## OLG public Mass re-opening guidelines

1. During the time of the Corona virus pandemic, Archbishop Naumann has given Catholics in the Archdiocese a dispensation from attending in person public Mass.
2. Anyone feeling uncomfortable coming back to public Mass knowing the risks involved should stay home, especially those in high risk groups such as people with serious underlying medical conditions & the elderly.
3. Those choosing to attend public Mass must **wear a mask** and bring their **personal hand sanitizer** and a **towel** to cover the upper part of the pew in front of you that you will touch during Mass.
4. During consecration time, all people will stand up, or be seated if unable to stand up for long, so that you avoid **touching the kneelers**.
5. A six feet social distance must be kept from other people. Only those living in the same household can sit together in proximity.
6. Mass cannot last more than 45 minutes as directed by Archbishop Naumann. There will be no congregational singing, only an accompanist & a cantor.
7. People cannot congregate socializing before or after Mass per Archdiocese and CDC guidelines. Please go home immediately after Mass. The Church will be sanitized after mass to be ready for the next group.
8. **Holy Communion will be given only in the hand.**
9. **OLG can only safely accommodate people seated in the pews using every other pew keeping the 6-foot distance in between families to comply with Archdiocesan & CDC guidelines.**
10. Access to the church will be only through the main front entrance.

\*Thanks for your cooperation, patience & understanding as we go through this unprecedented time!!

## **MEDITACIÓN DEL EVANGELIO – ALENTAR UN ENTENDIMIENTO MÁS PROFUNDO DE LA ESCRITURA** (Gospel Meditations)

11 de abril de 2021

2º Domingo de Pascua (La Divina Misericordia)

La Misericordia de Dios sigue manifestándose por medio de las apariciones de Jesús. Primero a María Magdalena y luego a los otros discípulos. El primer signo de este amor misericordioso de Dios se hace presente en la paz que Jesús ofrece a sus discípulos. “¡La paz este con ustedes!” (Juan 20:21). Esa paz que nos ofrece a nosotros en la actualidad. La Paz de Cristo que vence los miedos a las complicaciones en el trabajo o en la familia. Que vence también el miedo a la pobreza material y espiritual. El miedo que teníamos o que tenemos de acercarnos a Dios en la Eucaristía por la pandemia, ese miedo que todos tenemos al contagio del virus por falta de cuidado de muchos que nos rodean.

Pidamos al Señor, en este Domingo de la Misericordia, reflexionando desde el fondo del corazón. Señor, que tu Resurrección nos libere del miedo, que estemos seguros que Tú siempre estás con nosotros. El Santo Papa San Juan Pablo II dijo sobre la misericordia de Dios lo siguiente: “Dios, Padre misericordioso, que has revelado tu amor en tu Hijo Jesucristo y lo has derramado sobre nosotros en el Espíritu Santo, Consolador, te encomendamos hoy el destino del mundo y de todo hombre”. Es conveniente ahora que volvamos la mirada a este misterio: lo están sugiriendo múltiples experiencias de la Iglesia y del hombre contemporáneo; lo exigen también las invocaciones de tantos corazones humanos, con sus sufrimientos y esperanzas, sus angustias y expectación”. ¿Qué piensas tú de la Divina Misericordia? ¿Eres devoto de ella?

### ADVOCATE FOR ETHICAL VACCINES

In the document Moral Considerations Regarding the New Covid-19 Vaccines, the U.S. bishops addressed the moral concerns raised by the fact that all the vaccines have a connection, some more remotely than others, to cell lines that originated with tissue taken from abortions. Though they concluded receiving a COVID-19 vaccine “is morally permissible and can be an act of self-love and charity toward others” given the gravity of the current pandemic and the lack of availability of alternative vaccines, they also warned that Catholics “must be on guard so that the new COVID-19 vaccines do not desensitize us or weaken our determination to oppose the evil of abortion itself and the subsequent use of fetal cells in research.”

Therefore, the bishops believe it is the responsibility of Catholics and all people of good will to advocate to pharmaceutical companies and the government for the ethical development, production, testing and distribution of all vaccines and medicines. To assist with this advocacy, the Archdiocese is providing a sample letter for people to use as a template to send to pharmaceutical companies. Visit [www.archkck.org/vaccines](http://www.archkck.org/vaccines) for the template and to learn more.

Please read the original USCCB document ([www.usccb.org/moral-considerations-covid-vaccines](http://www.usccb.org/moral-considerations-covid-vaccines)) for a detailed explanation of the moral permissibility of taking the vaccines and to learn why the Pfizer and Moderna vaccines are preferred over the other currently available vaccines.
