! The FertilityCareTM System (Creighton Model) Introductory Session is offered monthly at a variety of area locations and long distance. This fulfills your marriage policy requirement, it's helpful for achieving and avoiding pregnancy, it has medical applications, and it's better than IVF for infertility. Register online at www.fertilitycarekc.com, or call the FertilityCare TM center of Kansas City at 816-858-0198.

THE "I WILL GIVE HALF" CAMPAIGN TO SUPPORT PRO-LIFE CAUSES

For almost 50 years, there has been bipartisan agreement not to fund abortion with taxes. Unfortunately, the recent passage of the 2021 American Rescue Plan Act ended that stretch. Previous COVID relief legislation had prohibited abortion funding.

Bishop Peter Christiansen of the Diocese of Boise, Idaho, devised a response to this distressing development entitled, "I Will Give Half." Archbishop Naumann is also promoting this initiative which encourages those who can afford to do so, to give at least half ($700) of their Covid relief assistance to a pro-life organization. Specifically he urges parishioners to consider giving their donation to a local pregnancy resource center or to the efforts for the passage of the "Value Them Both" state constitutional amendment in August 2022.

To find a list of local Pregnancy Help Centers and for more information about the "I Will Give Half" campaign support for the Value Them Both Amendment, please visit www.archkck.org/prolife under the "Current Pro-Life Issues" section.

JOHNSON & JOHNSON COVID-19 VACCINE

The Johnson & Johnson COVID-19 vaccine recently approved for use in the U.S. was developed, tested and is produced with abortion-derived cell lines. The Congregation for the Doctrine of the Faith has judged that 'when ethically irreproachable Covid-19 vaccines are not available ... it is morally acceptable to receive Covid-19 vaccines that have used cell lines from aborted fetuses in their research and production process.' However, if one can choose among equally safe and effective COVID-19 vaccines, the vaccine with the least connection to abortion-derived cell lines should be chosen. Therefore, if one has the ability to choose a vaccine, Pfizer or Moderna's vaccines should be chosen over Johnson & Johnson's.

For the full statement from the Bishops, moral considerations regarding the other vaccines, and a sample letter template to advocate for ethical vaccine research, production and testing, visit www.archkck.org/vaccines.

AROUND ST. MATTHEW

WE REMEMBER THOSE WHO HAVE RECENTLY DIED

Dorothy Huerter-Holloman, mother of Linda (Ken) Wickstrum

Our thoughts and prayers are with their loved ones in this time of sadness.

LIVE THE LITURGY

Inspiration for the Week

Alleluia! Forgiveness has risen from the grave! What a wonderful joy fills us today as we ponder the inexhaustible mercy of God. When experienced, we are moved to do all in our power to avoid sin and embrace the loving presence of our risen God. God stands ever ready to receive us and wants nothing more than for us to come home. How reluctant we are to believe this truth! We want proof, tangible evidence and absolute assurance that what we have been told is true. Jesus has risen from the dead and brings us peace. It is the gift of wholeness and holiness that is breathed upon us by God's life-giving and healing mercy. May the rays of love that flow from the heart of Christ pierce ours!

I AM PLEASED TO ANNOUNCE ST. MATTHEW HAS OUR OWN BLESSING HOUSE. It is located in front of the church by 28th street. There are about 40 of these boxes in our county. Many started as little libraries to share books. Most are used now to distribute food to those in need. The message is '*take what you need and give when you can.*' This is a wonderful way to extend our outreach of giving food to those in need. The goal of the box is to have food available every day to supplement our Wednesday distribution. The food pantry inventory will be used to stock the blessing box. However, I invite each of you to assist and put food in the box as you are able. The possibilities are enormous. As an example, placing a few new stocking hats and gloves during the winter months. Or, when you see non-perishable items on sale consider buying extra for the blessing box. Also, please help in getting the word out to those who may benefit in some added assistance with receiving food. A big thank you to Jack Hassett *(pictured below)* who agreed to build this beautiful Blessing House. Thanks also to Dick O'Connor and Mike Johnson in securing the house in the ground. Many thanks to all those who financially support the food pantry as well as the many volunteers who assist Paula Auten (Food Pantry Ministry Co-Chair) and I weekly to make this project successful.

God bless you,
Barb O'Connor
Food Pantry Ministry Co-Chair

EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

Eye Has Not Seen

They say seeing is believing. But if you've ever ordered a pair of pants online, you know that's not always the case. Whatever the photos promise us, what looked like a perfectly nice shade of navy blue on our computer screens comes in the mail as an unusual shade of blue-green that only appears in the giant box of Crayola crayons.

The Apostle Thomas, who couldn't bring himself to accept that Jesus had risen from the dead without seeing him, is such an utterly relatable figure in the Gospels. Thomas is still reeling from a loss — not only of his good friend but his Lord, who was taken prisoner and crucified before his eyes. Thomas is guarding himself. He's not believing the hype. He's going to be the only judge of what is real and what is fiction.

Would any of us be any different? We've all had those thoughts. Can we believe it all — Jesus, salvation history, the Eucharist — when we haven't seen it with our own two eyes?

That's when we need to remember that those two eyes were absolutely positive they had ordered a pair of navy blue pants.

It's easy for us to sit back stroking our chins in judgment at Thomas, "you didn't believe the testimony of your friends!" But do we accept the testimony of our friends? The saints, the popes, the Church fathers themselves?

Sometimes the things that are most worthy of believing can't be seen with the naked eye.
